Health Services Committee Meeting
Tuesday, December 12, 2023 – 7:00 P.M.
900 South Avenue, Third Floor Conference Room #1

AGENDA

Introduction: Dr. Ram Raju, Committee Chair

Salute the American Flag.

Attendance Roll Call.

Public Session: (Speaking time is limited to 2 minutes).

Discussion: Representatives of Richmond University Medical Center will discuss their plan to relocate RUMC's OASAS-Certified Behavioral Health Adolescent Program from 444 St. Marks Place, Staten Island, NY 10301 to 1130 South Ave, Staten Island, NY 10314. This location currently houses RUMC's Center for Integrative Medicine and is already an established behavioral health facility in the community. Despite the rise of substance abuse among youth, there are limited resources for adolescents seeking substance use and mental health services on Staten Island. Relocating the program to 1130 South Ave will create an opportunity for adolescents on the South and North Shore to access treatment, whereas the current location (444 St. Marks) is geographically more limited to residents on the North Shore of the Island.

Old Business.

New Business.

Motion to Adjourn.
