Public Contact

Paul B:

Asking for an update on the traffic and speeding issues on West Castor Place. At the previous meeting Borough Commissioner Caruana said she would investigate the matter. The constituent was encouraged to follow-up with the Commissioner.

Agenda

None

Old Business

- IS 34 scaffolding is still up. Waiting for an update on its removal.

New Business

- A street-sweeper was requested for the bike lanes on Hylan Boulevard. For most of this stretch of Hylan Boulevard there is no parking allowed. The catch basins are full of debris. The bike lanes are filled with dirt, gravel, and debris creating unsafe conditions for cyclists. About 30 locations were called in to 311 for cleaning and none of them were done. Frank Rapacciuolo of Cm. Borelli's office asked for the locations and said he would try and have the areas cleaned.
- A FOIL request was submitted to find out why the Swinnerton two-way conversion was initially approved and then the decision was reversed. Information is not yet available.

Respectfully submitted,

Danny Venuto, Chair
