RE: PIN X051.63: Rehabilitation of the 188th Street Bridge
Over the Grand Central Parkway

The main work will be to replace the aging concrete bridge deck, sidewalk and parapets on the 188th Street Bridge. Structural repairs to the steel superstructure and concrete piers and abutments will also be performed. In addition, new lighting above and below will be included as part of this project. The bridge deck will be constructed utilizing Accelerated Bridge Construction (ABC), with the deck replaced in pre-cast panels this summer.

Please come to hear new information and changes about this project.

Please notify your friends and neighbors.
For speaking time, please call the District Office (Monday – Friday, 9:00 a.m. – 5:00 p.m.)
