The Reoffered Bonds are being reoffered by public letting on the basis of electronic competitive bids in accordance with a Notice of Sale, dated July 25, 2017, as supplemented.

The Reoffered Bonds are being reoffered as multi-modal bonds in the fixed rate mode. This Reoffering Circular does not describe terms specifically applicable to the Reoffered Bonds bearing interest at rates other than a fixed rate.

From the respective dates of issuance of the 1999 Subseries A-1 Bonds, the 1999 Subseries A-2 Bonds, the 1999 Subseries B-3 Bonds and the 2001 Series A Bonds through the Conversion Date, payment of the purchase price of such portions of the 1999 Subseries A-1 Bonds, the 1999 Subseries A-2 Bonds, the 1999 Subseries B-3 Bonds and the 2001 Series A Bonds tendered for purchase has been provided for pursuant to separate standby bond purchase agreements. Effective on the Conversion Date, such standby bond purchase agreements will be cancelled, the Reoffered Bonds will not be subject to tender for purchase by the owners thereof, and the former standby bond purchase agreement providers will have no liability with respect to the Reoffered Bonds.

Simultaneously with the conversion of the interest rate on the Reoffered Bonds, the Authority expects to issue its \$1,350,000,000 Future Tax Secured Subordinate Bonds, Fiscal 2018 Series A (the “2018 Series A Bonds”). The 2018 Series A Bonds will be offered by a separate offering circular. Portions of the Authority’s offering circular dated August 8, 2017 relating to the 2018 Series A Bonds (the “2018 Series A Offering Circular”) are included herein by specific reference. See “SECTION I: INCLUSION BY SPECIFIC REFERENCE” herein.

The Authority is a corporate governmental agency constituting a public benefit corporation and an instrumentality of the State of New York (the “State”) created by the New York City Transitional Finance Authority Act, as amended (the “Act”). In 2006, the Act was amended pursuant to Part A-3 of Chapter 58 of the Laws of New York, 2006 (the “School Financing Act”) which authorizes the Authority to issue Bonds to

finance a portion of The City of New York’s (the “City”) educational facilities capital plan (“Building Aid Revenue Bonds”) and authorizes the City to assign to the Authority all or any portion of the State aid payable to the City or its school district pursuant to subdivision 6 of Section 3602 of the State Education Law, or any successor provision of State Law (“State Building Aid”). Building Aid Revenue Bonds are not secured by Tax Revenues.

The Reoffered Bonds were issued pursuant to the Act and an Indenture, dated October 1, 1997, as supplemented and as amended and restated by an Amended and Restated Original Indenture, as restated December 1, 2010, as supplemented (the “Indenture”), by and between the Authority and The Bank of New York Mellon, New York, New York, as successor trustee (the “Trustee”). The Authority and the City entered into a Financing Agreement (the “Agreement”), dated October 1, 1997, as amended, supplemented and in effect from time to time, which provides for the application of the Authority’s Bond proceeds to fund capital expenditures of the City and Recovery Costs (as defined in the Indenture) and includes various covenants of the City. A summary of certain provisions of the Indenture and the Agreement, including certain defined terms used therein and in this Reoffering Circular, is contained in “APPENDIX A—SUMMARY OF INDENTURE AND AGREEMENT” referenced in “SECTION I: INCLUSION BY SPECIFIC REFERENCE” herein.

The Reoffered Bonds, following their reoffering as Post-07 S-1 Parity Debt, are payable from Tax Revenues of the Authority which are derived from Personal Income Tax Revenues and Sales Tax Revenues subordinate to Senior Debt Service and operating expenses of the Authority and on a parity with the Authority’s Recovery Obligations and other Subordinate Bonds issued on a parity with the Authority’s Recovery Obligations. See “SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE FUTURE TAX SECURED BONDS” referenced in “SECTION I: INCLUSION BY SPECIFIC REFERENCE” herein.

The factors affecting the Authority and the Reoffered Bonds described throughout this Reoffering Circular or included herein by reference are complex and are not intended to be described in this Introductory Statement. This Reoffering Circular (including the information referred to in “SECTION I: INCLUSION BY SPECIFIC REFERENCE”) should be read in its entirety.

SECTION II: THE REOFFERED BONDS

General

The interest rate on the Reoffered Bonds is being converted from adjustable rates to fixed rates to maturity. The Reoffered Bonds will bear interest at the rates and will mature on the dates as set forth on the inside cover page of this Reoffering Circular unless redeemed prior to maturity if subject to redemption. The Reoffered Bonds will be in book-entry-only form. Interest on and principal of the Reoffered Bonds, following their reoffering as Post-07 S-1 Parity Debt, are payable from Tax Revenues of the Authority subordinate to the payment of Senior Debt Service and operating expenses of the Authority. See “SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE FUTURE TAX SECURED BONDS” referenced in “SECTION I: INCLUSION BY SPECIFIC REFERENCE” herein.

Purchases of the Reoffered Bonds will be in denominations of \$5,000 or any integral multiples thereof. Interest on the Reoffered Bonds accrues from the Conversion Date, is payable on each May 1 and November 1, commencing November 1, 2017, and shall be computed on the basis of a 360-day year of 30-day months.

Optional Redemption or Mandatory Tender

The Reoffered Bonds maturing on or before November 1, 2027 are not subject to optional redemption or mandatory tender prior to their stated maturity dates.

The Reoffered Bonds maturing after November 1, 2027 are subject to optional redemption or mandatory tender, in each case, at the option of the Authority prior to their stated maturity dates, in whole or in part, on any date on or after November 1, 2027, upon 30 days’ notice, at a price of 100% of their principal amount plus accrued interest to such redemption or tender date.

See “—Notice of Redemption or Tender; Selection of Bonds to be Redeemed or Tendered” below for information on the manner of selection of the Reoffered Bonds to be redeemed or tendered as described under this subheading “Optional Redemption or Mandatory Tender.”

Multi-Modal Bonds in the Fixed Rate Mode

The Reoffered Bonds are being reoffered as multi-modal bonds in the fixed rate mode. The Authority may cause a mandatory tender of the Reoffered Bonds at the applicable optional redemption price on any date such Bonds are subject to optional redemption, subject to the Authority’s providing a source of payment therefor in accordance with the Indenture and the Act. If notice of mandatory tender has been given and funds prove insufficient, the Reoffered Bonds not purchased shall continue in the fixed rate mode, without change in interest rate, maturity date or other terms. Other modes to which the Reoffered Bonds may be converted are not described in this Reoffering Circular.

Notice of Redemption or Tender; Selection of Bonds to be Redeemed or Tendered

On or after any redemption date, interest will cease to accrue on the Reoffered Bonds called for redemption. On or after any tender date, interest will cease to accrue to the former Holders on the Reoffered Bonds successfully tendered.

The particular series and subseries, if applicable, maturities, amounts and interest rates of the Reoffered Bonds to be redeemed or called for mandatory tender at the option of the Authority will be determined by the Authority in its sole discretion.

Upon receipt of notice from the Authority of its election to redeem or call for mandatory tender the Reoffered Bonds, the Trustee is to give notice of such redemption or tender by mail to the Holders of the Reoffered Bonds to be redeemed or tendered not less than 30 days or more than 60 days prior to the date set for redemption or tender. Failure by a particular Holder to receive notice, or any defect in the notice to such Holder, will not affect the redemption or purchase of any other Bond.

If less than all of the Reoffered Bonds of a series and subseries, if applicable, and maturity, amount and interest rate are called for prior redemption or tender, such Reoffered Bonds will be selected for redemption or tender, as applicable, in accordance with DTC procedures, by lot.

Defeasance

The Reoffered Bonds are subject to legal defeasance in accordance with the Indenture. As a condition to legal defeasance of any of the Reoffered Bonds, the Authority must obtain an opinion of counsel to the effect that the owners thereof will not recognize income, gain or loss for federal income tax purposes as a result of such legal defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such legal defeasance had not occurred. See “APPENDIX A—SUMMARY OF INDENTURE AND AGREEMENT—The Indenture—Defeasance of the Indenture” and “—Legal Defeasance of Particular Bonds” referenced in “SECTION I: INCLUSION BY SPECIFIC REFERENCE” herein.

In the event that the Reoffered Bonds are defeased to their maturity, the Authority expects that any Reoffered Bonds that are subject to optional redemption or mandatory tender and are escrowed to maturity will remain subject to optional redemption or mandatory tender by the Authority.

Use of Proceeds

The proceeds of the Reoffered Bonds, when originally issued, were used for City capital expenditures. Certain expenses of the Authority incurred in connection with the reoffering and sale of the Reoffered Bonds will be paid from the proceeds of the Reoffered Bonds.

Other Information

For additional information regarding the Reoffered Bonds and the Indenture, see “APPENDIX A—SUMMARY OF INDENTURE AND AGREEMENT” referenced in “SECTION I: INCLUSION BY SPECIFIC REFERENCE” herein.

SECTION III: TAX MATTERS

In the opinion of Norton Rose Fulbright US LLP, New York, New York, as Bond Counsel to the Authority (“Bond Counsel”), interest on the Reoffered Bonds will be exempt from personal income taxes imposed by the State or any political subdivision thereof, including the City.

The Authority and the City will covenant in Tax Certificates to comply with applicable provisions of the Internal Revenue Code of 1986, as amended (the “Code”), relating to the exclusion from gross income of the interest on the Reoffered Bonds for purposes of federal income taxation. In the opinion of Bond Counsel, assuming compliance by the Authority and the City with such covenants, interest on the Reoffered Bonds will be excludable from the gross income of the owners thereof for purposes of federal income taxation. Failure by the Authority or the City to comply with such covenants may cause interest on the Reoffered Bonds to be

includable in the gross income of the owners thereof retroactive to the date of issue of the Reoffered Bonds. Further, Bond Counsel will render no opinion as to the effect on the exclusion from gross income of interest on the Reoffered Bonds of any action (including without limitation a change in the interest rate made with respect to the Reoffered Bonds) taken or not taken after the date of such opinion without the approval of Bond Counsel.

In the opinion of Bond Counsel, interest on the Reoffered Bonds is not an item of tax preference for purposes of the federal individual or corporate alternative minimum tax. The Code contains other provisions that could result in tax consequences, upon which no opinion will be rendered by Bond Counsel, as a result of ownership of the Reoffered Bonds or the inclusion in certain computations (including, without limitation, those related to the corporate alternative minimum tax) of interest that is excluded from gross income. Interest on the Reoffered Bonds owned by a corporation will be included in such corporation's adjusted current earnings for purposes of calculating the alternative minimum taxable income of such corporation, other than an S corporation, a qualified mutual fund, a real estate investment trust, a real estate mortgage investment conduit, or a financial asset securitization investment trust ("FASIT"). A corporation's alternative minimum taxable income is the basis on which the alternative minimum tax imposed by Section 55 of the Code will be computed.

Bond Counsel's opinion is not a guarantee of a result, but represents its legal judgment based upon its review of existing statutes, regulations, published rulings and court decisions and the covenants of the Authority and the City described above. No ruling has been sought from the Internal Revenue Service (the "IRS" or the "Service") with respect to the matters addressed in the opinion of Bond Counsel, and Bond Counsel's opinion is not binding on the IRS. The IRS has an ongoing program of auditing the tax-exempt status of the interest on tax-exempt obligations. If an audit of the Reoffered Bonds is commenced, under current procedures the IRS is likely to treat the Authority as the "taxpayer," and the owners of the Reoffered Bonds would have no right to participate in the audit process. In responding to or defending an audit of the tax-exempt status of the interest on the Reoffered Bonds, the Authority may have different or conflicting interests from the owners of the Reoffered Bonds. Public awareness of any future audit of the Reoffered Bonds could adversely affect the value and liquidity of the Reoffered Bonds during the pendency of the audit, regardless of its ultimate outcome.

Except as described above, Bond Counsel will express no opinion with respect to any federal, state or local tax consequences under present law, or proposed legislation, resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Reoffered Bonds. Prospective purchasers of the Reoffered Bonds should be aware that the ownership of tax-exempt obligations such as the Reoffered Bonds may result in collateral federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, certain foreign corporations doing business in the United States, S corporations with subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a FASIT, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Prospective purchasers should consult their own tax advisors as to the applicability of these consequences to their particular circumstances.

The purchase price of certain Reoffered Bonds (the "Premium Bonds") paid by an owner may be greater than the amount payable on such Reoffered Bonds at maturity. An amount equal to the excess of a purchaser's tax basis in a Premium Bond over the amount payable at maturity constitutes premium to such purchaser. The basis for federal income tax purposes of a Premium Bond in the hands of such purchaser must be reduced each year by the amortizable bond premium, although no federal income tax deduction is allowed as a result of such reduction in basis for amortizable bond premium. Such reduction in basis will increase the amount of any gain (or decrease the amount of any loss) to be recognized for federal income tax purposes upon a sale or other taxable disposition of a Premium Bond. The amount of premium which is amortizable each year by a purchaser is determined by using such purchaser's yield to maturity. Purchasers of the Premium

Bonds should consult with their own tax advisors with respect to the determination of amortizable bond premium on Premium Bonds for federal income tax purposes and with respect to the state and local tax consequences of owning and disposing of Premium Bonds.

Existing law may change so as to reduce or eliminate the benefit to holders of the Reoffered Bonds of the exclusion of interest thereon from gross income for federal income tax purposes. Proposed legislative or administrative action, whether or not taken, could also affect the value and marketability of the Reoffered Bonds. Prospective purchasers of the Reoffered Bonds should consult with their own tax advisors with respect to any proposed changes in tax law.

SECTION IV: RATINGS

The Reoffered Bonds are rated “AAA” by S&P, “Aa1” by Moody’s and “AAA” by Fitch. Such ratings reflect only the views of S&P, Moody’s and Fitch from which an explanation of the significance of such ratings may be obtained. There is no assurance that a particular rating will continue for any given period of time or that any such rating will not be revised downward or withdrawn entirely if, in the judgment of the Rating Agency originally establishing the rating, circumstances so warrant. A revision or withdrawal of such ratings may have an effect on the market price of the Reoffered Bonds.

SECTION V: APPROVAL OF LEGALITY

The legality of the conversion of the 1999 Subseries A-1 Bonds, 1999 Subseries A-2 Bonds, 1999 Subseries B-3 Bonds and 2001 Series A Bonds described herein will be affirmed by the legal opinion of Norton Rose Fulbright US LLP, New York, New York, Bond Counsel to the Authority. Reference should be made to the form of such opinion as set forth in APPENDIX A hereto for the matters covered by such opinion and the scope of Bond Counsel’s engagement in relation to the Reoffered Bonds.

Certain legal matters are being passed upon for the Authority by the New York City Corporation Counsel.

Certain legal matters will be passed upon for the Initial Purchaser by Hawkins Delafield & Wood LLP, New York, New York, counsel for the Initial Purchaser.

SECTION VI: REOFFERING

The Reoffered Bonds are being purchased by Citigroup Global Markets Inc., the Initial Purchaser, pursuant to a Notice of Sale dated July 25, 2017, as supplemented, at a discount of \$249,666.25.

The Reoffered Bonds may be reoffered and sold to certain dealers at prices lower than such public reoffering prices, and such public reoffering prices may be changed from time to time by the Initial Purchaser.

In addition, the Initial Purchaser may have entered into distribution agreements with other broker-dealers for the distribution of the Reoffered Bonds at the original reoffering prices. Such agreements generally provide that the Initial Purchaser will share a portion of its underwriting compensation or selling concession with such broker-dealers.

The Initial Purchaser and its respective affiliates are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, principal investment, hedging, financing and brokerage activities. The Initial Purchaser and its respective affiliates have, from time to time, performed, and may in the future perform, various investment banking services for the Authority for which they received or will receive customary fees and expenses.

In the ordinary course of their various business activities, the Initial Purchaser and its respective affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (which may include bank loans and/or credit default swaps) for their own account and for the accounts of their customers and may at any time hold long and short positions in such securities and instruments. Such investment and securities activities may involve securities and instruments of the Authority.

PROPOSED FORM OF OPINION OF BOND COUNSEL

August 17, 2017

New York City Transitional Finance Authority

The Bank of New York Mellon,
as Trustee

We have acted as bond counsel to the New York City Transitional Finance Authority (the “Authority”), a public benefit corporation organized under the laws of the State of New York, in connection with certain actions affecting all of the Authority’s Future Tax Secured Bonds, Fiscal 1999 Series A, Subseries A-1 maturing November 15, 2022, Fiscal 1999 Series A, Subseries A-2 maturing November 15, 2022, Fiscal 1999 Series B, Subseries B-3 maturing November 1, 2028 and Fiscal 2001 Series A, maturing February 15, 2030 and the redesignation of such Bonds as the Authority’s Future Tax Secured Subordinate Bonds, Fiscal 2018 Series 1 (the “Reoffered Bonds”). Pursuant to the Authority’s Ninety-Fourth Series Resolution, dated June 20, 2017 (the “94th Series Resolution”), the Authority will convert the Reoffered Bonds on the date hereof from a Weekly Rate to a Fixed Rate and designate such Reoffered Bonds as Post-’07 S-1 Parity Debt, as defined in the Indenture described below.

The Reoffered Bonds are subject to the provisions of Chapter 16, Laws of New York, 1997, as amended (the “Act”), the Amended and Restated Original Indenture, as restated December 1, 2010, and as supplemented (the “Indenture”), between the Authority and The Bank of New York Mellon, as Trustee, and a Financing Agreement dated October 1, 1997, as amended (the “Agreement”), between the Authority and The City of New York (the “City”). We assume the parties will perform their respective covenants in the Indenture and the Agreement in all material respects.

The Reoffered Bonds are dated, bear interest, mature, and are subject to redemption and are secured as set forth in the Indenture. The Reoffered Bonds are Subordinate Bonds and Parity Debt payable from the Tax Revenues on a parity with the Authority’s Recovery Obligations and other Parity Debt. The Authority is authorized to issue additional bonds (together with such bonds heretofore issued and the Reoffered Bonds, the “Bonds”) on the terms and conditions set forth in the Indenture and all such Bonds shall be entitled to the benefit, protection and security of the Indenture in the order of priority set forth therein.

We have examined, and in expressing the opinions hereinafter described we rely upon, certificates of the Authority and the City and such other agreements, documents and matters as we deem necessary to render our opinions. We have not undertaken an independent investigation of the matters described or contained in the foregoing certificates, agreements and documents. We have assumed, without undertaking to verify, the authenticity of all documents submitted to us as originals, the conformity to originals of all documents submitted to us as certified copies, the genuineness of all signatures, and the accuracy of the statements contained in such documents.

Based upon the foregoing and our examination of existing law, we are of the opinion that:

1. The 94th Series Resolution has been duly adopted and is in full force and effect and the actions ordered thereby are authorized and permitted by law and the Indenture.
2. The Authority is a public benefit corporation duly organized and existing under the laws of the State, and is authorized under the laws of the State, particularly the Act, to enter into the Indenture and the Agreement and to issue the Reoffered Bonds. Under the laws of the State, including the Constitution of the State, and under the Constitution of the United States, the Act is valid in all respects material to the security and sources of payment for the Reoffered Bonds.

3. The Reoffered Bonds have been duly authorized, executed, and delivered by the Authority and are valid and binding obligations of the Authority payable from the Tax Revenues pledged and the other collateral provided therefor in the Indenture. The Reoffered Bonds do not constitute a debt of the State or the City, and neither the State nor the City shall be liable thereon, nor shall the Reoffered Bonds be payable out of any funds other than those of the Authority.
4. The Act validly provides for (a) the payment to the Authority (i) of the taxes so payable pursuant to §1313 of the Tax Law (the “Personal Income Taxes”), and (ii) to the extent specified in the Act, of sales and compensating use taxes that the City is authorized by the State to impose and taxes imposed by the State pursuant to §1107 of the Tax Law (the “Alternative Revenues,” and to the extent so payable, with the Personal Income Taxes and such other revenues, if any, as the Authority may derive directly from the State from taxes imposed by the City or the State and collected by the State, the “Tax Revenues”), (b) the Authority’s pledge to the Trustee of the Tax Revenues and all aid, rents, fees, charges, payments and other income and receipts paid or payable to the Authority or the Trustee (the “Revenues”), and (c) the application of proceeds of the Reoffered Bonds to purposes of the City.
5. The Personal Income Taxes are subject neither to appropriation by the City or the State, nor to prior claims in favor of other obligations or purposes of the City or the State except as specified in §1313 of the Tax Law with respect to overpayments and the State’s reasonable costs in administering, collecting and distributing such taxes. Alternative Revenues consisting of sales and compensating use taxes imposed by the City, if payable to the Authority pursuant to the Act, are not subject to appropriation by the City or the State. Upon any failure of the State Legislature to make required appropriations for State debt obligations, the Tax Revenues would not constitute revenues applicable to the General Fund of the State; accordingly, Article 7, Section 16 of the State Constitution does not mandate that such money be set apart by the State Comptroller for the payment of State obligations.
6. The Indenture (a) has been duly and lawfully authorized, executed and delivered by the Authority, (b) creates the valid pledge of Tax Revenues and other collateral that it purports to create and (c) is a valid and binding agreement, enforceable in accordance with its terms, of the Authority, and to the extent specified in the Act, the State. The Act does not restrict the right of the State to amend, modify, repeal or otherwise alter statutes imposing or relating to the taxes payable to the Authority pursuant to §1313 of the Tax Law, nor does it obligate the State to make any payments not specified in the Act or impose any taxes to satisfy the obligations of the Authority.
7. The lien of the Indenture on the Tax Revenues for the security of the Senior Bonds and other instruments to the extent specified in the Indenture is, and pursuant to the covenant of the Authority in the Indenture will be, prior to all other liens thereon. The Authority’s obligation to pay Subordinate Bonds, such as the Reoffered Bonds, is subject to and subordinate to the pledge and security interest granted in the Indenture to secure Senior Debt Service. The pledge of Tax Revenues and other collateral made by the Authority in the Indenture is valid, binding and perfected without any physical delivery of the collateral or further act, and the lien thereof is valid, binding and perfected against all parties having claims of any kind in tort, contract or otherwise against the Authority irrespective of such parties’ notice thereof.
8. The Agreement has been duly and lawfully authorized, executed and delivered by the Authority and the City pursuant to the Act, and is a valid and binding agreement of each of them.
9. The Authority is not eligible for protection from its creditors pursuant to Title 11 (the “Bankruptcy Code”) of the United States Code. If the debts of the City were adjusted under the Bankruptcy Code, and the City or its creditors asserted a right to the Tax Revenues superior or equal to the rights of the holders of the Bonds, such assertion would not succeed.
10. No registration with, consent of, or approval by any governmental agency or commission that has not been obtained is necessary for the execution and delivery of the Reoffered Bonds. The adoption and

compliance with all of the terms and conditions of the Indenture and the Reoffered Bonds, and the execution and delivery of the Reoffered Bonds, will not result in a violation of or be in conflict with any existing law.

11. Interest on the Reoffered Bonds is exempt from personal income taxes imposed by the State or any political subdivision thereof, including the City.
12. The Authority and the City have covenanted, in Tax Certificates dated the date hereof, to comply with certain provisions of the Internal Revenue Code of 1986, as amended to the date hereof (the "Code"), relating to the exclusion from gross income of the interest on the Reoffered Bonds for purposes of federal income taxation. Assuming compliance by the Authority and the City with such covenants, interest on the Reoffered Bonds will be excludable from the gross income of the owners thereof for federal income tax purposes.
13. Interest on the Reoffered Bonds is not an item of tax preference for purposes of the federal individual or corporate alternative minimum tax. The Code contains other provisions that could result in tax consequences, upon which we render no opinion, as a result of ownership of such Reoffered Bonds or the inclusion in certain computations (including without limitation those related to the corporate alternative minimum tax) of interest that is excluded from gross income.

We express no opinion with respect to any other federal, state or local tax consequences under present law or any proposed legislation resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Reoffered Bonds. Furthermore, we express no opinion as to the effect on the exclusion from gross income of interest on the Reoffered Bonds of any action (including without limitation a change in the interest rate mode with respect to the Reoffered Bonds) taken or not taken after the date of this opinion without our approval. Ownership of tax-exempt obligations such as the Reoffered Bonds may result in collateral federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, certain foreign corporations doing business in the United States, "S" corporations with subchapter C earnings and profits, owners of an interest in a financial asset securitization investment trust, individual recipients of Social Security or Railroad Retirement Benefits, individuals otherwise qualifying for the earned income tax credit and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations.

The rights of the holders of the Reoffered Bonds and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted, to the extent constitutionally applicable and except as specifically stated above, and may also be subject to the exercise of the State's police powers and of judicial discretion in appropriate cases.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions. Such opinions may be adversely affected by actions taken or events occurring, including a change in law, regulation or ruling (or in the application or official interpretation of any law, regulation or ruling) after the date hereof. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may hereafter come to our attention or to reflect any changes in any law that may hereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Internal Revenue Service; rather, such opinions represent our legal judgment based upon our review of existing law that we deem relevant to such opinions and in reliance upon the representations and covenants referenced above.

Very truly yours,
