The Building Aid Revenue Bonds, Fiscal 2022 Subseries S-1A Tax-Exempt (the "Subseries S-1A Bonds") and the Building Aid Revenue Bonds, Fiscal 2022 Subseries S-1B Taxable (the "Subseries S-1B Bonds" and, together with the Subseries S-1A Bonds, the "Series 2022 S-1 Bonds") are being issued by the New York City Transitional Finance Authority (the "Authority") pursuant to Part A-3 of Chapter 58 of the Laws of New York, 2006 (the "School Financing Act") and the New York City Transitional Finance Authority Act, as amended (the "Enabling Act" and, together with the School Financing Act, the "Act"), and the Amended and Restated Original Indenture, as restated April 12, 2019, as amended and supplemented (the "Indenture"), by and between the Authority and The Bank of New York Mellon, New York, New York, as trustee (the "Trustee").

Pursuant to the School Financing Act, the Building Aid Revenue Bonds are payable from the State Building Aid (as defined herein) payable by the State to the City and assigned to the Authority. The payment of State Building Aid and any other State education aid to the City or the Authority is subject to annual appropriation by the State, is subject and subordinate to certain prior statutory and State constitutional claims and is dependent in part upon the financial condition of the State. See "SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS—Financial Condition of the State." In addition, the application of State Building Aid to the payment of the Building Aid Revenue Bonds is subordinate to the payment of (i) Future Tax Secured Bonds of the Authority issued prior to November 16, 2006 (currently outstanding in the aggregate principal amount of \$112,900,000) and (ii) certain operating expenses of the Authority.

Pursuant to Section 99-b of the State Finance Law, the State Comptroller shall deduct and withhold State education aid or assistance due to the City in an amount required to pay the principal of and interest on any Building Aid Revenue Bonds in default.

The coronavirus disease (COVID-19) has had a significant negative impact on the State, the City and their respective economies. See "SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS—Impact of COVID-19."

The Series 2022 S-1 Bonds will be issued only as fully registered bonds, registered in the name of Cede & Co. as nominee for The Depository Trust Company ("DTC"). Purchasers will not receive physical delivery of the Series 2022 S-1 Bonds. Principal, redemption price and interest will be payable to DTC by the Trustee. Disbursement of such payments to DTC Participants is the responsibility of DTC, and disbursements to the purchasers of the Series 2022 S-1 Bonds are the responsibility of the DTC Participants.

Purchases of the Series 2022 S-1 Bonds will be made in book-entry form in denominations of \$5,000 or integral multiples thereof. Interest on the Series 2022 S-1 Bonds accrues from their dated date, and is payable on each January 15 and July 15, commencing January 15, 2022.

The Series 2022 S-1 Bonds are subject to redemption or mandatory tender prior to maturity as described herein.

**THE BUILDING AID REVENUE BONDS ARE NOT A DEBT OF EITHER THE STATE OR THE CITY, AND NEITHER THE STATE NOR THE CITY SHALL BE LIABLE THEREON. PAYMENT OF STATE BUILDING AID AND ANY OTHER STATE EDUCATION AID TO THE CITY OR THE AUTHORITY IS SUBJECT TO ANNUAL APPROPRIATION BY THE STATE. THE BUILDING AID REVENUE BONDS DO NOT CONSTITUTE "STATE SUPPORTED DEBT" (COMMONLY KNOWN AS "STATE APPROPRIATION DEBT") WITHIN THE MEANING OF THE STATE FINANCE LAW. THEREFORE, THE STATE WILL NOT BE ENTERING INTO ANY FINANCING AGREEMENT OR SERVICE CONTRACT IN CONNECTION WITH THE BUILDING AID REVENUE BONDS.**

The Subseries S-1A Bonds are being offered to the public, subject to prior sale, when, as and if issued by the Authority and accepted by the Underwriters. The Subseries S-1B Bonds are being sold by public letting on the basis of electronic competitive bids in accordance with a Notice of Sale dated July 6, 2021, as supplemented. The issuance of the Series 2022 S-1 Bonds is subject to the approval of legality of the Series 2022 S-1 Bonds and certain other matters by Katten Muchin Rosenman LLP, New York, New York, and Hardwick Law Firm, LLC, New York, New York, Co-Bond Counsel to the Authority. COMPLIANCE WITH ANY RULES OR RESTRICTIONS OF ANY JURISDICTION RELATING TO THE OFFERING, SOLICITATION AND/OR SALE OF THE BONDS IS THE RESPONSIBILITY OF THE UNDERWRITERS AND THE ISSUER SHALL NOT HAVE RESPONSIBILITY OR LIABILITY IN CONNECTION THEREWITH.

FOR THESE PURPOSES, A RETAIL INVESTOR MEANS A PERSON WHO IS ONE (OR MORE) OF: (I) A RETAIL CLIENT AS DEFINED IN POINT (11) OF ARTICLE 4(1) OF DIRECTIVE 2014/65/EU (AS AMENDED, “MIFID II”); (II) A CUSTOMER WITHIN THE MEANING OF DIRECTIVE (EU) 2016/97 (THE “INSURANCE DISTRIBUTION DIRECTIVE”), WHERE THAT CUSTOMER WOULD NOT QUALIFY AS A PROFESSIONAL CLIENT AS DEFINED IN POINT (10) OF ARTICLE 4(1) OF MIFID II; OR (III) NOT A QUALIFIED INVESTOR AS DEFINED IN REGULATION (EU) 2017/1129 (THE “PROSPECTUS REGULATION”). CONSEQUENTLY, NO KEY INFORMATION DOCUMENT REQUIRED BY REGULATION (EU) NO. 1286/2014 (AS AMENDED, THE “PRIIPS REGULATION”) FOR OFFERING OR SELLING THE BONDS OR OTHERWISE MAKING THEM AVAILABLE TO RETAIL INVESTORS IN THE EEA HAS BEEN PREPARED AND THEREFORE OFFERING OR SELLING THE BONDS OR OTHERWISE MAKING THEM AVAILABLE TO ANY RETAIL INVESTOR IN THE EEA MAY BE UNLAWFUL UNDER THE PRIIPS REGULATION.

THIS OFFERING CIRCULAR IS NOT A PROSPECTUS FOR THE PURPOSES OF THE PROSPECTUS REGULATION. THIS OFFERING CIRCULAR HAS BEEN PREPARED ON THE BASIS THAT ALL OFFERS OF THE BONDS TO ANY PERSON THAT IS LOCATED WITHIN A MEMBER STATE OF THE EEA WILL BE MADE PURSUANT TO AN EXEMPTION UNDER ARTICLE 1(4) OF THE PROSPECTUS REGULATION FROM THE REQUIREMENT TO PRODUCE A PROSPECTUS FOR OFFERS OF THE SECURITIES. FOR THE PURPOSES OF THIS PROVISION, THE EXPRESSION AN “OFFER OF SECURITIES TO THE PUBLIC” IN RELATION TO THE BONDS IN ANY MEMBER STATE MEANS THE COMMUNICATION IN ANY FORM AND BY ANY MEANS OF SUFFICIENT INFORMATION ON THE TERMS OF THE OFFER AND THE BONDS TO BE OFFERED SO AS TO ENABLE AN INVESTOR TO DECIDE TO PURCHASE THE BONDS OR SUBSCRIBE FOR THE BONDS.

EACH SUBSCRIBER FOR OR PURCHASER OF THE SECURITIES IN THE OFFERING LOCATED WITHIN A MEMBER STATE WILL BE DEEMED TO HAVE REPRESENTED, ACKNOWLEDGED AND AGREED THAT IT IS A “QUALIFIED INVESTOR” AS DEFINED IN THE PROSPECTUS REGULATION. THE ISSUER AND EACH UNDERWRITER AND OTHERS WILL RELY ON THE TRUTH AND ACCURACY OF THE FOREGOING REPRESENTATION, ACKNOWLEDGEMENT AND AGREEMENT.

**SUMMARY OF TERMS**

The following is qualified in its entirety by reference to the information appearing elsewhere in this Official Statement. Terms used in this Official Statement and not defined herein are defined in “APPENDIX A—SUMMARY OF INDENTURE AND AGREEMENT.”

Issuer ..... The New York City Transitional Finance Authority (the “Authority”) is a corporate governmental agency constituting a public benefit corporation and an instrumentality of the State of New York (the “State”).

Statutory Authorization ..... The Authority was created by the New York City Transitional Finance Authority Act (the “Enabling Act”). The Enabling Act became effective March 5, 1997, and provided for the issuance of bonds for general capital purposes of The City of New York (the “City”), the payment of bonds from Tax Revenues (which consist of Personal Income Taxes and Sales Taxes (to the extent required)), and statutory and contractual covenants of the Authority, the City and the State. In 2006, the Enabling Act was amended pursuant to Part A-3 of Chapter 58 of the Laws of New York, 2006 (the “School Financing Act”). The School Financing Act authorizes the Authority to issue Bonds, Notes or other obligations in an amount outstanding of up to \$9.4 billion to finance a portion of one or more of the City’s five-year educational facilities capital plans (individually “a Five-Year Plan” and collectively the “Five-Year Plans”) and authorizes the City to assign to the Authority all or any portion of the State aid payable to the City or its school district pursuant to subdivision 6 of Section 3602 of the State Education Law, or any successor provision of State law (“State Building Aid”).

Securities Offered..... \$813,015,000 Building Aid Revenue Bonds, Fiscal 2022 Series S-1, consisting of (i) \$582,820,000 Subseries S-1A Tax-Exempt Bonds (the “Subseries S-1A Bonds”) and (ii) \$230,195,000 Subseries S-1B Taxable Bonds (the “Subseries S-1B Bonds” and, together with the Subseries S-1A Bonds, the “Series 2022 S-1 Bonds”), are being issued by the Authority pursuant to the School Financing Act and the Enabling Act, as amended (collectively, the “Act”), and the Amended and Restated Original Indenture, as restated April 12, 2019, as amended and supplemented (the “Indenture”), by and between the Authority and The Bank of New York Mellon, New York, New York, as trustee (the “Trustee”).

The Series 2022 S-1 Bonds are being issued as multi-modal bonds in the fixed rate mode. This Official Statement does not describe terms specifically applicable to such Series 2022 S-1 Bonds bearing interest at rates other than a fixed rate. See “SECTION III: THE SERIES 2022 S-1 BONDS—Multi-Modal Bonds in the Fixed Rate Mode.”

The Offering ..... The Subseries S-1A Bonds are being offered to the public, subject to prior sale, when, as and if issued by the Authority and accepted by the Underwriters.

The Subseries S-1B Bonds are being offered to the public when, as and if issued by the Authority, pursuant to a Notice of Sale, dated July 6, 2021, as supplemented.

Security for Building Aid Revenue Bonds..... The Series 2022 S-1 Bonds (along with all other Building Aid Revenue Bonds issued under the Indenture, the “Building Aid Revenue Bonds”) are payable by the Authority from the State Building Aid, subject to annual appropriation by the State, assigned by the City to the Authority and by the Authority to the Trustee. The Indenture permits the Authority to issue notes and to enter into other

obligations on a parity with the Building Aid Revenue Bonds (the “School Obligations”). See “SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS.”

In addition to Building Aid Revenue Bonds, the Authority issues bonds and notes secured by Tax Revenues, which are referred to herein as “Future Tax Secured Bonds.” Future Tax Secured Bonds include Recovery Obligations and Subordinate Bonds issued on a parity with Recovery Obligations (together “Parity Debt”) and Senior Bonds. Pursuant to the Indenture, Future Tax Secured Bonds issued prior to the date of issuance of the Authority’s Building Aid Revenue Bonds Fiscal 2007 Series S-1 dated November 16, 2006 (the “Series 2007 S-1 Bonds”) will be payable in the first instance from Tax Revenues (which consist of Personal Income Taxes and (to the extent required) Sales Taxes) and, to the extent that Tax Revenues are insufficient, from State Building Aid. Future Tax Secured Bonds issued after the date of issuance of the Series 2007 S-1 Bonds, operating expenses allocable thereto and ancillary and swap contracts related thereto (“Post-’07 S-1 Obligations”) are secured only by Tax Revenues and will have no claim to State Building Aid. The payment of the Building Aid Revenue Bonds is subordinate to (i) the payment of debt service on Future Tax Secured Bonds issued prior to the date of issuance of the Series 2007 S-1 Bonds and (ii) operating expenses allocable thereto (collectively, the “Pre-’07 S-1 Obligations”).

Building Aid Revenue Bonds do not constitute Future Tax Secured Bonds, are not secured by Tax Revenues and are payable from State Building Aid subordinate to the payment of the Pre-’07 S-1 Obligations. If Tax Revenues were not sufficient to pay the Pre-’07 S-1 Obligations as well as Post-’07 S-1 Obligations, State Building Aid would be applied to the payment of the Pre-’07 S-1 Obligations and the amount of State Building Aid available for payment of the Building Aid Revenue Bonds would be reduced. The Authority expects that Tax Revenues will be sufficient to pay the Pre-’07 S-1 Obligations and Post-’07 S-1 Obligations. See “SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS—Application of State Building Aid to Pay Pre-’07 S-1 Obligations.”

The Authority has Outstanding \$112,900,000 of Future Tax Secured Bonds issued as Pre-’07 S-1 Obligations, \$41,440,910,000 of Future Tax Secured Bonds issued as Post-’07 S-1 Obligations and \$8,297,025,000 of Building Aid Revenue Bonds (not including the Series 2022 S-1 Bonds or the redemption of the Refunded Bonds (as defined below)). All outstanding Building Aid Revenue Bonds are fixed rate bonds.

Except as described herein, the Authority has no source of payment for the Building Aid Revenue Bonds other than State Building Aid, which is subject to annual appropriation of the State.

Assignment..... Under an Assignment of State Aid (the “Assignment”), dated October 19, 2006, as amended, the City, acting through the Mayor, has assigned to the Authority all of the State Building Aid. Pursuant to the School Financing Act, the State Building Aid and the right to receive the State Building Aid are now the property of the Authority. See “SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS—Assignment of State Building Aid.”

Impact of COVID-19..... The outbreak of the coronavirus disease (COVID-19) has had a significant negative impact on the City and the State. For further information, see “SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS—Impact of COVID-19.”

State Building Aid..... The State annually appropriates money to pay for educational needs of the City’s students (“Education Aid”) pursuant to Section 3602 of the State Education Law, as amended (the “Education Law”). A portion of such Education Aid constitutes State Building Aid apportioned pursuant to subdivision 6 of Section 3602 of the Education Law which is paid, together with certain other Education Aid, pursuant to Section 3609-a of the Education Law. The Series 2022 S-1 Bonds (along with all other Building Aid Revenue Bonds) are payable from the State Building Aid subject to annual appropriation by the State. State Building Aid is paid in support of education facilities in the State for the benefit of elementary and/or secondary school students.

Under the Assignment, the City has assigned to the Authority all State Building Aid payable to the City since the date of the Assignment (October 19, 2006) and all State Building Aid to be received in the future by the City. Under the Indenture, State Building Aid consists of Confirmed Building Aid and Incremental Building Aid. “Confirmed Building Aid” consists of State Building Aid for projects not subject to any further statutory or administrative conditions or approvals (other than annual State appropriation), but subject to recalculation in accordance with the building aid ratios and the interest rate recalibration described herein. The first such recalibration was scheduled to be made with respect to the 2017-2018 school year and would include all assumed amortizations for which a ten year segment ended prior to that school year. However, such recalibration has not yet been implemented and no such recalibrations with respect to subsequent school years have been implemented. See “SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS—State Building Aid.” “Incremental Building Aid” consists of State Building Aid to be received in the future by the Authority for City educational building projects that are approved by the New York State Education Department (the “SED”) in the future under one or more Five-Year Plans. Requests for Incremental Building Aid are made on behalf of the City by application of the New York City School Construction Authority (“SCA”) to the SED. See “SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS—State Building Aid.”

State Appropriation ..... Payment of State Building Aid is subject to annual appropriation by the State. If there is not sufficient money appropriated by the State to enable the Authority to pay the Building Aid Revenue Bonds on a timely basis, the State will not be liable to the Authority, the City or the Bondholders for any deficiency. There is no contractual relationship between the Authority and the State. The State has no obligation, contractual or otherwise, to seek an appropriation of State Building Aid. See “SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS—Financial Condition of the State.”

Memorandum of Understanding ..... The State annually appropriates Education Aid to the City to pay for educational needs of the City’s students pursuant to Section 3602 of the Education Law. A portion of such Education Aid constitutes State Building Aid apportioned pursuant to subdivision 6 of Section 3602 of the Education Law which is paid, together with certain other Education Aid, pursuant to Section 3609-a of the Education Law (the “General Education Aid Payments”). The City, the Authority, the SED and the New York State Comptroller (the “State Comptroller”) entered into a Memorandum of Understanding, dated as of October 26, 2006 (the “MOU”), to determine the amount included in each General Education Aid Payment that is attributable to State Building Aid (the “Building Aid Payment”). Under the MOU, prior to each General Education Aid Payment, the Authority will calculate and certify to the SED, the State Comptroller and the Director of the Division of the

Budget of the State the amount of the Building Aid Payment included in each General Education Aid Payment. In addition, the MOU provides that if permitted by applicable law, the State Comptroller shall satisfy any Competing Claims (described below) to Education Aid from Education Aid other than State Building Aid (“Other School Aid”) first and, thereafter, from State Building Aid if the expected sources of funds for the payment of the Competing Claims from Other School Aid are unavailable or insufficient. Although the MOU sets forth the understanding of the City, the Authority, the SED and the State Comptroller as to the payment of State Building Aid and Other School Aid, the MOU will not be assigned to the Trustee or pledged as security for the Building Aid Revenue Bonds. While no assurance can be given that the MOU will be legally enforceable, the School Financing Act authorizes the assignment of State Building Aid by the City to the Authority and requires the payment of State Building Aid to the Authority following such assignment. See “SECTION II—SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS—Memorandum of Understanding” and “—Competing Claims to State Aid.”

99-b State Aid Intercept .....

Section 99-b of the State Finance Law provides that in the event a holder or owner of any Building Aid Revenue Bond, or other bond or note issued by the Authority or the City for school purposes, shall file with the State Comptroller a verified statement describing such bond or note and alleging default in the payment thereof or the interest thereon or both, it shall be the duty of the State Comptroller to immediately investigate the circumstances of the alleged default and prepare and file in his office a certificate setting forth his determinations with respect thereto and serve a copy thereof by registered mail upon the Comptroller of the City, the Chancellor of the school district of the City (the “Chancellor”) and the chief fiscal officer of the Authority. Upon the filing of such a certificate in the office of the State Comptroller, the State Comptroller shall thereafter deduct and withhold from the next succeeding allotment, apportionment or payment of Education Aid due to the City or its school district such amount thereof as may be required to pay the principal of and interest on the bonds or notes then in default. Education Aid so withheld shall be transferred by the State Comptroller to the paying agents for the bonds or notes so in default.

Education Aid so applied pursuant to State Finance Law Section 99-b secures only bonds or notes issued for school purposes and does not secure other obligations of the Authority or the City.

See “SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS—99-b State Aid Intercept.”

State and City Covenants .....

The Act and the Indenture contain the covenant of the State with the Bondholders (the “State Covenant”) that the State shall not limit or alter the rights vested in the Authority by the Act to fulfill the terms of the Indenture, or in any way impair the rights and remedies of such holders or the security for the Bonds until such Bonds, and all costs and expenses in connection with any action or proceeding by or on behalf of such holders of the Bonds, are fully paid and discharged. The State Covenant does not restrict the right of the State to amend, modify, repeal or otherwise alter statutes relating to State Building Aid subject to the Assignment. However, the State, under the School Financing Act and under the Indenture, covenants that State Building Aid shall in all events (i) continue to be so payable, as assigned to the Authority, so long as the State Building Aid is paid and (ii) continue to be calculated in accordance with the same formula used for such calculation, and otherwise on the same basis as such aid is calculated, on the date that an applicable project is approved for reimbursement from State Building Aid.

In accordance with the Act, the City has pledged and agreed with the holders of the Bonds that the City will not limit or alter the rights vested by the Act in the Authority to fulfill the terms of any agreements made with such holders pursuant to the Act, or in any way impair the rights and remedies of such holders or the security for the Bonds until the Bonds are fully paid and discharged.

For more information regarding covenants of the State and City, see “SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS—Agreements of the State and the City.”

Competing Claims to

State Aid.....

The Authority’s receipt of State Building Aid to pay Building Aid Revenue Bonds is expressly subject and subordinate under the School Financing Act to prior statutory claims on State education aid and assistance (1) under Section 99-b of the State Finance Law for the benefit of the holders of any defaulted bonds of the City or defaulted Future Tax Secured Bonds of the Authority issued for school purposes, (2) for the Municipal Bond Bank Agency for the payment of its bonds issued to satisfy prior claims of the City for amounts owed to the City under the Education Law and (3) for the New York City Educational Construction Fund to restore its Debt Service Reserve Fund relating to its outstanding bonds. In addition, the State may withhold or recover State education aid or assistance payable to the City for the City’s failure to provide certain educational services (e.g., courses in special areas, certain number of instructional days, certain health services, services for handicapped students, administrative practices or willful disobedience of certain laws or directives), or to otherwise correct errors or omissions in apportionments of State education aid or assistance pursuant to subdivision 5 of Section 3604 of the Education Law as statutorily mandated. The foregoing statutory claims to State education aid and assistance and withholding or recovery of Education Aid or assistance payable to the City are collectively referred to as “Competing Claims.” The Authority does not expect that any such Competing Claims will materially reduce State Building Aid payable to the Authority. See “SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS—Competing Claims to State Aid.”

Financial Condition

of the State.....

The payment of State Building Aid to the Authority is dependent in part upon the financial condition of the State. State budgetary restrictions have resulted in delays in the payment of, and could result in reductions in, the amount of General Education Aid Payments to the Authority. In the event that Education Aid is reduced by the State in the future, such reduction could result in a diminished flow of State Building Aid to the Authority. See “SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS—Impact of COVID-19.”

State Building Aid is payable by the State from amounts held in the State’s General Fund, upon which there are potential prior constitutional and statutory claims. Intercept of amounts held in the State’s General Fund could result in a diminished flow of State Building Aid to the Authority. In addition, the availability of Education Aid and the timeliness of payment of Education Aid could be affected by a delay in the adoption of the State budget. For information on the State, see “SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS—Financial Condition of the State.”

Not Debt of State or City.....

The Series 2022 S-1 Bonds are not a debt of either the State or the City, and neither the State nor the City shall be liable thereon. The State has no contractual relationship with the Authority and has no obligation, contractual or otherwise, to

	<p>seek an appropriation of State Building Aid. The Building Aid Revenue Bonds do not constitute “State supported debt” (commonly known as “State appropriation debt”) within the meaning of the State Finance Law. Therefore, the State will not be entering into any financing agreement or service contract, the principal terms of which would require the State to seek an annual appropriation and govern payments pursuant to such appropriation, in connection with the Building Aid Revenue Bonds.</p>
Additional Building Aid Revenue Bonds.....	<p>The Authority expects that it will issue other Building Aid Revenue Bonds in the future. See “SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS—Additional Building Aid Revenue Bonds.”</p>
Purpose of Issue .....	<p>The proceeds of the Series 2022 S-1 Bonds, together with other funds of the Authority, will be used to redeem, at or prior to maturity, the Building Aid Revenue Bonds identified in “APPENDIX D” hereto (the “Refunded Bonds”) by providing for the payment of the principal of and interest and redemption premium, if any, on the Refunded Bonds to the extent and to the payment dates shown in “APPENDIX D”. The delivery of the Subseries S-1A Bonds is contingent upon the delivery of the Subseries S-1B Bonds. The delivery of the Subseries S-1B Bonds is contingent on the delivery of the Subseries S-1A Bonds. The refunding of the Refunded Bonds is contingent upon the delivery of the Series 2022 S-1 Bonds. The Refunded Bonds were issued to finance the costs of one or more of the Five-Year Plans approved in accordance with Section 2590-p of the Education Law and to refund certain bonds issued for such purposes. Certain expenses of the Authority incurred in connection with the issuance of the Series 2022 S-1 Bonds will be paid from the proceeds of the Series 2022 S-1 Bonds.</p>
Interest and Principal.....	<p>Interest on the Series 2022 S-1 Bonds will accrue from their dated date at the rates set forth on the inside cover pages hereof and will be payable semiannually on January 15 and July 15 of each year, commencing January 15, 2022. The record date for payment of interest on the Series 2022 S-1 Bonds is the last business day of the calendar month immediately preceding the interest payment date.</p> <p>Principal will be due as shown on the inside cover pages and herein.</p>
Optional Redemption or Mandatory Tender of Subseries S-1A Bonds.....	<p>The Subseries S-1A Bonds maturing on and after July 15, 2032 are subject to optional redemption or mandatory tender, in each case, at the option of the Authority prior to their stated maturity dates, in whole or in part, on any date on or after July 15, 2031. See “SECTION III: THE SERIES 2022 S-1 BONDS—Optional Redemption or Mandatory Tender of Subseries S-1A Bonds.”</p>
Optional Redemption or Mandatory Tender of Subseries S-1B Bonds .....	<p>The Subseries S-1B Bonds are subject to make-whole optional redemption or mandatory tender prior to their stated maturity dates at the option of the Authority, in whole or in part, on any date as described herein. See “SECTION III: THE SERIES 2022 S-1 BONDS—Optional Redemption or Mandatory Tender of Subseries S-1B Bonds.”</p>
Collection Account.....	<p>All Revenues (consisting primarily of Tax Revenues and State Building Aid) received by the Authority shall be promptly deposited into the Collection Account within which there are created a Tax Revenue Subaccount and a Building Aid</p>

Application of State Building Aid.....	<p>Subaccount. Any Tax Revenues received by the Authority shall be promptly deposited into the Tax Revenue Subaccount. Any State Building Aid received by the Authority or the Trustee shall be promptly deposited into the Building Aid Subaccount.</p>
Retention Procedures.....	<p>State Building Aid in the Building Aid Subaccount of the Collection Account shall be applied in the following order of priority, as implemented in part by the Retention Procedures: <u>first</u>, to Pre-'07 S-1 Senior Debt (to the extent that Tax Revenues are insufficient); <u>second</u>, to the Authority's operating expenses (to the extent that Tax Revenues are insufficient), which may include reserves but excluding operating expenses properly allocable to Post-'07 S-1 Senior Debt and Post-'07 S-1 Parity Debt; <u>third</u>, to Pre-'07 S-1 Parity Debt (to the extent that Tax Revenues are insufficient); <u>fourth</u>, to the payment of Building Aid Revenue Bonds and other School Obligations; and <u>fifth</u>, daily or as soon as practicable but no later than the last day of each month, to the order of the City, free and clear of the lien of the Indenture.</p> <p>To provide for the timely payment of School Obligations (including the Series 2022 S-1 Bonds) subject to the rights of the Holders of Pre-'07 S-1 Obligations, money in the Building Aid Subaccount shall be retained therein until transferred as follows:</p> <ol style="list-style-type: none"> <li>(1) at any time, to the Pre-'07 S-1 Senior Subaccount or the Pre-'07 S-1 Parity Subaccount, in that order of priority, to pay Pre-'07 S-1 Senior Bonds or Pre-'07 S-1 Parity Debt then due and not otherwise provided for;</li> <li>(2) in the first month of each Collection Quarter; <ol style="list-style-type: none"> <li>(a) to the School Bond Account, beginning the first day when (i) the Pre-'07 S-1 Senior Subaccount and the Pre-'07 S-1 Parity Subaccount have been funded to their First-Month Requirements and (ii) the Remaining Building Aid is not more than 110% of the Unfunded Balance (as defined below), and continuing until the earlier of (x) the end of the month and (y) the day when the Unfunded Balance is zero; and</li> <li>(b) to the order of the City, if no transfer to the School Bond Account is required, beginning the first day when both the Pre-'07 S-1 Senior Subaccount and the Pre-'07 S-1 Parity Subaccount have been funded to their First-Month Requirements and continuing until the end of the month; and</li> </ol> </li> <li>(3) in the second and third months of each Collection Quarter; <ol style="list-style-type: none"> <li>(a) to the School Bond Account, beginning the first day when (i) the Pre-'07 S-1 Senior Subaccount and the Pre-'07 S-1 Parity Subaccount have been funded to their Full Requirements and (ii) the Remaining Building Aid is not more than 110% of the Unfunded Balance, and continuing until the earlier of (x) the end of the Collection Quarter and (y) the day when the Unfunded Balance is zero;</li> <li>(b) to the order of the City, if no transfer to the School Bond Account is required, beginning when both the Pre-'07 S-1 Senior Subaccount and the Pre-'07 S-1 Parity Subaccount are funded to their Full Requirements and continuing until the end of the Collection Quarter; and</li> <li>(c) on the last Business Day of the Collection Quarter, to the Pre-'07 S-1 Senior Subaccount and then the Pre-'07 S-1 Parity Subaccount until both of them have been funded to their Full Requirements; then to the School Bond Account, if the Remaining Building Aid is not more than 110% of</li> </ol> </li> </ol>

the Unfunded Balance, until the Unfunded Balance is zero; and then to the order of the City.

“Unfunded Balance,” with respect to the State Building Aid, means Annual School Bond Debt Service remaining to be paid in a fiscal year, plus Annual School Bond Debt Service for the following fiscal year, minus the amount held in the School Bond Account, but not less than zero.

Defeasance ..... The Authority may defease Bonds under the Indenture by complying with the requirements set forth therein, including depositing Defeasance Collateral with a trustee to provide for payment of principal, interest and premium, if any, thereon. See “SECTION III: THE SERIES 2022 S-1 BONDS—Defeasance.”

Tax Matters ..... In the respective opinions of Katten Muchin Rosenman LLP, New York, New York, and Hardwick Law Firm, LLC, New York, New York, Co-Bond Counsel to the Authority, interest on the Series 2022 S-1 Bonds will be exempt from personal income taxes imposed by the State or any political subdivision thereof, including the City, and assuming continuing compliance with the provisions of the Internal Revenue Code of 1986, as amended, as described herein, interest on the Subseries S-1A Bonds will be excludable from the gross income of the owners thereof for federal income tax purposes. Interest on the Subseries S-1B Bonds will be includable in the gross income of the owners thereof for federal income tax purposes. See “SECTION VI: TAX MATTERS.”

## SECTION I: INTRODUCTION

This Official Statement of the New York City Transitional Finance Authority (the “Authority”) sets forth information concerning the Authority, The City of New York (the “City”) and the State of New York (the “State”) in connection with the sale of the Authority’s \$813,015,000 Building Aid Revenue Bonds, Fiscal 2022 Series S-1, consisting of (i) \$582,820,000 Subseries S-1A Tax-Exempt Bonds (the “Subseries S-1A Bonds”) and (ii) \$230,195,000 Subseries S-1B Taxable Bonds (the “Subseries S-1B Bonds” and, together with the Subseries S-1A Bonds, the “Series 2022 S-1 Bonds”).

The Series 2022 S-1 Bonds are being issued as multi-modal bonds in the fixed rate mode. This Official Statement does not describe terms specifically applicable to such Series 2022 S-1 Bonds bearing interest at rates other than a fixed rate.

Provided certain statutory and contractual conditions are met, other series of bonds on a parity with the Series 2022 S-1 Bonds may be issued. The Series 2022 S-1 Bonds together with other series of Building Aid Revenue Bonds issued under the Indenture (as defined below) are referred to as “Building Aid Revenue Bonds.” In addition, the Indenture permits the Authority to issue notes and to enter into other obligations on a parity with the Building Aid Revenue Bonds (collectively, the “School Obligations”). See “SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS—Additional Building Aid Revenue Bonds.”

The Authority is a corporate governmental agency constituting a public benefit corporation and an instrumentality of the State. The Authority was created by Chapter 16 of the Laws of New York, 1997 (the “Enabling Act”). The Enabling Act became effective March 5, 1997, and provided for the issuance of Bonds for general capital purposes of the City, the payment of such Bonds from the Tax Revenues (which consist of Personal Income Taxes and, to the extent required, Sales Taxes), and statutory and contractual covenants of the Authority, the City and the State. In 2006, the Enabling Act was amended pursuant to Part A-3 of Chapter 58 of the Laws of New York, 2006 (the “School Financing Act”). The School Financing Act authorizes the Authority to issue bonds, notes or other obligations in an amount outstanding of up to \$9.4 billion to finance a portion of the City’s five-year educational facilities capital plan (the “Five-Year Plan”) and authorizes the City to assign to the Authority all or any portion of the State aid payable to the City or its school district pursuant to subdivision 6 of Section 3602 of the State Education Law, or any successor provision of State law (“State Building Aid”). The City has assigned all the State Building Aid to the Authority.

The Series 2022 S-1 Bonds are being issued by the Authority pursuant to the School Financing Act and the Enabling Act, as amended (collectively, the “Act”), and the Amended and Restated Original Indenture, as restated April 12, 2019, as amended and supplemented (the “Indenture”), by and between the Authority and The Bank of New York Mellon, New York, New York, as trustee (the “Trustee”). The Series 2022 S-1 Bonds (along with all other Building Aid Revenue Bonds issued under the Indenture) are payable from the State Building Aid, subject to annual appropriation by the State, assigned by the City to the Authority and by the Authority to the Trustee. The payment of State education aid of which State Building Aid is a part is subject and subordinate to certain prior statutory claims. Payment of State revenues of which State education aid is a part is also subject and subordinate to State constitutional claims. The payment of State Building Aid is dependent in part upon the financial condition of the State. See “SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS—Financial Condition of the State.”

Recovery Obligations and Subordinate Bonds issued on a parity with Recovery Obligations (together, “Parity Debt”), Senior Bonds and other series of bonds and notes issued by the Authority secured by Tax Revenues are referred herein as “Future Tax Secured Bonds.” Pursuant to the Indenture, Future Tax Secured Bonds issued prior to the date of issuance of the Authority’s Building Aid Revenue Bonds, Fiscal Series 2007 S-1 dated November 16, 2006 (the “Series 2007 S-1 Bonds”) will be payable in the first instance from Tax Revenues (which consist of Personal Income Taxes and (to the extent required) Sales Taxes) and to the extent that Tax Revenues are insufficient, from State Building Aid. Future Tax Secured Bonds issued after the date of issuance of the Series 2007 S-1 Bonds, operating expenses allocable thereto and ancillary and swap contracts related thereto (the “Post-’07 S-1 Obligations”) are secured only by Tax Revenues and will have no claim on State Building Aid. The payment of the Building Aid Revenue Bonds is subordinate to (i) the payment of debt service on Future Tax Secured Bonds issued prior to the date of issuance of the Series 2007 S-1 Bonds and (ii) operating expenses allocable thereto (collectively, the “Pre-’07 S-1

Obligations”). The Authority has Outstanding \$112,900,000 of Future Tax Secured Bonds issued as Pre-'07 S-1 Obligations. A summary of certain provisions of the Indenture and the Agreement, including defined terms used therein and in this Official Statement, is contained in “APPENDIX A—SUMMARY OF INDENTURE AND AGREEMENT.”

Pursuant to an Assignment of State Aid (the “Assignment”), dated October 19, 2006, as amended, the City, acting through the Mayor, has assigned to the Authority all of the State Building Aid, and, pursuant to the School Financing Act, State Building Aid and the right to receive the State Building Aid are now the property of the Authority. State Building Aid constitutes a portion of State education aid and assistance annually appropriated by the State of New York (the “State”) to the City. Pursuant to a Memorandum of Understanding (the “MOU”), dated as of October 26, 2006, among the City, the Authority, the New York State Education Department (the “SED”) and the New York State Comptroller (the “State Comptroller”), the Authority will calculate and certify to the SED the amount of each payment of State education aid and assistance that is attributable to State Building Aid. In addition, the State Comptroller has agreed under the MOU, if permitted under applicable law, to pay competing claims from State education aid and assistance other than State Building Aid.

The factors affecting the Authority and the Building Aid Revenue Bonds described throughout this Official Statement are complex and are not intended to be described in this Introduction. This Official Statement should be read in its entirety. Capitalized terms not otherwise defined in this Official Statement are defined in “APPENDIX A—SUMMARY OF INDENTURE AND AGREEMENT.”

## **SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS**

### **General**

The Series 2022 S-1 Bonds are to be issued by the Authority as Building Aid Revenue Bonds. Interest on and principal of the Building Aid Revenue Bonds are payable from the State Building Aid assigned to the Authority, subordinate to the payment of the Pre-'07 S-1 Obligations. The Authority has not pledged any source of payment for the Building Aid Revenue Bonds other than State Building Aid. See “—Financial Condition of the State.”

The Authority derives Revenues from federal subsidies with respect to Build America Bonds and Qualified School Construction Bonds under the American Recovery and Reinvestment Act of 2009 (the “Recovery Act”), but such Revenues are not pledged to the Holders of the Series 2022 S-1 Bonds. For a description of the application of such federal subsidies under the Indenture, see “APPENDIX A—SUMMARY OF INDENTURE AND AGREEMENT.”

**Payment of State Building Aid is subject to annual appropriation by the State. If there is not sufficient money appropriated to enable the Building Aid Revenue Bonds to be paid on a timely basis, the State will not be liable to the Authority, the City or the Bondholders for any deficiency. The State has no contractual relationship with the Authority and has no obligation, contractual or otherwise, to seek an appropriation of State Building Aid. The Building Aid Revenue Bonds do not constitute “State Supported Debt” (commonly known as “State Appropriation Debt”) within the meaning of the State Finance Law and, therefore, the State will not be entering into any financing agreement or service contract in connection with the Building Aid Revenue Bonds.**

*Bonds of the Authority are not guaranteed by the City or the State. The Authority’s bonds are not debt of the State or the City and neither the State nor the City shall be liable thereon.*

Pursuant to Section 99-b of the State Finance Law, in the event a holder or owner of any Building Aid Revenue Bond or other bond or note issued by the Authority or the City for school purposes, shall file with the State Comptroller a verified statement describing such bond or note and alleging default in its payment, the State Comptroller shall immediately investigate the default and prepare and file in his office a certificate setting forth his determinations with respect thereto. Upon the filing of such a certificate, the State Comptroller shall thereafter deduct and withhold from the next succeeding allotment, apportionment or payment of State education aid or assistance due

to the City or its school district such amount thereof as may be required to make the payment of the principal of and interest on the bonds or notes then in default. State education aid or assistance so withheld shall be transferred by the State Comptroller to the Authority's or the City's paying agent. See "—99-b State Aid Intercept."

The Authority is not authorized by State law to file a petition in bankruptcy pursuant to Title 11 (the "Bankruptcy Code") of the United States Code. Based on State and federal constitutional, statutory and case law and the terms of the Indenture, the Assignment and the Agreement, Co-Bond Counsel are of the opinion that if the debts of the City were adjusted under the Bankruptcy Code and the City or its creditors were to assert a right to the State Building Aid equal or prior to the rights of the Bondholders, such assertion would not succeed.

### **Impact of COVID-19**

The outbreak of the coronavirus disease (COVID-19), referred to herein as "COVID-19," has been declared a pandemic by the World Health Organization. The City and the State have been severely impacted by the COVID-19 pandemic. The Governor declared a state of emergency in the State on March 7, 2020 and the Mayor declared a state of emergency in the City on March 12, 2020. While the Governor ended the state of emergency in the State on June 24, 2021, the state of emergency in the City remains in effect. As of June 29, 2021, the City reported a cumulative total of 955,271 COVID-19 cases and 33,415 deaths, including those that were both confirmed and probably related to COVID-19. The pandemic has also had a severe impact on the City's economy. As a result of such impact, the City suspended work on most capital projects under the Five-Year Plans in March 2020. The State delayed approximately \$129 million of General Education Aid Payments to the City, which the City had expected to receive prior to September 2020.

In the spring and early summer of 2021, COVID-19 cases and deaths in the City decreased significantly as vaccinations increased. Business activity in the City also increased during such period. The City has resumed work on capital projects under the Five-Year Plans and the delayed General Education Aid Payments have been received by the City. However, there can be no assurance that COVID-19 cases and deaths will not increase in the future or that any such increases would not impact the City economy, capital projects under the Five-Year Plans or the payment of Building Aid or General Education Aid Payments.

For additional information about the impact of the COVID-19 pandemic on the State, see "—Financial Condition of the State."

### **Assignment of State Building Aid**

Pursuant to the School Financing Act, the State has authorized the City to assign to the Authority all or any portion of the State Building Aid. The City, acting through the Mayor, pursuant to the Assignment has assigned to the Authority all of the State Building Aid and, pursuant to the School Financing Act, State Building Aid and the right to receive State Building Aid are now the property of the Authority.

Under the provisions of the Assignment, the City has covenanted to preserve, protect and confirm the interest of the Authority and the Trustee (for the benefit of Bondholders) in the State Building Aid. Furthermore, under the Assignment, the City has covenanted to comply and cause the SCA (herein defined) to comply with the State Education Law (the "Education Law") in all respects material to State Building Aid, or in the event of a claim by Bondholders pursuant to Section 99-b of the State Finance Law, to State education aid or assistance. See "—State Building Aid" and "—99-b State Aid Intercept." The City has also agreed under the Assignment to file or cause to be filed timely and appropriate claims of State Building Aid in respect of all material aidable outlays and diligently prosecute such claims on behalf of the Authority. Furthermore, under the Assignment, the City has agreed to cooperate with the Authority and the Trustee in contesting any competing claim to any portion of the State Building Aid, or the Bondholders (if proceeding under Section 99-b of the State Finance Law) against any competing claim based (i) under the Education Law, (ii) on disallowance regarding prior aid funds distributed to the City or (iii) the City's failure to make any payments or comply with other constitutional or statutory mandate. The City has also agreed to promptly pay over to the Trustee any State Building Aid received by the City, including any material amount of State Building Aid diverted from the Authority on account of certain competing claims. See "—Competing Claims to State Aid."

## Memorandum of Understanding

The State annually appropriates money to pay for educational needs of the City's students ("Education Aid") pursuant to Section 3602 of the Education Law. A portion of such Education Aid constitutes State Building Aid apportioned pursuant to subdivision 6 of Section 3602 of the Education Law which is paid, together with certain other Education Aid, pursuant to Section 3609-a of the Education Law (the "General Education Aid Payments"). The City, the Authority, the SED and the State Comptroller have entered into the MOU to determine the amount included in each General Education Aid Payment that is attributable to State Building Aid (the "Building Aid Payment").

Under the MOU, the SED shall provide to the Authority, on each date that the SED provides vouchers to the State Comptroller for a General Education Aid Payment to the City (the date of such payment being a "Payment Date"), a schedule (the "Schedule") setting forth the apportionment of Education Aid calculated by the SED pursuant to the opening paragraph of Section 3609-a of the Education Law ("Money Apportioned"), the total apportionment of State Building Aid for the then-current school year and the amount of the General Education Aid Payment payable to the City or the Authority on the Payment Date. Upon receipt of the Schedule, the Authority shall deliver to the SED, the State Comptroller and the Director of the Division of the Budget of the State, a certification (the "TFA Certification") specifying the amount of the Building Aid Payment attributable to the then-current school year to be paid to the Authority on the Payment Date.

For each General Education Aid Payment payable to the City prior to June 1 of the then-current school year, the Authority shall determine the amount of the Building Aid Payment due on any Payment Date by deducting the amount of the Building Aid Payments attributable to the then-current school year paid to the Authority during such school year prior to such Payment Date from an amount calculated by multiplying (x) the percentage that total annual State Building Aid bears to the Money Apportioned for such school year by (y) the total of the General Education Aid Payments payable to the City or the Authority for the then-current school year paid and payable to the Authority and the City during such school year up to and including such Payment Date. The calculations described in the previous sentence will be based on the information provided by the SED in the Schedule. For the General Education Aid Payment payable to the City in June of the then-current school year, the Authority shall determine the amount of the Building Aid Payment attributable to the then-current school year due on such Payment Date by deducting the amount of the Building Aid Payments attributable to the then-current school year paid to the Authority during such school year prior to such Payment Date from the State Building Aid for such school year.

After the Authority delivers the TFA Certification to the SED, the SED shall deliver to the State Comptroller the Certification together with a written certificate (the "SED Certification") (i) that the sum of the Building Aid Payments attributable to the then-current school year paid or to be paid to the Authority through the Payment Date as set forth in the TFA Certification, does not exceed the total amount of State Building Aid apportioned on account of City educational facilities for the then-current school year and (ii) that the Building Aid Payment has been calculated in a manner consistent with the above paragraph. If the SED is unable to make the SED Certification, it will deliver an alternative written certification (the "SED Alternate Certification") to the State Comptroller specifying the amount of such State Building Aid payable for the then-current school year by deducting the amount of the Building Aid Payments attributable to the then-current school year paid to the Authority prior to such Payment Date from the State Building Aid for such school year (the "Remaining Building Aid Payment").

Upon receipt at least one business day prior to the Payment Date of (i) the TFA Certification and the Adjustment Certification (if any) described below and (ii) the SED Certification or SED Alternate Certification, and if funds are available and payment is authorized by law, such Building Aid Payment or Remaining Building Aid Payment, as the case may be, adjusted in accordance with the Adjustment Certificate, if any, shall be paid by the State Comptroller to the Authority's trustee, and the State Comptroller shall provide notice of such payment to the SED. If the TFA Certification and either the SED Certification or the SED Alternate Certification are not received prior to the Payment Date, then the entire amount of the General Education Aid Payment (less any adjustments unrelated to the MOU) shall be paid to the City.

If at the end of any school year, Building Aid Payments calculated to be payable to the Authority remain unpaid, such Building Aid Payments shall be paid from the next General Education Aid Payment.

After final review by the SED of the City's apportionment for State Building Aid for any school year, the SED shall notify the City and the Authority of the amount of such State Building Aid for such School Year.

If unpaid Building Aid Payments for a school year are payable in the next school year or if the amount specified by the SED pursuant to the preceding paragraph is not equal to the amount of total annual State Building Aid verified to the Authority in June of such school year, the Authority shall deliver a certification to the SED (the "Adjustment Certification") stating the amount of increase or decrease in the next Building Aid Payment calculated for the then-current school year necessary to reflect such change, and shall identify the school year to which each such increase or decrease is attributable. The SED shall deliver to the State Comptroller, at least one business day prior to the next Payment Date, the Adjustment Certification together with a SED Certification that the increase or decrease in the Building Aid Payment set forth in the Adjustment Certification has been calculated in a manner that is consistent with the MOU.

The MOU provides that if permitted by applicable law the State Comptroller shall satisfy any Competing Claims to Education Aid from Education Aid other than State Building Aid ("Other School Aid") first and, thereafter, from State Building Aid if the expected sources of funds for the payment of the competing claims from Other School Aid are unavailable or insufficient. "Competing Claims" include all claims to, and diversions, reductions and withholdings of, Education Aid adverse to the Authority, such as: (x) claims of (i) holders of general obligation bonds of the City issued for school purposes; (ii) holders of the State of New York Municipal Bond Bank Agency Special School Purpose Revenue Bonds; and (iii) holders of the New York City Educational Construction Fund Revenue Bonds; and (y) State withholdings or recoveries of Education Aid for the City's failure to provide certain educational services (e.g., courses in special areas, a certain number of instructional days, certain health services, services for handicapped students, administrative practices or willful disobedience of certain laws or directives) or to otherwise correct errors or omissions in the apportionments of Education Aid pursuant to subdivision 5 of section 3604 of the Education Law, as statutorily mandated. See "—Competing Claims to State Aid."

Although the MOU sets forth the understanding of the City, the Authority, the SED and the State Comptroller as to the payment of State Building Aid, the MOU will not be assigned to the Trustee or pledged as security for the Building Aid Revenue Bonds. While no assurance can be given that the MOU will be legally enforceable, the School Financing Act authorizes the assignment of State Building Aid by the City to the Authority and requires the payment of State Building Aid to the Authority following such assignment.

## **State Building Aid**

### *General*

Pursuant to Article XI of the New York State Constitution, the State is obligated to provide for maintenance and support of a system of free common schools, wherein all the children of the State may be educated.

State Building Aid is provided, in accordance with subdivision 6 of Section 3602 of the Education Law, as a means for assisting local school districts with the cost of constructing and improving suitable and adequate elementary and/or secondary education facilities. To this end, new facilities, additions and major alterations eligible for State Building Aid must meet specific standards pertaining to functionality, building code requirements, and health and safety regulations.

The following table shows historic State Building Aid received as a result of City education projects for fiscal years 2012 through 2021:

**HISTORIC STATE BUILDING AID**

<b>Fiscal Year</b>	<b>State Building Aid (millions)</b>
2012	\$ 906.7
2013	965.7
2014	1,002.7
2015	1,039.4
2016	1,094.1
2017	1,140.2
2018	1,211.2
2019	1,267.0
2020	1,318.6
2021	1,293.4 <sup>(1)</sup>

<sup>(1)</sup> Projected.

*Eligibility for State Building Aid*

Projects eligible for State Building Aid must be included in a Five-Year Plan. Eligible projects include, among others, new construction, building additions, major modernizations, rehabilitations, and system replacements. Such projects must relate to educational instructional facilities or facilities otherwise related to educational instruction. Project costs eligible for State Building Aid funding may include direct construction and equipment acquisition costs as well as incidental project costs, including site purchase, preparation and development costs and professional service fees and insurance. Such costs may relate to facilities either owned or leased by the City. In addition, lease payments relating to such facilities are also eligible for State Building Aid.

*SED Approval and Calculation of State Building Aid*

The City, acting through the SCA, submits projects from a Five-Year Plan to the SED for review and approval on a project-by-project basis. The SED reviews each project and calculates the maximum amount of projected project costs that are eligible for State Building Aid (the “Maximum Cost Allowance” or “MCA”). Calculation of the MCA begins with a determination of a preliminary cost allowance, which is the product of the number of students the project will accommodate and State per pupil cost amounts by student type. To account for variations in construction labor costs throughout the State, the SED then applies a regional cost factor to each project. For certain projects in the City started after July 1, 2004, the MCA then receives an additional upward adjustment called the “Urban Cost Factor,” which is designed to reflect the higher costs of construction in a dense urban environment, as well as an extraordinary site acquisition cost adjustment. Once the MCA is calculated, the SED determines the aidable cost (“Aidable Cost”) of a project as the lesser of the MCA and the approved projected project cost. Upon project completion, the actual project costs are submitted to SED and Confirmed Building Aid payable in connection with such project is adjusted to reflect actual project costs.

*Aidable Debt Service*

The SED approval process establishes, for approved projects, a schedule of “Aidable Debt Service” based on an assumed amortization schedule. For projects that are funded from bond financing or “pay-as-you-go” capital, the Aidable Debt Service schedule represents an amortization of the Aidable Costs of such projects over a 30-year period with level annual debt service payments based upon an assumed interest rate. For leased facilities, the Aidable Debt Service schedule represents the actual lease payments for the actual term of the lease. No later than September 1st of each year, the City Comptroller provides to the SED the average interest rate on all capital debt incurred by the City and the Authority and expended for school purposes during the prior fiscal year, including debt incurred to refund debt that was previously incurred for school purposes. Upon approval of the Commissioner of SED, this rate serves as the assumed interest rate used by the SED to recalculate the Aidable Debt Service for projects approved in the prior

fiscal year, as well as the preliminary assumed interest rate used to calculate Aidable Debt Service for projects approved in the then-current fiscal year.

The SED determines the amount of State Building Aid apportioned and payable to the City every year for approved projects by multiplying the applicable building aid ratio (the “Selected Building Aid Ratio”) for such year, as described below, by such projects’ Aidable Debt Service for such year. The Selected Building Aid Ratios vary depending on when particular groups of projects were approved by the Chancellor of Education of the City (the “Chancellor”). Various factors are taken into account by the SED in determining the Selected Building Aid Ratios, including the Calculated Building Aid Ratio and the Incentive Aid Ratio as described below.

*Building Aid Ratios*

Calculated Building Aid Ratio. Pursuant to subdivision 6 of Section 3602 of the State Education Law, the SED calculates a new building aid ratio for every year for each school district in the State (the “Calculated Building Aid Ratio”). The Calculated Building Aid Ratio determined every year is derived from a statutory formula based largely upon school district wealth factors that are determined based on a school district’s property value per pupil in relation to the Statewide property value per pupil. Wealth equalizing features of the formula cause a school district’s Calculated Building Aid Ratio to increase as its property value per pupil decreases relative to school districts in the State overall. The following table shows the City’s Calculated Building Aid Ratio.

**CALCULATED BUILDING AID RATIO**

<b>Fiscal Year</b>	<b>Calculated Building Aid Ratio</b>
2011	48.7%
2012	49.0
2013	49.6
2014	48.2
2015	47.5
2016	46.0
2017	45.4
2018	44.7
2019	43.6
2020	41.2
2021	39.9
2022	38.8 <sup>(1)</sup>

<sup>(1)</sup> Projected.

Projects may also qualify each year for additional apportionment of State Building Aid in the form of Incentive Aid and/or through the application of a High Need Building Aid Ratio depending upon when such projects were first approved by the Chancellor.

Incentive Aid Ratio. All projects approved by the Chancellor on or after July 1, 1998 are eligible for an additional apportionment of State Building Aid (“Incentive Aid”). Incentive Aid equals the product of Aidable Debt Service and an incentive decimal computed for use in the year in which a project was approved. The incentive decimal (the “Incentive Aid Ratio”) for the City is currently 10%.

High Need Building Aid Ratio. Projects approved by the Chancellor on or after July 1, 2005 qualify for additional apportionment of State Building Aid through the application of a high-need supplemental building aid ratio (the “High Need Building Aid Ratio”). The High Need Building Aid Ratio is equal to the lesser of (i) the product (computed to three decimals without rounding) of the Selected Building Aid Ratio (as described below) multiplied by five percent, or (ii) the positive remainder of ninety-eight one hundredths less the Selected Building Aid Ratio. For the City, the High Need Building Aid Ratio is equal to the product of the Selected Building Aid Ratio multiplied by five percent.

Selected Building Aid Ratio. Although the Calculated Building Aid Ratio is determined by the SED every year, the specific Selected Building Aid Ratio utilized to compute State Building Aid payable to the City in each year for projects is the higher of the Calculated Building Aid Ratio for such year (plus the Incentive Aid Ratio, if applicable) or a prior year building aid ratio applicable to the City (plus the Incentive Aid Ratio, if applicable). The particular prior year building aid ratio applicable to projects is dependent upon the year in which such projects were first approved by the Chancellor.

For projects approved by the Chancellor prior to fiscal year 1999, the Selected Building Aid Ratio applied every year is currently the higher of the City's Calculated Building Aid Ratio and the City's highest Calculated Building Aid Ratio since fiscal year 1982, which is 54.7%. The Selected Building Aid Ratio for such projects for fiscal year 2021 is 54.7%. The projected Selected Building Aid Ratio for such projects for fiscal year 2022 is 54.7%.

Projects approved by the Chancellor on or after July 1, 1998 qualify for an additional State Building Aid apportionment in the form of Incentive Aid, which is currently calculated each year by multiplying the Incentive Aid Ratio by Aidable Debt Service for such projects for such year. The Selected Building Aid Ratio currently applied every year for projects approved by the Chancellor in fiscal years 1999 and 2000 is the higher of (i) the City's Calculated Building Aid Ratio for such year plus the Incentive Aid Ratio and (ii) the City's highest Calculated Building Aid Ratio since fiscal year 1982 plus the Incentive Aid Ratio, which is 64.7%. The Selected Building Aid Ratio for such projects for fiscal year 2021 is 64.7%. The projected Selected Building Aid Ratio for such projects for fiscal year 2022 is 64.7%.

For projects approved by the Chancellor on or after July 1, 2000, the building aid ratio currently applied in each year to such projects is the higher of (i) the City's Calculated Building Aid Ratio for the year plus the Incentive Aid Ratio and (ii) the building aid ratio applied for the City's apportionment in fiscal year 2000, not including the additive Incentive Aid Ratio, which is 54.7%. The Selected Building Aid Ratio for such projects for fiscal year 2021 is 54.7%. The projected Selected Building Aid Ratio for such projects for fiscal year 2022 is 54.7%.

For projects approved by the Chancellor on or after July 1, 2005, the High Needs Building Aid Ratio will be applied to the Selected Building Aid Ratio. The Selected Building Aid Ratio for such projects for fiscal year 2021 is 56.9%. The projected Selected Building Aid Ratio for such projects for fiscal year 2022 is 56.9%.

#### *Interest Rate Recalibration*

The Education Law provides that the assumed interest rates used by the SED to calculate Aidable Debt Service must be adjusted at the end of each ten year segment of each assumed amortization to reflect the then-current interest rate (each an "Interest Rate Recalibration"). The first such recalibration was scheduled to be made with respect to the 2017-2018 school year and would include all assumed amortizations for which a ten year segment ended prior to that school year. However, such recalibration has not yet been implemented and no such recalibrations with respect to subsequent school years have been implemented. A recalibration is to be made only if such then-current interest rate is at least one-quarter of one percent lower than the rate originally used to calculate Aidable Debt Service. In addition, a recalibration may not be made if the bonds used to calculate Aidable Debt Service are precluded by state or federal law, rule or regulation from being refinanced. Based on methodology previously approved by SED, and as a result of the frequent and extensive refinancings undertaken by the City and the Authority which preclude subsequent refinancings, the Authority believes that the vast majority of such bonds is precluded from such refinancing. Consequently, the Authority currently believes that the impact of such a recalibration on Aidable Debt Service and Confirmed Building Aid payable to the Authority will be minimal.

#### *Confirmed Building Aid*

State Building Aid for projects not subject to any further statutory or administrative conditions or approvals (other than annual State appropriation), but subject to recalculation in accordance with the Selected Building Aid Ratio for projects approved after July 1, 2000 and the Interest Rate Recalibration described above, constitutes "Confirmed Building Aid."

The following table shows the Authority’s current projection of Confirmed Building Aid. The amount of Confirmed Building Aid will vary from the amounts shown below in the future depending on, among other factors, the Selected Building Aid Ratio for projects approved after July 1, 2000 and any Interest Rate Recalibration. In addition, the amount of Confirmed Building Aid will vary when actual project costs differ from costs projected at the time a project is approved for reimbursement. See “Incremental Building Aid” below for a description of State Building Aid to be paid for projects that are approved by the SED in the future.

(1) Assumes the Selected Building Aid Ratio is 54.7% for projects approved between July 1, 2000 and June 30, 2005, and 56.9% for projects approved on or after July 1, 2005. Does not reflect potential changes in Confirmed Building Aid relating to the Selected Building Aid Ratio for projects approved after July 1, 2000. See “—Building Aid Ratios— Selected Building Aid Ratio.”

*Incremental Building Aid*

State Building Aid to be received for projects that are approved by the SED in the future constitutes “Incremental Building Aid.” Additional Building Aid Revenue Bonds will be payable as described herein from State Building Aid assigned to the Authority by the City under the Assignment. It is anticipated that the City will continue adopting Five-Year Plans and making expenditures thereunder that are eligible for State Building Aid in the future. It is also anticipated that the City, through SCA, will continue to make application to the SED for Incremental Building Aid, and that Incremental Building Aid will be approved by the SED as future projects under the current and future

Five-Year Plans are undertaken. No assurance can be given, however, that changes to State law will not be made that would reduce the amount of State Building Aid payable with respect to projects approved in the future.

The Authority expects that it will receive Incremental Building Aid in an amount at least equal to \$109.0 million in fiscal year 2022, \$174.7 million in fiscal year 2023, \$226.8 million in fiscal year 2024, and \$249.2 million in fiscal years 2025 through 2051. These amounts are calculated assuming that no changes are made to State law governing the calculation of State Building Aid for projects approved in the future and that no new education projects eligible for State Building Aid are authorized in the City after the end of the Current Five-Year Plan covering fiscal years 2020 through 2024 (the “Current Five-Year Plan”). In addition, these amounts are calculated using an assumed interest rate applicable to the Incremental Building Aid of 2.75%.

#### *Payment of State Building Aid*

Pursuant to the Assignment, the City has assigned to the Authority Confirmed Building Aid and the right to receive Incremental Building Aid, and both Confirmed Building Aid and the right to receive Incremental Building Aid are now property of the Authority. The Authority receives, subject to annual State appropriation, State Building Aid regardless of the financing mechanism utilized to fund an eligible educational facility project. The City’s financing of educational facilities eligible for State Building Aid is not restricted solely to the issuance of Building Aid Revenue Bonds.

State Building Aid for all projects is aggregated by the State and paid to the City in accordance with Section 3609-a of the Education Law. The State does not distinguish payments of State Building Aid from General Education Aid Payments payable to the City. Pursuant to Section 3609-a of the Education Law, 25% of the lesser of (i) the General Education Aid Payments estimated by the SED to be payable to the City at the time of adoption of the State budget or (ii) the General Education Aid Payments estimated by the SED to be payable to the City at the time of payment are required to be paid by the State to the City no later than December 15 of each fiscal year, and the remaining amount of General Education Aid Payments must be paid to the City no later than the last business day of June of such fiscal year. The General Education Aid Payments are conditioned upon the filing by the City of certain reports required under the Education Law. The City has covenanted in the Assignment to comply with the requirements of the Education Law in all respects material to the State Building Aid, which include the requirement to file such reports.

The amount of State Building Aid payable in each year to the Authority will vary depending on, among other factors, the Selected Building Aid Ratio. In addition, the amount of future Confirmed Building Aid may vary as a result of an Interest Rate Recalibration. Furthermore, although the State has covenanted to continue to calculate State Building Aid in accordance with the formula used on the date an applicable project is approved for reimbursement, no assurance can be given that the Calculated Building Aid Ratio will remain stable in accordance with historic levels or that the Incentive Aid Ratio or the High Need Building Aid Ratio will continue. In addition, payment of State Building Aid is dependent in part upon the financial condition of the State. See “—Financial Condition of the State.”

<sup>(1)</sup> As of April 27, 2021. Assumes the Selected Building Aid Ratio is 54.7% for projects approved between July 1, 2000 and June 30, 2005, and 56.9% for projects approved on or after July 1, 2005. Does not reflect potential changes in Confirmed Building Aid relating to the Selected Building Aid Ratio for projects approved after July 1, 2000. See “—*Building Aid Ratios*— Selected Building Aid Ratio.”

<sup>(2)</sup> Reflects debt service on Outstanding Building Aid Revenue Bonds, excluding debt service on the Refunded Bonds, but including debt service on the Series 2022 S-1 Bonds. Debt service is shown in the year State Building Aid is retained by the Authority, rather than in the year paid.

**Additional Building Aid Revenue Bonds**

The School Financing Act authorizes the issuance of Bonds, Notes or other obligations in an amount outstanding of up to \$9.4 billion to finance a portion of one or more of the Five-Year Plans. There are currently Outstanding \$8,297,025,000 of Building Aid Revenue Bonds (not including the Series 2022 S-1 Bonds or the redemption of the Refunded Bonds (as defined below)). The Authority expects that it will issue other Building Aid Revenue Bonds in the future. However, the City’s Financial Plan for Fiscal Years 2021-2025, dated June 30, 2021, does not contemplate issuance of Building Aid Revenue Bonds for capital purposes. The Authority may from time to time request the authentication and delivery of an additional Series of Building Aid Revenue Bonds by providing to the Trustee, among other documents, an Officer’s Certificate setting forth:

(i) Annual School Bond Debt Service, including debt service on such Series of Building Aid Revenue Bonds in each Series Fiscal Year; and

(ii) the Confirmed Building Aid payable in the fiscal year preceding each Series Fiscal Year, which shall at least be equal to the amount set forth in clause (i) for each Series Fiscal Year.

For purposes of the above certificate, each interest rate on Outstanding and on any proposed variable rate Building Aid Revenue Bonds (if not economically fixed by a Qualified Swap, a liquidity account, or otherwise with Rating Confirmation) shall be assumed at the maximum rate payable to investors other than parties to an ancillary contract. There are no variable rate Building Aid Revenue Bonds Outstanding.

Implementation of the Five-Year Plans are dependent on the City's and the Authority's ability to successfully market their bonds and notes. The success of projected sales of City and Authority bonds and notes will be subject to prevailing market conditions.

### **Five-Year Plan**

The Five-Year Plans are a mechanism by which the City plans, funds and manages all capital investments in its public school facilities. The rules governing the preparation and maintenance of each Five-Year Plan are established pursuant to the Education Law. The Current Five-Year Plan, covering fiscal years 2020 through 2024, totals approximately \$19.3 billion.

The school system of the State is divided into school districts. The school district of the City is known as the Department of Education, which is a corporate body separate from the City (the "DOE"). Each Five-Year Plan, which is amended from time to time, is prepared by the Chancellor and contains the following categories of work: new construction; building additions; major modernization and rehabilitation; athletic fields, playgrounds and pools; system replacements; security and educational enhancements; and emergency, unspecified and miscellaneous. A Five-Year Plan must describe each of these categories and estimate the cost of each category, the capital funding required each year and the expected sources of such funding. A Five-Year Plan must also set forth an estimate of the cost of each project identified in such Five-Year Plan and state the year in which each such project is to be initiated.

Each Five-Year Plan is managed and administered by the SCA pursuant to the New York State Public Authorities Law. The SCA has the duty to: design, construct, reconstruct, improve, rehabilitate, maintain, furnish, repair, equip and otherwise provide for educational facilities as defined under State Education Law and acquire property through purchase or condemnation therefor. The three-member SCA Board consists of the Chancellor and two other members appointed by the Mayor.

All State Building Aid is payable by the State, subject to annual appropriation, regardless of how approved project costs are financed. Capital expenditures under the Five-Year Plans may be financed using different obligations, such as (i) general obligation bonds or notes issued by the City, (ii) Future Tax Secured Bonds or notes issued by the Authority for general City capital purposes or (iii) Building Aid Revenue Bonds issued by the Authority. Pursuant to the Assignment, all State Building Aid payable in respect of all approved education projects is payable to the Authority regardless of whether such projects are financed through general obligation bonds of the City, Future Tax Secured Bonds, Building Aid Revenue Bonds or any other method.

### **99-b State Aid Intercept**

Section 99-b of the State Finance Law provides that in the event a holder or owner of any Building Aid Revenue Bond, or other bond or note issued by the Authority or the City for school purposes, shall file with the State Comptroller a verified statement describing such bond or note and alleging default in the payment thereof or the interest thereon or both, it shall be the duty of the State Comptroller to immediately investigate the circumstances of the alleged default and prepare and file in his office a certificate setting forth his determinations with respect thereto and serve a copy thereof by registered mail upon the Comptroller of the City, the Chancellor and the chief fiscal officer of the Authority. Such investigation by the State Comptroller shall cover the current status with respect to the payment of principal of and interest on all outstanding bonds or notes issued for school purposes, and the statement prepared

and filed by the State Comptroller pursuant to the foregoing shall set forth a description of all bonds or notes issued for school purposes, found to be in default and the amount of principal and interest thereon past due. Upon the filing of such a certificate in the office of the State Comptroller, the State Comptroller shall thereafter deduct and withhold from the next succeeding allotment, apportionment or payment of Education Aid due to the City or its school district such amount thereof as may be required to pay the principal of and interest on the bonds or notes issued for school purposes, then in default. Education Aid so withheld shall be transferred by the State Comptroller to the respective paying agents.

In the event such Education Aid so withheld shall be insufficient to pay all of the principal of and interest on the bonds or notes issued for school purposes that are in default, the State Comptroller shall similarly deduct and withhold from each succeeding allotment, apportionment or payment of such Education Aid due the City or its school district, such amount or amounts thereof as may be required to pay all of the principal of and interest on the bonds or notes issued for school purposes, then in default and to cure such default. Allotments, apportionments and payments of such Education Aid so deducted or withheld by the State Comptroller shall be forwarded promptly to each applicable paying agent for the sole purpose of the payment of defaulted principal of and interest on such bonds or notes; provided, however, that in the event any such allotment, apportionment or payment of such Education Aid so deducted or withheld shall be less than the total amount of all principal and interest on the bonds or notes in default with respect to which the same was so deducted or withheld, then the State Comptroller shall forward to the paying agent an amount in the proportion that the amount of such bonds or notes in default bears to the total amount of principal of and interest then in default on such bonds or notes.

Total projected Education Aid to the City is approximately \$11.0 billion in fiscal year 2021. Education Aid so applied pursuant to Section 99-b of the State Finance Law secures only the bonds or notes issued for school purposes and does not secure other obligations of the Authority or the City. The payment of Education Aid to the City is subject to annual appropriation by the State. In addition, no assurance can be given that, in the event of the State's failure to appropriate Education Aid in amounts sufficient to pay State Building Aid, that Education Aid would be sufficient to cure a deficiency pursuant to Section 99-b of State Finance Law.

The State covenants with the Holders of the Building Aid Revenue Bonds (among others) that it will not repeal, revoke or rescind the provisions of Section 99-b or amend or modify the same so as to limit, impair or impede the rights and remedies granted thereby; but nothing in Section 99-b shall be deemed or construed as requiring the State to continue the payment of Education Aid to the City or as limiting or prohibiting the State from repealing or amending any law relating to Education Aid, the manner and time of payment or apportionment thereof, or the amount thereof.

(Remainder of Page Intentionally Left Blank)

<sup>(1)</sup> Projected.

The nature and extent of the impact of future State budgets on Education Aid to the City is uncertain and no assurance can be given that State actions included in future State budgets may not have an adverse impact on Education Aid paid to the City.

Increases in Education Aid are contingent upon the submission and approval of State reporting requirements related to funding allocations for individual schools. Education Aid paid to the City is subject to deductions of amounts required to reimburse the State for certain expenditures made by the State for the education of blind, deaf and handicapped children residing in the City and withholdings, disallowances or recoveries of Education Aid as a result of administrative reviews, audits or other procedures relating to such Education Aid, other than administrative reviews, audits or other procedures relating to Building Aid.

**Agreements of the State and the City**

The Act and the Indenture contain the covenant of the State with the Bondholders that the State shall not limit or alter the rights vested in the Authority by the Act to fulfill the terms of the Indenture or in any way impair the rights and remedies of such holders or the security for the Bonds until such Bonds, and all costs and expenses in connection with any action or proceeding by or on behalf of such holders of the Bonds, are fully paid and discharged. This covenant does not restrict the right of the State to amend, modify, repeal or otherwise alter statutes relating to State Building Aid subject to the Assignment. However, the State, under the School Financing Act and under the Indenture, covenants that State Building Aid shall in all events (i) continue to be so payable, as assigned to the Authority, so long as the State Building Aid is paid, and (ii) continue to be calculated in accordance with the same formula used for such calculation, and otherwise on the same basis as such aid is calculated, on the date that an applicable project is approved for reimbursement from State Building Aid.

In accordance with the Act, the City will pledge and agree with the holders of the Series 2022 S-1 Bonds that the City will not limit or alter the rights vested by the Act in the Authority to fulfill the terms of any agreements made with such holders pursuant to the Act, or in any way impair the rights and remedies of such holders or the security for the Bonds until the Bonds are fully paid and discharged.

The Bonds are not a debt of either the State or the City, and neither the State nor the City is liable thereon. The State has no contractual relationship with the Authority and has no obligation, contractual or otherwise, to seek an appropriation of State Building Aid. The Building Aid Revenue Bonds do not constitute “State supported debt” within the meaning of the State Finance Law. The State will not be entering into a continuing disclosure agreement with respect to the Building Aid Revenue Bonds.

The covenants of the City and the State described above shall be of no force and effect with respect to any Building Aid Revenue Bond if there is on deposit in trust with a bank or trust company sufficient cash or Defeasance Collateral to pay when due all principal of, applicable redemption premium, if any, for and interest on, such Building Aid Revenue Bond and if all other conditions for the legal defeasance of such Building Aid Revenue Bonds have been satisfied in accordance with the Indenture.

### **Competing Claims to State Aid**

*Prior Claims Under the Act.* The Authority's receipt of Education Aid, of which State Building Aid is a part, is subject and subordinate to the competing claims described below.

#### *Direct Claims*

MBBA Bonds. Bonds have been issued by the New York Municipal Bond Bank Agency ("MBBA") pursuant to the State of New York Municipal Bond Bank Agency Act, Title 18 of Article VIII of the Public Authorities Law of the State of New York, as amended (the "MBBA Act"), to fund the cost of making a payment to the City in satisfaction of prior year claims owed to the City under Section 3604 of the Education Law. Pursuant to the MBBA Act, the Chairman of the MBBA is required to deliver annually a certificate to the State Comptroller and the Director of the Budget of the State, certifying the amount of public funds apportioned or otherwise made payable by the State to the City as provided in Article 73 of the Education Law necessary for payment of (i) interest, principal and redemption premium, if any, maturing or otherwise becoming due during the subsequent State fiscal year on the MBBA Bonds; (ii) the amounts required to be deposited to the Debt Service Reserve Fund with respect to the MBBA Bonds; and (iii) any and all amounts required for the purpose of satisfying any rebate obligation to the Federal government. Upon receipt of such certification, the State Comptroller is required to transfer to the MBBA such Education Aid to the extent so stated in such certificate. The payments of Education Aid to the MBBA are not dependent upon annual appropriation by the City. Principal of the MBBA Bonds is amortized through the period ending December 1, 2022. The maximum annual debt service on the MBBA Bonds is approximately \$40.4 million.

#### *Contingent Claims*

City General Obligation Bonds and Authority Future Tax Secured Bonds. The State Finance Law Section 99-b provides protection against any default on debt issued for school purposes by the Authority or any city or school district up to the limits of that entity's education aid. If a city, a school district or the Authority defaults in the payment of the principal of its bonds and notes issued for school purposes, the State is to withhold from the next payment of education aid made to the city or school district, an amount required to cure such default in the payment of such bonds. The City issues General Obligation Bonds and the Authority issues Future Tax Secured Bonds for school purposes as part of bond issues that also finance many other purposes of the City. If the City or the Authority should default on any such bond issue that includes financing for school purposes, there would be withheld from the Education Aid payable to the City an amount sufficient to cure such default on the bonds issued for school purposes, and any such amount so withheld could reduce the amount of available Education Aid (of which State Building Aid is a part) to pay the Building Aid Revenue Bonds. Projected debt service for fiscal year 2022 on the City's General Obligation Bonds issued for school purposes, outstanding as of June 30, 2021, is approximately \$990 million, without reflecting prepayments by the City. Projected debt service for fiscal year 2022 on the Authority's Future Tax Secured Bonds issued for school purposes, outstanding as of June 30, 2021, is approximately \$989 million, without reflecting prepayments by the City.

New York City Educational Construction Fund. Bonds have been issued by the New York City Educational Construction Fund (the "ECF") pursuant to Article 10 of the Education Law (the "ECF Act") to fund the cost of combined occupancy structures consisting of improvements to real property containing school accommodations or other facilities of the DOE with compatible and lawful non-school uses. Bonds of the ECF are secured by a debt service reserve fund (the "ECF Debt Service Reserve Fund") in an amount equal to the maximum amount of principal and sinking fund installments of and interest on outstanding bonds issued by the ECF becoming due in the then-current or any succeeding calendar year.

To further assure maintenance of the ECF Debt Service Reserve Fund, the ECF Act requires the DOE to pay to the ECF for deposit in the ECF Debt Service Reserve Fund such sum, if any, as has been certified by the Chairman

of the ECF to the DOE, the Mayor and the Director of Management and Budget of the City as necessary to restore the ECF Debt Service Reserve Fund to the ECF Debt Service Reserve Requirement. Such sum is to be paid from moneys appropriated and paid by the City to the DOE or from moneys otherwise lawfully available to the DOE for such purpose. The Chairman of the ECF annually, not later than February 1 in each calendar year, is to make and deliver to the DOE, the Mayor and the Director of Management and Budget of the City a certificate stating the amount, if any, required to restore the ECF Debt Service Reserve Fund to the required amount, and the amount so stated is to be paid to the ECF by the DOE during the then-current fiscal year of the ECF. In the event of the failure or inability of the DOE to pay over the stated amount to the ECF on or before August 1 of the same calendar year, the Chairman of the ECF is to make and deliver to the State Comptroller a further certificate restating the amount so required and, after the State Comptroller has given written notice to the Commissioner of Education of the State, the Mayor and the Director of Management and Budget of the City, such amount is to be paid over to the ECF by the State Comptroller out of the next payment of Education Aid apportioned to the City for the support of common schools or such other aid or assistance payable in support of common schools as may have superseded or supplemented such State aid for the support of common schools, including federal moneys apportioned by the State to the City for the support of common schools. The maximum annual debt service on outstanding ECF Bonds is approximately \$23.1 million.

#### *Other Competing Claims*

Certain State programs provide for statutory application or withholding of State aid and local assistance as security for the repayment of obligations of, or the repayment of financial assistance provided to, the City including but not limited to the following relating to: loan agreements with the Environmental Facilities Corporation (“EFC”) for water pollution control projects under Section 1285-j(11) of the Public Authorities Law; financing agreements with the EFC with respect to the Drinking Water Revolving Fund program under Section 1285-m of the Public Authorities Law; the MBBA under Section 2436 of the Public Authorities Law; the New York State Sports Authority under Section 2473 of the Public Authorities Law; acquisition, construction or maintenance costs of alternative correctional facilities under Section 89-h of the Corrections Law; and failure of the City to make a payment due to the Design and Construction Account of the Hazardous Waste Remedial Fund under Section 97-b of the State Finance Law. The City does not currently participate in the foregoing programs and does not currently expect to participate in such programs in the future. Also, Section 54-a of the State Finance Law provides that, if the City levies or causes to be levied taxes upon real property in excess of constitutional limitations, the State Comptroller may withhold local assistance by the State to the City to the extent of such excess.

In addition, the State may withhold or reduce Education Aid, and in certain cases must withhold or reduce such aid, upon the City’s failure to provide statutorily mandated courses of instruction in a number of special areas, upon the City’s failure to provide the statutorily required number of instructional days, upon the City’s failure to provide certain health services, upon the City’s failure to provide certain statutorily mandated services for handicapped students, upon the City’s failure to make any required payment for the maintenance or operation of charter schools in the City, upon the City’s noncompliance with certain other statutorily mandated administrative practices or upon the City’s willful disobedience of certain laws or directives. During the last 10 years, no Education Aid has been withheld from the City for failure to meet the above-mentioned requirements.

The Authority’s receipt of the State Building Aid could also be affected by withholding of Education Aid, of which State Building Aid is a part, in satisfaction of any disallowance regarding prior aid funds distributed to the City. The City and the Authority expect that any assertion of a disallowance that might otherwise materially affect the Education Aid would be satisfied either by the State’s withholding of aid payments other than the State Building Aid or by repayment by the City to the State of the amount of the disallowance.

#### *Effect of Claims on State Building Aid*

Statutory application and intercept of Education Aid for any of the above purposes or any other purpose could have the result of diminishing the amount of State Building Aid paid to the Authority as well as diminishing Education Aid subject to intercept by the State Comptroller under Section 99-b of the State Finance Law. Furthermore, the City may in the future participate in financing programs incorporating procedures for the application or withholding of Education Aid for the repayment of obligations of, or the repayment of financial assistance provided to, the City. In addition, the State may institute, with or without the consent of the City or the Authority, programs for the diversion or withholding of Education Aid otherwise payable to the City. Any such future application or diversion of Education

Aid could also affect the flow of State Building Aid to the Authority. Notwithstanding the foregoing, pursuant to the MOU, the State Comptroller has agreed, if permitted by applicable law, to apply Competing Claims, if any are exercised, against Education Aid payable to the City rather than against State Building Aid payable to the Authority. No assurance can be given that the MOU will be legally enforceable. The City has also agreed under the Assignment to promptly pay, subject to appropriation, to the Authority any material amount of State Building Aid diverted from the Authority on account of the Competing Claims described under the headings “Direct Claims” and “Contingent Claims” above as well as any amounts resulting from administrative reviews, audits or other procedures relating to Education Aid other than Building Aid. See “—Assignment of State Building Aid.”

### **Financial Condition of the State**

The payment of State Building Aid to the Authority is dependent in part upon the financial condition of the State. State budgetary restrictions could result in delays in the payment of or reductions in the amount of State Building Aid payable to the Authority. In the event that Education Aid or assistance is reduced by the State in the future, such reduction could result in a diminished flow of State Building Aid to the Authority.

Information about the State, including information about the impact of COVID-19, is contained in the Annual Information Statement of the State, dated June 8, 2021 (the “AIS”), which is included herein by specific reference and may be obtained at [www.budget.ny.gov](http://www.budget.ny.gov).

Financial information relating to the State is also contained in the Comprehensive Annual Financial Report for Fiscal Year Ended March 31, 2020 of the New York State Comptroller (the “CAFR”) and in the State’s Basic Financial Statements and Other Supplementary Information for the fiscal year ended March 31, 2020. Copies of the CAFR and such financial statements may be obtained at [www.osc.state.ny.us](http://www.osc.state.ny.us).

The Authority did not prepare the information contained in the AIS or the CAFR. The Authority makes no representations about State information or its continued availability. The State has not obligated itself to provide continuing disclosure in connection with the offering of the Series 2022 S-1 Bonds. The Authority has not and will not receive a certification from the State as to the accuracy of the information contained or included by specific reference herein. The AIS and the CAFR speak as of their respective dates, and subsequent events may have occurred or may occur that affect the presentations in those documents, some of which may be material.

### **Application of Revenues**

Upon receipt of (i) Personal Income Tax Revenues, (ii) Sales Tax Revenues, if any are required to be paid to the Authority, and (iii) State Building Aid, the Trustee must deposit such amounts into the Collection Account held by the Trustee.

Tax Revenue shall be deposited in the Tax Revenue Subaccount of the Collection Account and applied upon receipt by the Trustee in the following order of priority: first, to the Bond Account to pay Senior Debt Service in accordance with the Retention Procedures described below; second, to the Authority’s operating expenses, including deposits to the Redemption Account for optional redemption of the Senior Bonds, if any, and any reserves held by the Authority for payment of operating expenses; third, pursuant to Supplemental Indentures to the Recovery and Parity Debt Account or otherwise for the benefit of Noteholders, Subordinate Bondholders and parties to ancillary and swap contracts (other than Senior Agreements), to the extent such Supplemental Indentures may require application of Revenues to pay items after payments of Senior Debt Service and operating expenses; fourth, pursuant to each Officer’s Certificate making reference to this level of priority in accordance with the Indenture; and fifth, to the City as soon as available but not later than the last day of each month, excess Revenues, free and clear of the lien of the Indenture.

State Building Aid shall be deposited in the Building Aid Subaccount of the Collection Account and applied in the following order of priority, as implemented in part by the Retention Procedures (set forth below); first, to Pre-’07 S-1 Senior Debt (to the extent that Tax Revenues are insufficient); second, to the Authority’s operating expenses (to the extent that Tax Revenues are insufficient), which may include reserves but excluding operating expenses properly allocable to Post-’07 S-1 Senior Debt and Post-’07 S-1 Parity Debt; third, to Pre-’07 S-1 Parity Debt (to the

extent that Tax Revenues are insufficient); fourth, to the payment of Building Aid Revenue Bonds and other School Obligations; and fifth, daily or as soon as practicable but not later than the last day of each month, to the order of the City, free and clear of the lien of the Indenture.

### **Retention Procedures**

A quarterly retention mechanism has been adopted by the Authority to provide for payment of debt service on Future Tax Secured Bonds. For each three-month period commencing August, November, February and May (each such period, a “Collection Quarter”), the Trustee shall begin on the first business day of the first month of each Collection Quarter to transfer Tax Revenues from the Tax Revenue Subaccount to each subaccount of the Bond Account in proportion to the unfunded balance of each First-Month Requirement, and shall continue such transfers until the amount in each subaccount is equal to the First-Month Requirement. On the first day of the second month of each Collection Quarter, the Trustee shall resume or continue such transfers, in proportion to the unfunded balance of each Full Requirement, until the Full Requirement is held in each subaccount.

After all payments are made to the Bond Account, as described above, and for Authority operating expenses, money on deposit in the Tax Revenue Subaccount will be applied in accordance with a quarterly retention method adopted by the Authority to provide for payment of debt service on Parity Debt. The Pre-'07 S-1 Parity Subaccount and the Post-'07 S-1 Parity Subaccount are subaccounts in the Recovery Account. At the beginning of each Collection Quarter, the Trustee shall begin to transfer Tax Revenues to each subaccount in the Recovery Account in proportion to the unfunded balance of each First-Month Requirement and shall continue such transfers until the amount in each subaccount is equal to the First-Month Requirement and on the first Business Day of the second month of each Collection Quarter, the Trustee shall resume or continue such transfers, in proportion to the unfunded balance of each Full Requirement, until the Full Requirement is held in each subaccount.

To provide for the timely payment of School Obligations (including the Series 2022 S-1 Bonds) subject to the rights of the Holders of Pre-'07 S-1 Senior Debt and Pre-'07 S-1 Parity Debt, money in the Building Aid Subaccount shall be retained therein until transferred as follows:

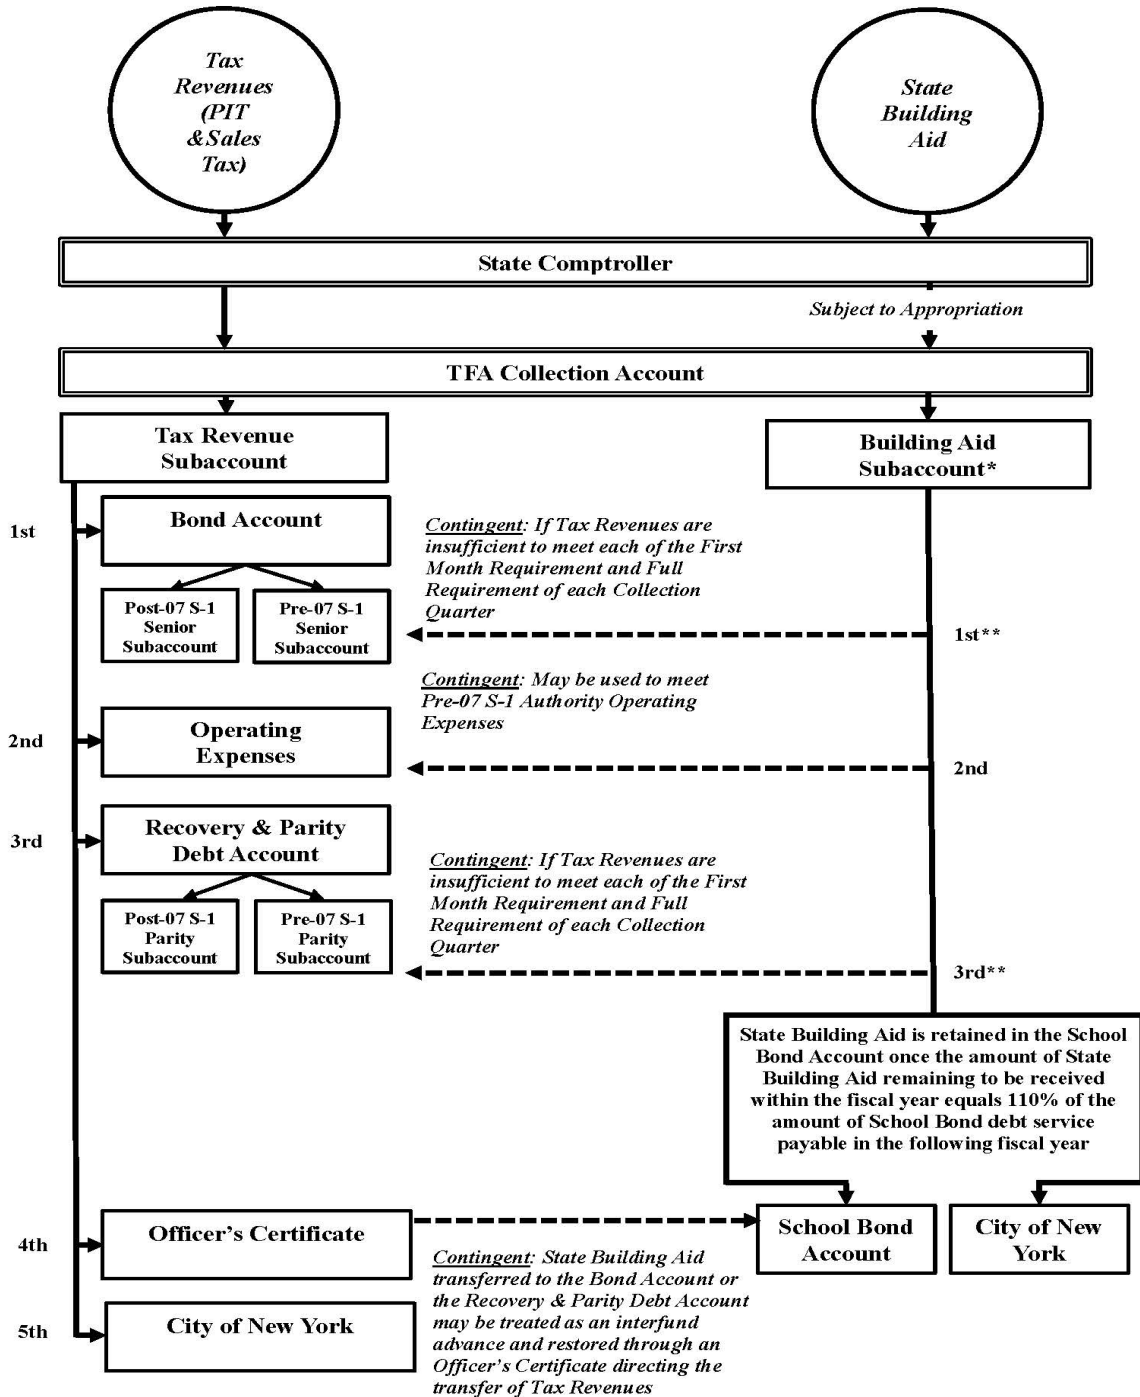

(1) at any time, to the Pre-'07 S-1 Senior Subaccount or the Pre-'07 S-1 Parity Subaccount, in that order of priority, to pay Pre-'07 S-1 Senior Bonds or Pre-'07 S-1 Parity Debt then due and not otherwise provided for;

(2) in the first month of each Collection Quarter, (a) to the School Bond Account beginning the first day when (i) the Pre-'07 S-1 Senior Subaccount and the Pre-'07 S-1 Parity Subaccount have been funded to their First-Month Requirements and (ii) the Remaining Building Aid is not more than 110% of the Unfunded Balance, and continuing until the earlier of (x) the end of the month and (y) the day when the Unfunded Balance is zero; and (b) to the order of the City, if no transfer to the School Bond Account is required, beginning the first day when both the Pre-'07 S-1 Senior Subaccount and the Pre-'07 S-1 Parity Subaccount have been funded to their First-Month Requirements and continuing until the end of the month; and

(3) in the second and third months of each Collection Quarter, (a) to the School Bond Account beginning the first day when (i) the Pre-'07 S-1 Senior Subaccount and the Pre-'07 S-1 Parity Subaccount have been funded to their Full Requirements and (ii) the Remaining Building Aid is not more than 110% of the Unfunded Balance, and continuing until the earlier of (x) the end of the Collection Quarter and (y) the day when the Unfunded Balance is zero; (b) to the order of the City, if no transfer to the School Bond Account is required, beginning when both the Pre-'07 S-1 Senior Subaccount and the Pre-'07 S-1 Parity Subaccount are funded to their Full Requirements and continuing until the end of the Collection Quarter; and (c) on the last Business Day of the Collection Quarter, to the Pre-'07 S-1 Senior Subaccount and then the Pre-'07 S-1 Parity Subaccount until both of them have been funded to their Full Requirements; then to the School Bond Account, if the Remaining State Aid is not more than 110% of the Unfunded Balance, until the Unfunded Balance is zero; and then to the order of the City.

For a description of the application under the Indenture of federal subsidies under the Recovery Act with respect to Build America Bonds and Qualified School Construction Bonds, see “APPENDIX A—SUMMARY OF INDENTURE AND AGREEMENT.”

**SUMMARY OF COLLECTION AND APPLICATION OF REVENUES**

\* State Building Aid is available to pay debt service coming due and payable but not already provided for with respect to Senior Bonds and Parity Debt, issued prior to the Fiscal 2007 Series S-1 Building Aid Revenue Bonds.

\*\* Within the respective retention period, once each of the First-Month and Full Requirement is satisfied, State Building Aid flows to either the School Bond Account or the City of New York.

## **Application of State Building Aid to Pay Pre-'07 S-1 Obligations**

Pursuant to the Indenture, the Building Aid Revenue Bonds are payable only from the State Building Aid and not from the Tax Revenues. Future Tax Secured Bonds are secured by Tax Revenues. The application of State Building Aid to pay the Building Aid Revenue Bonds is subject to priorities under the Indenture in favor of the Pre-'07 S-1 Obligations. If Tax Revenues were not sufficient to pay Pre-'07 S-1 Obligations, as well as Post-'07 S-1 Obligations, State Building Aid on deposit in the Collection Account would be applied to the payment of the Pre-'07 S-1 Obligations and the amount of State Building Aid available for payment of the Building Aid Revenue Bonds would be reduced. The Authority has Outstanding \$112,900,000 of Future Tax Secured Bonds issued as Pre-'07 S-1 Obligations, \$41,440,910,000 of Future Tax Secured Bonds issued as Post-'07 S-1 Obligations and \$8,297,025,000 of Building Aid Revenue Bonds (not including the Series 2022 S-1 Bonds or the redemption of the Refunded Bonds (as defined herein)). The Authority expects that Tax Revenues will be sufficient to pay the Pre-'07 S-1 Obligations and Post-'07 S-1 Obligations.

### **SECTION III: THE SERIES 2022 S-1 BONDS**

#### **General**

The Series 2022 S-1 Bonds will be dated the date of their delivery, will bear interest at the rates and will mature on the dates as set forth on the inside cover pages of this Official Statement unless redeemed or tendered prior to maturity, if subject to redemption or tender. All of the Series 2022 S-1 Bonds will be issued in book-entry only form. The Series 2022 S-1 Bonds are payable from State Building Aid, subordinate to payment of the Pre-'07 S-1 Obligations. See "SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS."

The Series 2022 S-1 Bonds will be issued in denominations of \$5,000 or any integral multiple thereof, and will bear interest calculated on the basis of a 360-day year of 30-day months. Interest on the Series 2022 S-1 Bonds accrues from their dated date, and is payable on each January 15 and July 15, commencing January 15, 2022.

The Series 2022 S-1 Bonds are being issued as multi-modal bonds in the fixed rate mode. This Official Statement does not describe terms specifically applicable to such Series 2022 S-1 Bonds bearing interest at rates other than a fixed rate.

#### **Optional Redemption or Mandatory Tender of Subseries S-1A Bonds**

The Subseries S-1A Bonds maturing on and after July 15, 2032 are subject to optional redemption or mandatory tender, in each case, at the option of the Authority prior to their stated maturity dates, in whole or in part, on any date on or after July 15, 2031, upon 30 days' notice, at a price of 100% of their principal amount plus accrued interest to such redemption or tender date.

See "—Notice of Redemption or Tender; Selection of Bonds to be Redeemed or Tendered" below for information on the manner of selection of the Subseries S-1A Bonds to be redeemed or tendered as described under this subheading.

#### **Optional Redemption or Mandatory Tender of Subseries S-1B Bonds**

The Subseries S-1B Bonds are subject to optional redemption or mandatory tender prior to their stated maturity dates at the option of the Authority, in whole or in part on any date, at a make-whole price equal to the greater of:

- (1) the issue price set forth on the applicable inside cover page hereof (but not less than 100%) of the principal amount of such Subseries S-1B Bonds to be redeemed or tendered; or
- (2) the sum of the present value of the remaining scheduled payments of principal and interest to the maturity date of such Subseries S-1B Bonds to be redeemed or tendered, not including any portion

of those payments of interest accrued and unpaid as of the date on which such Subseries S-1B Bonds are to be redeemed or tendered, discounted to the date on which such Subseries S-1B Bonds are to be redeemed or tendered on a semi-annual basis, assuming a 360-day year consisting of twelve 30-day months, at the Treasury Rate (described below) plus 10 basis points;

plus, in each case, accrued interest on such Subseries S-1B Bonds to be redeemed or tendered to the redemption or tender date.

“Treasury Rate” means, with respect to any redemption or tender date for a particular Subseries S-1B Bond, the yield to maturity as of such redemption or tender date of United States Treasury securities with a constant maturity (as compiled and published in the Federal Reserve Statistical Release H.15 (519) that has become publicly available at least two Business Days, but not more than 60 calendar days, prior to the redemption or tender date (excluding inflation indexed securities) (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from the redemption or tender date to the maturity date of the Subseries S-1B Bond to be redeemed or tendered.

See “—Notice of Redemption or Tender; Selection of Bonds to be Redeemed or Tendered” below for information on the manner of selection of the Subseries S-1B Bonds to be redeemed or tendered as described under this subheading.

### **Multi-Modal Bonds in the Fixed Rate Mode**

The Series 2022 S-1 Bonds are being issued as multi-modal bonds in the fixed rate mode. The Authority may cause a mandatory tender of the callable Series 2022 S-1 Bonds at the applicable optional redemption price on any date such Series 2022 S-1 Bonds are subject to optional redemption, subject to the Authority’s providing a source of payment therefor in accordance with the Indenture and the Act. If notice of mandatory tender has been given and funds prove insufficient, the Series 2022 S-1 Bonds not purchased shall continue in the fixed rate mode, without change in interest rate, maturity date or other terms. Other modes to which the callable Series 2022 S-1 Bonds may be converted are not described in this Official Statement.

### **Notice of Redemption or Tender; Selection of Bonds to be Redeemed or Tendered**

On or after any redemption date, interest will cease to accrue on the Series 2022 S-1 Bonds called for redemption. On or after any tender date, interest will cease to accrue to the former Holders on the Series 2022 S-1 Bonds successfully tendered.

The particular series and subseries, if applicable, maturities, amounts and interest rates of the Series 2022 S-1 Bonds to be redeemed or called for mandatory tender at the option of the Authority will be determined by the Authority in its sole discretion.

Upon receipt of notice from the Authority of its election to redeem or call for mandatory tender the Series 2022 S-1 Bonds, the Trustee is to give notice of such redemption or tender by mail to the Holders of the Series 2022 S-1 Bonds to be redeemed or tendered, as applicable, not less than 30 days or more than 60 days prior to the date set for redemption or tender. Failure by a particular Holder to receive notice, or any defect in the notice to such Holder, will not affect the redemption or purchase of any other Bond.

If less than all of the Series 2022 S-1 Bonds of a series or subseries with the same maturity and interest rate are called for prior redemption or tender, such Series 2022 S-1 Bonds will be selected for redemption or tender, as applicable, in accordance with DTC procedures, by lot.

### **Defeasance**

The Series 2022 S-1 Bonds are subject to legal defeasance in accordance with the Indenture. As a condition to legal defeasance of any of the Series 2022 S-1 Bonds, the Authority must obtain an opinion of counsel to the effect that the owners thereof will not recognize income, gain or loss for federal income tax purposes as a result of such legal

defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such legal defeasance had not occurred. In the event Series 2022 S-1 Bonds are not legally defeased, such opinion is not required to be delivered. See “APPENDIX A—SUMMARY OF INDENTURE AND AGREEMENT—The Indenture—Defeasance of the Indenture” and “—Legal Defeasance of Particular Bonds.”

In the event that the Series 2022 S-1 Bonds of any series or subseries are defeased to their maturity, the Authority expects that any such Series 2022 S-1 Bonds that are subject to optional redemption or mandatory tender and are escrowed to maturity will remain subject to optional redemption or mandatory tender by the Authority.

**Other Series**

The Authority may from time to time request the authentication and delivery of an additional Series of Building Aid Revenue Bonds. See “SECTION II: SOURCES OF PAYMENT AND SECURITY FOR THE BUILDING AID REVENUE BONDS—Additional Building Aid Revenue Bonds.”

## **Use of Proceeds**

The proceeds of the Series 2022 S-1 Bonds, together with other funds of the Authority, will be used to redeem, at or prior to maturity, the Building Aid Revenue Bonds identified in “APPENDIX D” hereto (the “Refunded Bonds”) by providing for the payment of principal and interest and redemption premium, if any, on the Refunded Bonds to the extent and to the payment dates shown in “APPENDIX D”. A portion of the Refunded Bonds identified on APPENDIX D will be economically defeased and will continue to be Outstanding for purposes of the Indenture. The delivery of the Subseries S-1A Bonds is contingent upon the delivery of the Subseries S-1B Bonds. The delivery of the Subseries S-1B Bonds is contingent on the delivery of the Subseries S-1A Bonds. The refunding of the Refunded Bonds is contingent upon the delivery of the Series 2022 S-1 Bonds. The Refunded Bonds were issued to finance the costs of one or more of the Five-Year Plans approved in accordance with Section 2590-p of the Education Law and to refund certain bonds issued for such purposes.

Certain expenses of the Authority incurred in connection with the issuance and sale of the Series 2022 S-1 Bonds will be paid from the proceeds of the Series 2022 S-1 Bonds.

## **Book-Entry Only System**

Beneficial ownership interests in the Authority’s bonds and notes (the “Securities”) will be available in book-entry only form. Purchasers of beneficial ownership interests in the Securities will not receive certificates representing their interests in the Securities purchased.

DTC, New York, New York, will act as securities depository for the Securities. References to the Securities under this caption “Book-Entry Only System” shall mean all Series 2022 S-1 Bonds held in the United States through DTC. The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for each principal amount of Securities of each series and subseries, if applicable, maturing on a specific date and bearing interest at a specific interest rate, each in the aggregate principal amount of such quantity of Security, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of the Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC’s records. The ownership interest of each actual purchaser of each Security (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect

Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Securities, except in the event that use of the book-entry system for the Securities is discontinued.

To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payment of redemption proceeds and principal and interest on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or the Trustee on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

The Authority may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.

None of the Authority, the Underwriters or the Initial Purchaser makes any representation as to the completeness or the accuracy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

THE AUTHORITY AND THE TRUSTEE CANNOT AND DO NOT GIVE ANY ASSURANCES THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE SECURITIES: (1) PAYMENTS OF PRINCIPAL OF OR INTEREST OR REDEMPTION PREMIUM ON THE SECURITIES; (2) CONFIRMATIONS OF THEIR OWNERSHIP INTERESTS IN THE SECURITIES; OR (3) OTHER NOTICES SENT TO DTC OR CEDE & CO., ITS PARTNERSHIP NOMINEE, AS THE REGISTERED OWNER OF THE SECURITIES, OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT.

THE AUTHORITY AND THE TRUSTEE WILL NOT HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO DTC, DIRECT PARTICIPANTS, INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS; (2) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT OF OR INTEREST OR REDEMPTION PREMIUM ON THE SECURITIES; (3) THE DELIVERY BY DTC OR ANY DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF ANY NOTICE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED TO BE GIVEN TO OWNERS UNDER THE TERMS OF THE INDENTURE; OR (4) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE REGISTERED HOLDER OF THE SECURITIES.

THE INFORMATION CONTAINED HEREIN CONCERNING DTC AND ITS BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM DTC AND NONE OF THE AUTHORITY, THE UNDERWRITERS OR THE INITIAL PURCHASER MAKES ANY REPRESENTATION AS TO THE COMPLETENESS OR THE ACCURACY OF SUCH INFORMATION OR AS TO THE ABSENCE OF MATERIAL ADVERSE CHANGES IN SUCH INFORMATION SUBSEQUENT TO THE DATE HEREOF.

### **Global Clearance Procedures**

*General.* The Initial Purchaser has advised the Authority that the beneficial interest in the Subseries S-1B Bonds may be held through DTC, Clearstream Banking, S.A. (“Clearstream”) or Euroclear Bank S.A./N.V. (“Euroclear”) as operator of the Euroclear System, directly as a participant or indirectly through organizations that are participants in such system.

The information set out herein is subject to any change in or reinterpretation of the rules, regulations and procedures of DTC, Euroclear or Clearstream (DTC, Euroclear and Clearstream together, the “Clearing Systems”) currently in effect. Neither Euroclear or Clearstream is under any obligation to perform or continue to perform the procedures referred to above, and such procedures may be discontinued at any time.

Neither the Authority nor any of its agents will have any responsibility for the performance by Euroclear or Clearstream or their respective direct or indirect participants or account holders of their respective obligations under the rules and procedures governing their operations or the arrangements referred to above.

The information in this subsection concerning the Clearing Systems has been obtained from sources that the Authority and the Initial Purchaser believe to be reliable, but neither the Authority nor the Initial Purchaser takes any responsibility for the accuracy thereof or make any representation as to the completeness or the accuracy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

*Euroclear and Clearstream.* Euroclear and Clearstream each hold securities for their customers and facilitate the clearance and settlement of securities transactions by electronic book-entry transfer between their respective account holders. Euroclear and Clearstream provide various services including safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Euroclear and Clearstream also deal with domestic securities markets in several countries through established depository and custodial relationships. Euroclear and Clearstream have established an electronic bridge between their two systems across which their respective participants may settle trades with each other.

Euroclear and Clearstream customers are worldwide financial institutions, including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations. Indirect access to Euroclear and Clearstream is available to other institutions that clear through or maintain a custodial relationship with an account holder of either system, either directly or indirectly.

*Clearing and Settlement Procedures.* The Subseries S-1B Bonds sold in offshore transactions will be initially issued to investors through the book-entry facilities of DTC, or Clearstream and Euroclear in Europe if the investors are participants in those systems, or indirectly through organizations that are participants in the systems. For any of such Subseries S-1B Bonds, the record holder will be DTC's nominee. Clearstream and Euroclear will hold omnibus positions on behalf of their participants through customers' securities accounts in Clearstream's and Euroclear's names on the books of their respective depositories.

The depositories, in turn, will hold positions in customers' securities accounts in the depositories' names on the books of DTC. Because of time zone differences, the securities account of a Clearstream or Euroclear participant as a result of a transaction with a participant, other than a depository holding on behalf of Clearstream or Euroclear, will be credited during the securities settlement processing day, which must be a business day for Clearstream or Euroclear, as the case may be, immediately following the DTC settlement date. These credits or any transactions in the securities settled during the processing will be reported to the relevant Euroclear participant or Clearstream participant on that business day. Cash received in Clearstream or Euroclear as a result of sales of securities by or through a Clearstream participant or Euroclear participant to a DTC Participant, other than the depository for Clearstream or Euroclear, will be received with value on the DTC settlement date but will be available in the relevant Clearstream or Euroclear cash account only as of the business day following settlement in DTC.

*Transfer Procedures.* Transfers between participants will occur in accordance with DTC rules. Transfers between Clearstream participants or Euroclear participants will occur in accordance with their respective rules and operating procedures. Cross-market transfers between persons holding directly or indirectly through DTC, on the one hand, and directly or indirectly through Clearstream participants or Euroclear participants, on the other, will be effected in DTC in accordance with DTC rules on behalf of the relevant European international clearing system by the relevant depositories; however, cross-market transactions will require delivery of instructions to the relevant European international clearing system by the counterparty in the system in accordance with its rules and procedures and within its established deadlines in European time.

The relevant European international clearing system will, if the transaction meets its settlement requirements, deliver instructions to its depository to take action to effect final settlement on its behalf by delivering or receiving securities in DTC, and making or receiving payment in accordance with normal procedures for same day funds settlement applicable to DTC. Clearstream participants or Euroclear participants may not deliver instructions directly to the depositories.

The Authority will not impose any fees in respect of holding the Subseries S-1B Bonds; however, holders of book-entry interests in the Subseries S-1B Bonds may incur fees normally payable in respect of the maintenance and operation of accounts in the DTC, Euroclear and Clearstream.

*Initial Settlement.* Interests in the Subseries S-1B Bonds will be in uncertified book-entry form. Purchasers electing to hold book-entry interests in the Subseries S-1B Bonds through Euroclear and Clearstream accounts will follow the settlement procedures applicable to conventional Eurobonds. Book-entry interests in the Subseries S-1B Bonds will be credited to Euroclear and Clearstream participants' securities clearance accounts on the business day following the date of delivery of the Subseries S-1B Bonds against payment (value as on the date of delivery of the Subseries S-1B Bonds). DTC participants acting on behalf of purchasers electing to hold book-entry interests in the Subseries S-1B Bonds through DTC will follow the delivery practices applicable to securities eligible for DTC's Same Day Funds Settlement system. DTC participants' securities accounts will be credited with book-entry interests in the Subseries S-1B Bonds following confirmation of receipt of payment to the Authority on the date of delivery of the Subseries S-1B Bonds.

*Secondary Market Trading.* Secondary market trades in the Subseries S-1B Bonds will be settled by transfer of title to book-entry interests in Euroclear, Clearstream or DTC, as the case may be. Title to such book-entry interests will pass by registration of the transfer within the records of Euroclear, Clearstream or DTC, as the case may be, in

accordance with their respective procedures. Book-entry interests in the Subseries S-1B Bonds may be transferred within Euroclear and within Clearstream and between Euroclear and Clearstream in accordance with procedures established for these purposes by Euroclear and Clearstream. Book-entry interests in the Subseries S-1B Bonds may be transferred within DTC in accordance with procedures established for this purpose by DTC. Transfer of book-entry interests in the Subseries S-1B Bonds between Euroclear or Clearstream and DTC may be effected in accordance with procedures established for this purpose by Euroclear, Clearstream and DTC.

*Special Timing Considerations.* Investors should be aware that investors will only be able to make and receive deliveries, payments and other communications involving the Subseries S-1B Bonds through Euroclear or Clearstream on days when those systems are open for business. In addition, because of time-zone differences, there may be complications with completing transactions involving Clearstream and/or Euroclear on the same business day as in the United States. U.S. investors who wish to transfer their interests in the Subseries S-1B Bonds, or to receive or make a payment or delivery of Subseries S-1B Bonds, on a particular day, may find that the transactions will not be performed until the next business day in Luxembourg if Clearstream is used, or Brussels if Euroclear is used.

### **Other Authority Obligations**

The School Financing Act authorizes the issuance of Building Aid Revenue Bonds of the Authority in an amount outstanding of up to \$9.4 billion to finance portions of the Five Year Plan. Building Aid Revenue Bonds are secured by State Building Aid assigned by the City to the Authority. In addition, assuming conditions specified in the Act and the Indenture are met, the Enabling Act currently permits the Authority to have outstanding \$13.5 billion of Future Tax Secured Bonds and to issue additional Future Tax Secured Bonds provided that the amount of such additional bonds outstanding, together with the amount of indebtedness contracted by the City, does not exceed the debt limit of the City. In addition, the Enabling Act permits the Authority to have outstanding up to \$2.5 billion of Future Tax Secured Bonds to pay costs related to or arising from the September 11 attack on the World Trade Center.

The Authority has Outstanding \$112,900,000 of Future Tax Secured Bonds issued as Pre-'07 S-1 Obligations, \$41,440,910,000 of Future Tax Secured Bonds issued as Post-'07 S-1 Obligations and \$8,297,025,000 of Building Aid Revenue Bonds (not including the Series 2022 S-1 Bonds or the redemption of the Refunded Bonds). ### **SECTION VI: TAX MATTERS**

#### **Series 2022 S-1 Bonds – New York Personal Income Tax Exemption**

In the respective opinions of Katten Muchin Rosenman LLP, New York, New York, and Hardwick Law Firm, LLC, New York, New York, as Co-Bond Counsel to the Authority (“Co-Bond Counsel”), interest on the Series 2022 S-1 Bonds will be exempt from personal income taxes imposed by the State or any political subdivision thereof, including the City.

#### **Tax-Exempt Bonds**

The Authority and the City will covenant in Tax Certificates to comply with certain provisions of the Internal Revenue Code of 1986, as amended (the “Code”), relating to the exclusion from gross income of the interest on the Subseries S-1A Bonds (the “Tax-Exempt Bonds”) for purposes of federal income taxation. In the respective opinions of Co-Bond Counsel, assuming compliance by the Authority and the City with such covenants, interest on the Tax-Exempt Bonds will be excludable from the gross income of the owners thereof for purposes of federal income taxation. Failure by the Authority or the City to comply with such covenants may cause interest on the Tax-Exempt Bonds to be includable in the gross income of the owners thereof retroactive to the date of issue of the Tax-Exempt Bonds. Further, neither Co-Bond Counsel will render any opinion as to the effect on the exclusion from gross income of interest on the Tax-Exempt Bonds of any action (including without limitation a change in the interest rate mode with

respect to the Tax-Exempt Bonds) taken or not taken after the date of such respective opinions of Co-Bond Counsel without the approval of such Co-Bond Counsel.

In the respective opinions of Co-Bond Counsel, interest on the Tax-Exempt Bonds is not an item of tax preference for purposes of the federal alternative minimum tax. The Code contains other provisions that could result in tax consequences, upon which no opinion will be rendered by Co-Bond Counsel, as a result of ownership of the Tax-Exempt Bonds or the inclusion in certain computations of interest that is excluded from gross income.

Co-Bond Counsels' opinions are not a guarantee of a result, but represent their legal judgment based upon their review of existing statutes, regulations, published rulings and court decisions and the covenants of the Authority and the City described above. No ruling has been sought from the Internal Revenue Service (the "IRS" or the "Service") with respect to the matters addressed in the opinions of Co-Bond Counsel, and Co-Bond Counsels' opinions are not binding on the IRS. The IRS has an ongoing program of auditing the tax-exempt status of the interest on tax-exempt obligations. If an audit of the Tax-Exempt Bonds is commenced, under current procedures the IRS is likely to treat the Authority as the "taxpayer," and the owners of the Tax-Exempt Bonds would have no right to participate in the audit process. In responding to or defending an audit of the tax-exempt status of the interest on the Tax-Exempt Bonds, the Authority may have different or conflicting interests from the owners of the Tax-Exempt Bonds. Public awareness of any future audit of the Tax-Exempt Bonds could adversely affect the value and liquidity of the Tax-Exempt Bonds during the pendency of the audit, regardless of its ultimate outcome.

Except as described above, Co-Bond Counsel will express no opinion with respect to any federal, state or local tax consequences under present law, or proposed legislation, resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Tax-Exempt Bonds. Prospective purchasers of the Tax-Exempt Bonds should be aware that the ownership of tax-exempt obligations such as the Tax-Exempt Bonds may result in collateral federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, certain foreign corporations doing business in the United States, S corporations with subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a financial asset securitization investment trust (FASIT), and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Prospective purchasers should consult their own tax advisors as to the applicability of these consequences to their particular circumstances.

Information reporting requirements apply to interest paid on tax-exempt obligations, including the Tax-Exempt Bonds. In general, such requirements are satisfied if the interest recipient completes, and provides the payor with, a Form W-9, "Request for Taxpayer Identification Number and Certification," or unless the recipient is one of a limited class of exempt recipients, including corporations. A recipient not otherwise exempt from information reporting who fails to satisfy the information reporting requirements will be subject to "backup withholding" (currently at a rate of 24 percent) on current or accrued interest on the Tax-Exempt Bonds or with respect to proceeds received from a disposition of the Tax-Exempt Bonds. If a Beneficial Owner purchasing a Tax-Exempt Bond through a brokerage account has executed a Form W-9 in connection with the establishment of such account, as generally can be expected, no backup withholding should occur. In any event, backup withholding does not affect the excludability of the interest on the Tax-Exempt Bonds from gross income for federal income tax purposes. Any amounts withheld pursuant to backup withholding would be allowed as a refund or a credit against the owner's federal income tax once the required information is furnished to the IRS.

Existing law may change so as to reduce or eliminate the benefit to holders of the Tax-Exempt Bonds of the exclusion of interest thereon from gross income for federal income tax purposes. Proposed legislative or administrative action, whether or not taken, could also affect the value and marketability of the Tax-Exempt Bonds. Prospective purchasers of the Tax-Exempt Bonds should consult with their own tax advisors with respect to any proposed changes in tax law.

### **Tax Accounting Treatment of Premium on Certain Tax-Exempt Bonds**

The purchase price of certain Tax-Exempt Bonds (the "Premium Bonds") paid by an owner may be greater than the amount payable on such Bonds at maturity. An amount equal to the excess of a purchaser's tax basis in a Premium Bond over the amount payable at maturity constitutes premium to such purchaser. The basis for federal

income tax purposes of a Premium Bond in the hands of such purchaser must be reduced each year by the amortizable bond premium, although no federal income tax deduction is allowed as a result of such reduction in basis for amortizable bond premium. Such reduction in basis will increase the amount of any gain (or decrease the amount of any loss) to be recognized for federal income tax purposes upon a sale or other taxable disposition of a Premium Bond. The amount of premium which is amortizable each year by a purchaser is determined by using such purchaser's yield to maturity. Purchasers of the Premium Bonds should consult with their own tax advisors with respect to the determination of amortizable bond premium on Premium Bonds for federal income tax purposes and with respect to the state and local tax consequences of owning and disposing of Premium Bonds.

## **Taxable Bonds**

*General.* The following is a general summary of certain federal income tax consequences of the purchase and ownership of the Subseries S-1B Bonds (the "Taxable Bonds"). The discussion is based upon the Code, U.S. Treasury Regulations, rulings, and decisions now in effect, all of which are subject to change (possibly, with retroactive effect) or possibly differing interpretation. No assurances can be given that future changes in the law will not alter the conclusions reached herein. The discussion below does not purport to deal with federal income tax consequences applicable to all categories of investors and generally does not address consequences relating to the disposition of a Taxable Bond by a Beneficial Owner thereof. Further, this summary does not discuss all aspects of federal income taxation that may be relevant to a particular investor in the Taxable Bonds in light of the investor's particular circumstances (for example, persons subject to the alternative minimum tax provisions of the Code), or to certain types of investors subject to special treatment under the federal income tax laws (including insurance companies, tax-exempt organizations and entities, financial institutions, broker-dealers, persons who have hedged the risk of owning the Taxable Bonds, traders in securities that elect to use a mark-to-market method of accounting, thrifts, regulated investment companies, pension and other employee benefit plans, partnerships and other pass-through entities, certain hybrid entities and owners of interests therein, persons who acquire Taxable Bonds in connection with the performance of services, or persons deemed to sell Taxable Bonds under the constructive sale provisions of the Code). The discussion below also does not discuss any aspect of state, local, or foreign law or U.S. federal tax laws other than U.S. federal income tax law. The summary is limited to certain issues relating to initial investors who will hold the Taxable Bonds as "capital assets" within the meaning of Section 1221 of the Code, and acquire such Taxable Bonds for investment and not as a dealer or for resale. This summary addresses certain federal income tax consequences applicable to Beneficial Owners of the Taxable Bonds who are United States persons within the meaning of Section 7701(a)(30) of the Code ("United States persons") and, except as discussed below, does not address any consequences to persons other than United States persons. Prospective investors should note that no rulings have been or will be sought from the Internal Revenue Service with respect to any of the federal income tax consequences discussed below, and no assurance can be given that the Service will not take contrary positions.

ALL PROSPECTIVE INVESTORS SHOULD CONSULT THEIR OWN TAX ADVISORS IN DETERMINING THE FEDERAL, STATE, LOCAL, FOREIGN, AND ANY OTHER TAX CONSEQUENCES TO THEM FROM THE PURCHASE, OWNERSHIP, AND DISPOSITION OF THE TAXABLE BONDS.

*Stated Interest and Reporting of Interest Payments.* The stated interest on the Taxable Bonds will be included in the gross income, as defined in Section 61 of the Code, of the Beneficial Owners thereof as ordinary income for federal income tax purposes at the time it is paid or accrued, depending on the tax accounting method applicable to the Beneficial Owners thereof. Subject to certain exceptions, the stated interest on the Taxable Bonds will be reported to the Service. Such information will be filed each year with the Service on Form 1099 which will reflect the name, address, and taxpayer identification number ("TIN") of the Beneficial Owner. A copy of Form 1099 will be sent to each Beneficial Owner of a Taxable Bond for federal income tax purposes.

*Medicare Contribution Tax.* Pursuant to Section 1411 of the Code, as enacted by the Health Care and Education Reconciliation Act of 2010, an additional tax is imposed on individuals beginning January 1, 2013. The additional tax is 3.8% of the lesser of (i) net investment income (defined as gross income from interest, dividends, net gain from disposition of property not used in a trade or business, and certain other listed items of gross income), or (ii) the excess of "modified adjusted gross income" of the individual over \$200,000 for unmarried individuals (\$250,000 for married couples filing a joint return and a surviving spouse). Beneficial Owners of the Taxable Bonds should consult with their own tax advisors concerning this additional tax, as it may apply to interest earned on the Taxable Bonds as well as gain on the sale of a Taxable Bond.

*Backup Withholding.* Under Section 3406 of the Code, a Beneficial Owner of the Taxable Bonds who is a United States person may, under certain circumstances, be subject to “backup withholding” (currently at a rate of 24 percent) on current or accrued interest on the Taxable Bonds or with respect to proceeds received from a disposition of the Taxable Bonds. This withholding applies if such Beneficial Owner of Taxable Bonds: (i) fails to furnish to the payor such Beneficial Owner’s social security number or other TIN; (ii) furnishes the payor an incorrect TIN; (iii) fails to report interest properly; or (iv) under certain circumstances, fails to provide the payor or such Beneficial Owner’s broker with a certified statement, signed under penalty of perjury, that the TIN provided to the payor or broker is correct and that such Beneficial Owner is not subject to backup withholding. To establish status as an exempt person, a Beneficial Owner will generally be required to provide certification on IRS Form W-9 (or substitute form).

Backup withholding will not apply, however, if the Beneficial Owner is a corporation or falls within certain tax-exempt categories and, when required, demonstrates such fact. BENEFICIAL OWNERS OF THE TAXABLE BONDS SHOULD CONSULT THEIR TAX ADVISORS REGARDING THEIR QUALIFICATION FOR EXEMPTION FROM BACKUP WITHHOLDING AND THE PROCEDURE FOR OBTAINING SUCH EXEMPTION, IF APPLICABLE. The backup withholding tax is not an additional tax and taxpayers may use amounts withheld as a credit against their federal income tax liability or may claim a refund as long as they timely provide certain information to the Service.

*Withholding on Payments to Nonresident Alien Individuals and Foreign Corporations.* Under Sections 1441 and 1442 of the Code, nonresident alien individuals and foreign corporations are generally subject to withholding of U.S. federal income tax by the payor at the rate of 30 percent on periodic income items arising from sources within the United States, provided such income is not effectively connected with the conduct of a United States trade or business. Assuming the interest income of such a Beneficial Owner of the Taxable Bonds is not treated as effectively connected income within the meaning of Section 864 of the Code, such interest will be subject to 30 percent withholding, or any lower rate specified in an income tax treaty, unless such income is treated as “portfolio interest.” Interest will be treated as portfolio interest if (i) the Beneficial Owner provides a statement to the payor certifying, under penalties of perjury, that such Beneficial Owner is not a United States person and providing the name and address of such Beneficial Owner, (ii) such interest is treated as not effectively connected with the Beneficial Owner’s United States trade or business, (iii) interest payments are not made to a person within a foreign country which the Service has included on a list of countries having provisions inadequate to prevent United States tax evasion, (iv) interest payable with respect to the Taxable Bonds is not deemed contingent interest within the meaning of the portfolio debt provision, (v) such Beneficial Owner is not a controlled foreign corporation within the meaning of Section 957 of the Code, and (vi) such Beneficial Owner is not a bank receiving interest on the Taxable Bonds pursuant to a loan agreement entered into in the ordinary course of the bank’s trade or business.

Assuming payments on the Taxable Bonds are treated as portfolio interest within the meaning of Sections 871 and 881 of the Code, then no withholding under Section 1441 and 1442 of the Code, and no backup withholding under Section 3406 of the Code is required with respect to Beneficial Owners or intermediaries who have furnished Form W-8 BEN, Form W-8 BEN-E, Form W-8 EXP, or Form W-8 IMY, as applicable, provided the payor has no actual knowledge or reason to know that such person is a United States person.

*Foreign Account Tax Compliance Act.* Sections 1471 through 1474 of the Code impose a 30% withholding tax on certain types of payments made to a foreign financial institution, unless the foreign financial institution enters into an agreement with the U.S. Treasury to, among other things, undertake to identify accounts held by certain U.S. persons or U.S.-owned entities, annually report certain information about such accounts, and withhold 30% on payments to account holders whose actions prevent it from complying with these and other reporting requirements, or unless the foreign financial institution is otherwise exempt from those requirements. In addition, the Foreign Account Tax Compliance Act (“FATCA”) imposes a 30% withholding tax on the same types of payments to a non-financial foreign entity unless the entity certifies that it does not have any substantial U.S. owners or the entity furnishes identifying information regarding each substantial U.S. owner. Failure to comply with the additional certification, information reporting and other specified requirements imposed under FATCA could result in the 30% withholding tax being imposed on payments of interest and principal under the Taxable Bonds and sales proceeds of Taxable Bonds held by or through a foreign entity. In general, withholding under FATCA currently applies to payments of U.S. source interest (including original issue discount) and will apply to (i) gross proceeds from the sale, exchange or retirement of debt obligations paid after December 31, 2018 and (ii) certain “pass-thru” payments no earlier than January 1, 2019. Prospective investors should consult their own tax advisors regarding FATCA and its effect on them.

*The preceding discussion of certain U.S. federal income tax consequences is for general information only and is not tax advice. Accordingly, each investor should consult its own tax advisor as to particular tax consequences to it of purchasing, owning, and disposing of the Taxable Bonds, including the applicability and effect of any state, local, or foreign tax laws, and of any proposed changes in applicable laws.*

## **ERISA Considerations**

The Employee Retirement Income Security Act of 1974, as amended (“ERISA”), and the Code generally prohibit certain transactions between employee benefit plans under ERISA or tax qualified retirement plans and individual retirement accounts under the Code (collectively, the “Plans”) and persons who, with respect to a Plan, are fiduciaries or other “parties in interest” within the meaning of ERISA or “disqualified persons” within the meaning of the Code. In addition, each fiduciary of a Plan (“Plan Fiduciary”) must give appropriate consideration to the facts and circumstances that are relevant to an investment in the Series 2022 S-1 Bonds, including the role that such an investment in the Series 2022 S-1 Bonds would play in the Plan’s overall investment portfolio. Each Plan Fiduciary, before deciding to invest in the Series 2022 S-1 Bonds, must be satisfied that such investment in the Series 2022 S-1 Bonds is a prudent investment for the Plan, that the investments of the Plan, including the investment in the Series 2022 S-1 Bonds, are diversified so as to minimize the risk of large losses and that an investment in the Series 2022 S-1 Bonds complies with the documents of the Plan and related trust, to the extent that such documents are consistent with ERISA. All Plan Fiduciaries, in consultation with their advisors, should carefully consider the impact of ERISA and the Code on an investment in any Series 2022 S-1 Bond.

## **SECTION VII: RATINGS**

The Series 2022 S-1 Bonds are rated “AA” by S&P, “Aa3” by Moody’s and “AA” by Fitch. Such ratings reflect only the views of S&P, Moody’s and Fitch from which an explanation of the significance of such ratings may be obtained. There is no assurance that a particular rating will continue for any given period of time or that any such rating will not be revised downward or withdrawn entirely if, in the judgment of the Rating Agency originally establishing the rating, circumstances so warrant. A revision or withdrawal of such ratings may have an effect on the market price of the Series 2022 S-1 Bonds. A securities rating is not a recommendation to buy, sell or hold securities.

## **SECTION VIII: APPROVAL OF LEGALITY**

All legal matters incident to the authorization, issuance and delivery of the Series 2022 S-1 Bonds are subject to the approval of Katten Muchin Rosenman LLP, New York, New York, and Hardwick Law Firm, LLC, New York, New York, Co-Bond Counsel to the Authority. Reference should be made to the form of the approving legal opinions of Co-Bond Counsel as set forth in APPENDIX C hereto for the matters covered by such opinions. Certain legal matters are subject to the approval of the New York City Corporation Counsel, counsel to the Authority and the City, and of Hawkins Delafield & Wood LLP, New York, New York, and Golden Holley James LLP, New York, New York, co-counsel to the Underwriters and the Initial Purchaser.

## **SECTION IX: FINANCIAL ADVISORS**

Public Resources Advisory Group, New York, New York, and Frasca & Associates, LLC, New York, New York, are acting as financial advisors to the Authority in connection with the issuance of the Series 2022 S-1 Bonds.

## **SECTION X: FINANCIAL STATEMENTS**

The financial statements of the Authority as of and for the years ended June 30, 2020 and 2019 included in Appendix B to this Official Statement have been audited by Marks Paneth LLP, independent certified public accountants, as stated in their report appearing therein. Marks Paneth LLP, the Authority’s independent auditor, has not reviewed, commented on or approved, and is not associated with, this Official Statement. The report of Marks Paneth LLP relating to the Authority’s financial statements for the fiscal years ended June 30, 2020 and 2019, which is a matter of public record, is included in this Official Statement. However, Marks Paneth LLP has not performed any procedures on any financial statements or other financial information of the Authority, including without

limitation any of the information contained in this Official Statement, since the date of such report and has not been asked to consent to the inclusion of its report in this Official Statement.

## SECTION XI: CONTINUING DISCLOSURE UNDERTAKING

To the extent that Rule 15c2-12 (the “Rule”) of the Securities and Exchange Commission (“SEC”) promulgated under the Securities Exchange Act of 1934, as amended (the “1934 Act”), requires underwriters (as defined in the Rule), including the Underwriters and the Initial Purchaser, to determine, as a condition to purchasing the securities, that the Authority will make such covenants, the Authority will covenant as follows:

The Authority shall provide:

(b) in a timely manner not in excess of 10 Business Days after the occurrence of the event, notice to EMMA of any of the following events with respect to the Series 2022 S-1 Bonds:

- (1) principal and interest payment delinquencies;

- (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Subseries S-1A Bonds, or other material events affecting the tax status of the Subseries S-1A Bonds;
- (7) modifications to rights of security holders, if material;
- (8) bond calls, if material, and tender offers;
- (9) defeasances;
- (10) release, substitution, or sale of property securing repayment of the Series 2022 S-1 Bonds, if material;
- (11) rating changes;
- (12) bankruptcy, insolvency, receivership or similar event of the Authority; which event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the Authority in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Authority, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a

plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Authority;

- (13) the consummation of a merger, consolidation, or acquisition involving the Authority or the sale of all or substantially all of the assets of the Authority, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;

## THE INDENTURE

*Directors, State and City Not Liable on Notes or Bonds.* Neither the Directors of the Authority nor any person executing Notes, Bonds or other obligations of the Authority shall be liable personally thereon or be subject to any personal liability or accountability solely by reason of the issuance thereof.

The Notes, Bonds and other obligations of the Authority shall not be a debt of either the State or the City, and neither the State nor the City shall be liable thereon, nor shall they be payable out of any funds other than those of the Authority; and the Notes and Bonds shall contain on the face thereof a statement to such effect.

*Security and Pledge.* Pursuant to the Act, the Authority assigns and pledges to the Trustee (a) the Revenues, (b) all rights to receive the Revenues (including the Statutory Revenues) and the proceeds of such rights, (c) all money, contract rights, general intangibles and Accounts held by the Trustee, (d) the covenants of the City and the State in the Indenture, in the Agreement, in the Assignment and in the Act, and (e) any and all other property of every kind and nature from time to time, by delivery or by writing of any kind, pledged, assigned or transferred as and for additional security. Except as specifically provided in the Indenture, this assignment and pledge does not include: (i) the rights of the Authority pursuant to provisions for consent or other action by the Authority, notice to the Authority, indemnity or the filing of documents with the Authority, or otherwise for its benefit and not for that of the Beneficiaries, or (ii) any right or power reserved to the Authority pursuant to the Act or other law. The Authority will implement, protect and defend this pledge by all appropriate legal action, the cost thereof to be an operating expense. The preceding, and all pledges and security interests made and granted by the Authority pursuant to the Indenture, are immediately valid, binding and perfected to the full extent provided by the Act. The foregoing collateral is pledged and a security interest is therein granted, to secure the payment of Bonds, Notes, and payments in respect of Senior Agreements and Subordinate Agreements; provided, however, that the pledge and security interest granted to secure the Authority's obligation to pay Subordinate Bonds and Subordinate Agreements shall be subject and subordinate to the pledge and security interest granted to secure Debt Service, and all Revenues, including the Building Aid, shall be applied in accordance with the Indenture. The lien of such pledge and the obligation to perform the contractual provisions made by the Indenture shall have priority over any or all other obligations and liabilities of the Authority secured by the Revenues. The Authority shall not incur any obligations, except as authorized by the Indenture, secured by a lien on the Revenues or Accounts equal or prior to the lien of the Indenture.

*Defeasance of the Indenture.* When (a) there is held by or for the account of the Trustee Defeasance Collateral in such principal amounts, bearing interest at such rates and with such maturities as will provide sufficient funds to pay or redeem all obligations to Beneficiaries in full (to be verified by a nationally recognized firm of verification agents or independent certified public accountants), (b) if any Bonds or Notes are to be redeemed prior to the maturity thereof, the Authority shall have taken all action necessary to redeem such Bonds or Notes and notice of such redemption shall have been duly given or irrevocable instructions to give notice shall have been given to the Trustee, and (c) all the rights of the Authority and the Trustee have been provided for, then upon written notice from the Authority to the Trustee, the Beneficiaries shall cease to be entitled to any benefit or security under the Indenture except the right to receive payment of the funds so held and other rights which by their nature cannot be satisfied prior to or simultaneously with termination of the lien, the security interests created by the Indenture (except in such funds and investments) shall terminate, and the Authority and the Trustee shall execute and deliver such instruments as may be necessary to discharge the Trustee's lien and security interests.

*Legal Defeasance of Particular Bonds.* If (a) any Bonds or Notes are identified as legally defeased in a Series Resolution pursuant to the Indenture, (b) there is held by or for the account of the Trustee Defeasance Collateral in such principal amounts, bearing fixed interest at such rates and with such maturities as will provide sufficient funds to pay or redeem all obligations to the Holders of such Bonds in full (to be verified by a nationally recognized firm of verification agents or independent certified public accountants), (c) the Authority has taken all action necessary to redeem any such Bonds or Notes to be redeemed prior to maturity and notice of such redemption has been duly given or irrevocable instructions to give notice have been given to the Trustee, and (d) unless otherwise specified by Series Resolution at issuance of the Bonds or Notes to be defeased, the Authority has delivered to the Trustee an opinion of Counsel to the effect that the Holders will not recognize income, gain or loss for federal income tax purposes as a result of such legal defeasance and will be subject to federal income tax on the same amounts (if any), in the same manner and at the same times as would have been the case if such legal defeasance had not occurred, *then* the Authority's obligations under the Indenture with respect to such Bonds or Notes shall terminate, the debt represented

thereby shall be legally satisfied, and the Holders shall cease to be entitled to any benefit or security under the Indenture except the right to receive payment of the funds so held and other rights which by their nature cannot be satisfied until such Bonds or Notes are actually paid. Upon such defeasance, the funds and investments required to pay or redeem the Bonds or Notes shall be irrevocably set aside for that purpose, and money held for defeasance shall be invested only as described above and applied to the retirement of the Bonds or Notes.

*Notes and Bonds of the Authority.* By Series Resolution complying procedurally and in substance with the Act and the Indenture, the Authority may authorize, issue, sell and deliver (i) Bonds or (ii) Notes in anticipation thereof, from time to time in such principal amounts as the Authority shall determine to be necessary, to provide sufficient funds to meet a Capital Financing Need, including paying and reimbursing Project Capital Costs, and funding reserves to secure Notes or Bonds; and may issue Notes or Bonds to renew or refund Notes or Bonds, by exchange, purchase, redemption or payment, and establish such escrows therefor as it may determine.

Bonds and Notes may be issued only:

- (i) as Senior Bonds (or Notes in anticipation thereof) to pay or reimburse Project Capital Costs or refund or renew such Bonds or Notes, but not to exceed \$12 billion in Outstanding principal amount, and subject to a \$330 million limit on Quarterly Debt Service to be payable, or
- (ii) as Subordinate Bonds (or Notes in anticipation thereof), with Rating Confirmation; but
- (iii) no Series of Senior Bonds shall be authenticated and delivered without Rating Confirmation except upon receipt by the Trustee of the following:
  - (w) a certificate by the Director of Management and Budget setting forth the most recent collections for the 12 consecutive calendar months ended not more than two months prior to the date of such certificate, of the Statutory Revenues, in effect at the date of issuance of such Series of Bonds, collected by the State and to be payable to the Authority; and
  - (x) an Officer's Certificate of the Authority setting forth
    - (I) the aggregate amount of Debt Service (excluding any accrued or capitalized interest), including such series of Bonds, for each Fiscal Year such Bonds will be Outstanding,
    - (II) the aggregate amount of operating expenses as estimated by an Authorized Officer of the Authority for the current Fiscal Year, and
    - (III) that the amounts set forth pursuant to clause (w) after deducting the operating expenses set forth pursuant to clause (x)(II), will be at least three times such aggregate amount set forth in clause (x)(I) for each Fiscal Year set forth pursuant to clause (x)(I).

Each interest rate on Outstanding and proposed variable-rate Bonds or Notes (if not economically fixed), shall be assumed at the maximum rate payable to investors other than parties to an ancillary contract.

The Notes and Bonds shall bear such dates and shall mature at such times as the Authority may provide pursuant to the Act. The Notes and Bonds shall bear interest at such fixed or variable rates, and shall be in such denomination, be in such form, either coupon or registered, carry such registration privileges, be executed in such manner, be payable in such medium of payment, at such place and be subject to such terms of redemption as the Authority may provide pursuant to the Act. The Notes and Bonds may be sold by the Authority at public or private sale pursuant to the Act.

*Documents to be Delivered to Trustee.* The Authority may from time to time request the authentication and delivery of a Series of Bonds or Notes by providing to the Trustee (among other things) the following:

(a) an Officer's Certificate to the effect that there is no default that will remain uncured immediately following such delivery, nor an uncured failure of the State or the City to comply with their respective agreements provided for in the Act, as in effect at the date of the Indenture; and

(b) an opinion of Counsel as to the due authorization, execution and delivery by the Authority of the Indenture and each relevant Supplemental Indenture; to the effect that the Series Resolution is in full force and effect and that the Bonds or Notes are valid and binding obligations of the Authority secured by the pledge of the Indenture; and after delivery of the first series of Bonds, to the effect that the issuance of the Bonds or Notes will not adversely affect the exclusion from gross income for federal income tax purposes of interest on Tax-Exempt Bonds or Tax-Exempt Notes theretofore issued (as set forth in the opinions delivered with such prior Bonds or Notes).

*Ancillary and Swap Contracts.* Pursuant to the Act, the Authority may enter into, amend or terminate, as it determines to be necessary or appropriate, any ancillary or swap contracts, including Senior Agreements, to facilitate the issuance, sale, resale, purchase, repurchase or payment of Bonds or Notes. The Authority may by Series Resolution provide for the payment through the Bond Account of amounts due on ancillary and swap contracts.

*Bond Anticipation Notes.* Whenever the Authority shall authorize the issuance of a Series of Bonds, the Authority may, by Series Resolution, authorize the issuance of Notes and renewals thereof in anticipation of such Series of Bonds. The interest on such Notes and renewals thereof may be made payable from the proceeds of such Notes, from the Bond Account, from the Recovery Account, from the School Bond Account or from the proceeds of renewal notes or the Series of Bonds in anticipation of which such Notes are issued. The proceeds of such renewal notes or Bonds may be pledged for the payment of the principal of or interest on such Notes, and any such pledge shall have a priority over any other pledge of such proceeds created by the Indenture. The Authority may also pledge the Revenues and, subject to the Indenture, the Accounts, to the payment of the principal of such Notes.

*Recovery Obligations and Other Parity Debt.* The Authority may from time to time request the authentication and delivery of a Series of Recovery Obligations or other Parity Debt by providing to the Trustee (among other things) the following at the delivery of Bonds or of Notes in anticipation thereof (but not both):

(i) a certificate by the Director of Management and Budget setting forth the collections for the most recent Fiscal Year ended at least two months prior to the date of such certificate, of the Statutory Revenues collected by the State and to be payable to the Authority; and

(ii) an Officer's Certificate of the Authority setting forth (x) the sum of \$1.32 billion and the aggregate amount of Subordinate Debt Service, including such Series of Bonds (assumed, at the delivery of Notes, to be issued at the Note maturity and to amortize over 30 years at an interest rate of 7%, with level debt service), for each Fiscal Year such Bonds will be Outstanding and (y) that the amounts set forth pursuant to clause (i) will be at least 3 times the sum set forth in clause (ii)(x) for each Fiscal Year set forth pursuant to clause (ii)(x).

*School Bonds and School Notes.* The Authority may from time to time request the authentication and delivery of a Series of School Bonds or School Notes by providing to the Trustee (among other things) the following at the delivery of such Bonds or of Notes in anticipation thereof (but not both) an Officer's Certificate setting forth:

(i) Annual School Bond Debt Service, including debt service on such Series of Bonds (assumed, at the delivery of Notes, to be issued at or prior to the Note maturity and to amortize and bear interest as specified in such Officer's Certificate) in each Series Fiscal Year, and

(ii) the Confirmed Building Aid payable in the Fiscal Year preceding each Series Fiscal Year, which shall be at least equal to the amount set forth in clause (i) for each Series Fiscal Year.

Each interest rate on Outstanding and proposed variable-rate Bonds or Notes (if not offset or economically fixed by a Qualified Swap, a liquidity account, or otherwise with School Bond Rating Confirmation), shall be assumed at the maximum rate payable to investors other than parties to an ancillary contract.

*Project Capital Costs.* Proceeds of the sale of the Bonds and Notes issued for capital purposes shall be promptly deposited in the Project Fund established under the Agreement to the extent set forth by Series Resolution, and applied to finance Project Capital Costs pursuant to the Act. The Authority shall transfer (i) its earnings on the Project Fund and (ii) after payment of all Costs of Issuance of a Series of Bonds, any excess amounts in the Costs of Issuance account of the Project Fund, to the Collection Account as Building Aid or Tax Revenues, or otherwise apply such earnings or excess amounts in accordance with the Tax Code pursuant to Officer's Certificate.

*Federal Proceeds Subaccount.* A Build America Subaccount has been established in the Project Fund, and redesignated the Federal Proceeds Subaccount. Proceeds of BABs, QSCBs and other federally subsidized Bonds shall be deposited in such subaccount and all money therein, including earnings, shall be applied in compliance with the Tax Code, the Indenture and the advice of Counsel. To the extent necessary for such compliance, the Authorized Officers of the Authority may subdivide such subaccount in respect of separate categories or issues of federally subsidized Bonds.

*Limited Purpose of Indenture.* The Indenture provides for the issuance and payment of the Authority's obligations and the financing and refinancing of Project Capital Costs. Except as set forth in the Agreement, the Authority, the City and the Trustee shall have no liability to each other or to the Beneficiaries for the construction, reconstruction, acquisition, installation, physical condition, ownership or operation of any Project.

*Application of Revenues.* Provision is made in the Act for the payment to the Authority of the Revenues, and the Authority has requested the State Comptroller to make such payments to the Collection Account to be held by the Trustee. Any Revenues received by the Authority shall be promptly deposited in the Collection Account. Two subaccounts are established in the Collection Account: the Tax Revenue Subaccount and the Building Aid Subaccount. Building Aid transferred to the Bond Account or the Recovery Account may be treated as an interfund advance and transferred to the School Bond Account or restored to the Building Aid Subaccount through an Officer's Certificate directing the transfer of Tax Revenues at the fourth level of priority. The transfers and payments of Revenues shall be appropriately adjusted by Officer's Certificate to reflect expected Revenues, the date of issue of Notes or Bonds, any accrued or capitalized interest deposited in the Accounts, actual rates of interest, any amount needed or held in the Accounts for Debt Service or other obligations, and any purchase or redemption of Notes or Bonds, so that there will be available on each payment date the amount necessary to pay Debt Service and other obligations from the designated source of Revenues and so that accrued or capitalized interest will be applied to the installments of interest to which it is applicable.

*Bond Account.* A Bond Account is established with the Trustee and money shall be deposited therein as provided in the Indenture. Accrued interest received upon the sale of Notes (if so specified by Series Resolution) or Senior Bonds shall be deposited in the Bond Account. Two subaccounts are established in the Bond Account: the Pre-'07 S-1 Senior Subaccount and the Post-'07 S-1 Senior Subaccount. The money in the Bond Account shall be held in trust and, except as otherwise provided, shall be applied solely to the payment of Senior Debt Service. If at any time the amount held in either subaccount exceeds the Full Requirement, the Trustee shall transfer such excess to the Collection Account as Tax Revenues. The Trustee shall pay, or transfer money from the applicable subaccount of the Bond Account to a Paying Agent in time for the Paying Agent to pay Debt Service when due in same-day funds.

*Redemption Account.* A Redemption Account is established with the Trustee and money shall be deposited therein as provided in the Indenture. The money and investments in such Account shall be held in trust and, except as otherwise specified in the Indenture, shall be applied by the Trustee to the redemption of Bonds and Notes. Upon direction by Officer's Certificate of the Authority, the Trustee shall apply money in the Redemption Account to the purchase of Bonds and Notes for cancellation at prices not exceeding (unless so directed by Officer's Certificate of the Authority) the price at which they are then redeemable (or next redeemable if they are not then redeemable), but not with money required to pay Bonds or Notes for which notice of redemption has been given. Accrued interest on the purchase of Bonds and Notes may be paid from the Bond Account (if so payable under the Indenture) or as directed by Officer's Certificate of the Authority.

When money in the Redemption Account is to be applied to the redemption of Notes or Bonds, the Trustee shall pay, or transfer such money to a Paying Agent in time for the Paying Agent to pay, such Notes or Bonds when due in same-day funds.

If on any date the amount in the Bond Account is less than the amount then required to be applied to pay Debt Service then due, the Trustee shall apply the amount in the Redemption Account (other than any sum irrevocably set aside for particular Notes or Bonds no longer Outstanding) to the extent necessary to meet the deficiency.

*Redemption of the Bonds and Notes.* The Authority may redeem Bonds and Notes at its option in accordance with their terms and shall redeem Bonds and Notes in accordance with their terms pursuant to any mandatory redemption (“sinking fund”) requirements established by Series Resolution. When Bonds or Notes are called for redemption, the accrued interest thereon shall become due on the redemption date. To the extent not otherwise provided, the Authority shall deposit with the Trustee on or prior to the redemption date a sufficient sum to pay the redemption price and accrued interest.

The Authority shall not by purchase or optional redemption cause Quarterly Debt Service to exceed \$330 million unless either cash is on hand therefor, held by the Authority or in the Redemption Account, or this limit has been modified by Officer’s Certificate of the Authority with Rating Confirmation.

Unless otherwise specified by Series Resolution, there shall, at the option of the Authority, be applied to or credited against any sinking fund requirement the principal amount of any such Bonds that have been defeased, purchased or redeemed and not previously so applied or credited. Defeased Bonds shall, at the option of the Authority, no longer be entitled, but may be subject, to the provisions thereof for mandatory redemption.

When Bonds or Notes are to be redeemed prior to maturity, the Trustee shall give notice in the name of the Authority, which notice shall identify the Bonds or Notes to be redeemed, state the date fixed for redemption and state that such Bonds or Notes will be redeemed at the corporate trust office of the Trustee or a Paying Agent. The notice shall further state that on such date there shall become due and payable upon each Bond or Note to be redeemed the redemption price thereof, together with interest accrued to the redemption date, and that money therefor having been deposited with the Trustee or Paying Agent, from and after such date, interest thereon shall cease to accrue. The Trustee shall give 30 days’ notice by mail, or otherwise transmit the redemption notice in accordance with the Indenture and any appropriate provisions of the LFL, to the registered owners of any Bonds or Notes which are to be redeemed, at their addresses shown on the registration books of the Authority. Such notice may be waived by any Holder of Bonds or Notes to be redeemed. Failure by a particular Holder to receive notice, or any defect in the notice to such Holder, shall not affect the redemption of any other Bond or Note.

Unless otherwise specified by Series Resolution: (i) if less than all the Outstanding Bonds or Notes of like Series and maturity are to be redeemed, the particular Bonds or Notes to be redeemed shall be selected by the Trustee by such method as it shall deem fair and appropriate and which may provide for the selection for redemption of portions (equal to any authorized denominations) of the principal of Bonds or Notes of a denomination larger than the minimum authorized denomination, and (ii) the Trustee shall redeem any and all Bonds or Notes held by the provider of an ancillary contract prior to any other Bonds or Notes redeemed hereunder unless otherwise directed by Officer’s Certificate of the Authority.

No Bonds or Notes may be optionally redeemed from the Building Aid Subaccount unless the Unfunded Balance is zero.

*Investments.* Pending its use under the Indenture, money in the Accounts may be invested by the Trustee in Eligible Investments maturing or redeemable at the option of the holder at or before the time when such money is expected to be needed and shall be so invested pursuant to written direction of the Authority if there is not then an Event of Default known to the Trustee. Investments shall be held by the Trustee in the respective Accounts and shall be sold or redeemed to the extent necessary to make payments or transfers from each Account.

Cash deposits in the Accounts shall be secured as and to the extent described in Sections 10.3 and 12 of the General Municipal Law of the State, as amended from time to time.

Except as otherwise specified, any interest realized on investments in any Account and any profit realized upon the sale or other disposition thereof shall be credited to the Collection Account. Interest realized on investments

in the Building Aid Subaccount or the School Bond Account and any profits realized upon the sale or other disposition thereof shall be credited to the Building Aid Subaccount.

The Trustee may hold undivided interests in Eligible Investments for more than one Account (for which they are eligible) and may make interfund transfers in kind.

If any money is invested under the Indenture and a loss results therefrom so that there are insufficient funds to pay Debt Service or to redeem Bonds or Notes called for redemption, then the deficiency shall be timely filled from Revenues (as Debt Service if so payable under the Indenture).

*Recovery and Parity Debt Account.* A Recovery and Parity Debt Account is established with the Trustee and money shall be deposited therein as provided in the Indenture or by Officer's Certificate. The Pre-'07 S-1 Parity Subaccount and the Post-'07 S-1 Parity Subaccount are established as subaccounts in the Recovery Account. The money in each subaccount of the Recovery Account shall be held in trust and, except as otherwise provided, shall be applied solely to the payments of Recovery Obligations and Parity Debt payable therefrom. If at any time the amount held in either subaccount exceeds the Full Requirement, the Trustee shall transfer such excess to the Collection Account as Tax Revenues. The Trustee shall pay, or transfer money from the applicable subaccount of the Recovery Account to a Paying Agent in time for such Paying Agent to pay Recovery Obligations and Parity Debt when due in same-day funds.

*School Bond Account.* A School Bond Account is established with the Trustee and money shall be deposited therein as provided in the Indenture or by Officer's Certificate. The money in the School Bond Account shall be held in trust and, except as otherwise provided, shall be applied solely to the payment of School Obligations. If at any time the Unfunded Balance is zero, the Trustee shall transfer any amount in the School Bond Account to the Collection Account as Building Aid. The Trustee shall pay, or transfer money from the School Bond Account to a Paying Agent in time for such Paying Agent to pay School Obligations when due in same-day funds.

*Application of Tax Revenues.* (a) Provision is made in the Act for the payment to the Authority of the Tax Revenues, and the Authority has requested the State Comptroller to make such payments to the Collection Account for application under the Indenture. Any Tax Revenues received by the Authority or the Trustee shall be promptly deposited in the Tax Revenue Subaccount and shall be applied upon receipt by the Trustee, in the following order of priority: *first* to the Bond Account to pay Debt Service pursuant to the Indenture; *second* to the Authority's operating expenses, which may include deposits to the Redemption Account for optional redemption and reserves to be held by the Authority for payment of operating expenses, in such amounts as may be determined by Officer's Certificate; *third* pursuant to Supplemental Indentures for the benefit of Noteholders, Subordinate Bondholders and parties to ancillary and swap contracts, to the extent such Supplemental Indentures may require application of Tax Revenues to pay items after payment of Debt Service and operating expenses; *fourth* pursuant to each Officer's Certificate making reference to this level of priority in accordance with the Indenture; and *fifth* daily or as soon as practicable but not later than the last day of each month, to the order of the City, free and clear of the lien of the Indenture.

(b) At the beginning of each Collection Quarter, the Trustee shall begin to transfer all Tax Revenues from the Tax Revenue Subaccount to each subaccount of the Bond Account in proportion to the unfunded balance of each First-Month Requirement, and shall continue such transfers until the amount in each subaccount is equal to the First-Month Requirement. On the first day of the second month of each Collection Quarter, the Trustee shall resume or continue such transfers, in proportion to the unfunded balance of each Full Requirement, until the Full Requirement is held in each subaccount. To the extent that Quarterly Debt Service includes principal, interest or premium on Bonds or Notes to be purchased or redeemed prior to maturity, such Debt Service may be paid through the Redemption Account, and the Authority may by Officer's Certificate direct the Trustee in writing to transfer Revenues thereto, rather than to the Bond Account.

(c) Pursuant to the third level of priority: at the beginning of each Collection Quarter, the Trustee shall begin to transfer all Tax Revenues to each subaccount of the Recovery Account in proportion to the unfunded balance of each First-Month Requirement, and shall continue such transfers until the amount in each subaccount is equal to the First-Month Requirement; and on the first Business Day of the second month of each Collection Quarter, the Trustee shall resume or continue such transfers, in proportion to the unfunded balance of each Full Requirement, until the Full Requirement is held in each subaccount. To the extent that Quarterly Subordinate Debt Service includes

principal, interest or premium on Bonds or Notes to be purchased or redeemed prior to maturity, or Revenues are available to pay principal of Notes, such amounts may be paid through the Redemption Account or an escrow fund, and the Authority may by Officer's Certificate direct the Trustee to transfer Revenues thereto.

The Authority may by Officer's Certificate estimate interest payable at a variable rate, or treat anticipated receipts from a Qualified Swap as offsets thereto.

Revenues shall in all events be transferred from the Collection Account to the Bond Account or the Redemption Account to provide for the timely payment of Debt Service on Pre-'07 Senior Bonds, and all Revenues shall be applied to pay Debt Service and other amounts then overdue pursuant to those provisions of the Indenture summarized below under "*Application of Money.*"

A Sinking Fund Subaccount is established in each of the Post-'07 S-1 Senior Subaccount and the Post-'07 S-1 Parity Subaccount for the redemption, at or prior to maturity, of such Sinking Fund Bonds as may be made payable therefrom. Tax Revenues shall be deposited in each Sinking Fund pursuant to the Sinking Fund Requirements specified by Series Resolution, which deposits may be adjusted to recognize early retirement of Bonds and earnings and profits on Eligible Investments in each Sinking Fund (if required by the Authority's tax covenants or directed by Officer's Certificate to be retained therein) and shall be provided for as Quarterly Senior Debt Service or Quarterly Subordinate Debt Service. Unless otherwise specified by Officer's Certificate, interest on the Sinking Fund Bonds shall be payable from the Post-'07 S-1 Senior Subaccount or the Post-'07 S-1 Parity Subaccount (exclusive of each Sinking Fund).

*Application of Building Aid.* (a) Provision is made by the Act and the Assignment for the payment to the Authority of the Confirmed Building Aid and the Incremental Building Aid, and the Authority has requested the State Comptroller to make such payments to the Collection Account. Any Building Aid received by the Authority or the Trustee shall be promptly deposited in the Building Aid Subaccount and shall be applied by the Trustee pursuant to the Indenture, in the following order of priority, as implemented in part by provisions described below: *first* to Pre-'07 S-1 Senior Bonds; *second* to the Authority's operating expenses, which may include reserves to be held by the Authority for payment of operating expenses, in such amounts as may be determined by Officer's Certificate, but excluding operating expenses properly allocable to Post-'07 S-1 Senior Debt and Post-'07 S-1 Parity Debt; *third* to Pre-'07 S-1 Parity Debt and then to School Obligations; and *fourth* daily or as soon as practicable but not later than the last day of each month, to the order of the City, free and clear of the lien of the Indenture.

(b) To provide for the timely payment of School Obligations subject to the rights of the Holders of Pre-'07 S-1 Senior Bonds and Pre-'07 S-1 Parity Debt, money in the Building Aid Subaccount shall be retained therein until transferred as follows:

(1) at any time, to the Pre-'07 S-1 Senior Subaccount or the Pre-'07 S-1 Parity Subaccount, in that order of priority, to pay Pre-'07 S-1 Senior Bonds or Pre-'07 S-1 Parity Debt then due and not otherwise provided for;

(2) in the first month of each Collection Quarter, (A) to the School Bond Account beginning the first day when (i) the Pre-'07 S-1 Senior Subaccount and the Pre-'07 S-1 Parity Subaccount have been funded to their First-Month Requirements and (ii) the Remaining Building Aid is not more than 110% of the Unfunded Balance, and continuing until the earlier of (x) the end of the month and (y) the day when the Unfunded Balance is zero; and (B) to the order of the City, if no transfer to the School Bond Account is required, beginning the first day when both the Pre-'07 S-1 Senior Subaccount and the Pre-'07 S-1 Parity Subaccount have been funded to their First-Month Requirements and continuing until the end of the month; and

(3) in the second and third months of each Collection Quarter, (A) to the School Bond Account beginning the first day when (i) the Pre-'07 S-1 Senior Subaccount and the Pre-'07 S-1 Parity Subaccount have been funded to their Full Requirements and (ii) the Remaining Building Aid is not more than 110% of the Unfunded Balance, and continuing until the earlier of (x) the end of the Collection Quarter and (y) the day when the Unfunded Balance is zero; (B) to the order of the City, if no transfer to the School Bond Account is required, beginning when both the Pre-'07 S-1 Senior Subaccount and the Pre-'07 S-1 Parity Subaccount

are funded to their Full Requirements and continuing until the end of the Collection Quarter; and (C) on the last Business Day of the Collection Quarter, to the Pre-'07 S-1 Senior Subaccount and then the Pre-'07 S-1 Parity Subaccount until both of them have been funded to their Full Requirements; then to the School Bond Account, if the Remaining Building Aid is not more than 110% of the Unfunded Balance, until the Unfunded Balance is zero; and then to the order of the City.

A Sinking Fund Subaccount is established in the School Bond Account for the redemption, at or prior to maturity, of such Sinking Fund Bonds as may be made payable therefrom. Building Aid shall be deposited in such Sinking Fund pursuant to the Indenture, which deposits may be adjusted to recognize early retirement of Bonds and earnings and profits on Eligible Investments in the Sinking Fund (if required by the Authority's tax covenants or directed by Officer's Certificate to be retained therein) and shall be provided for as Annual School Bond Debt Service. Unless otherwise specified by Officer's Certificate, interest on the Sinking Fund Bonds shall be payable from the School Bond Account (exclusive of the Sinking Fund).

*Application of Federal Subsidy.* (a) A Federal Subaccount and a BAB Subaccount have been established in the Collection Account, and redesignated the Federal Collection Subaccount and the Federal Bond Subaccount, respectively. The Federal Subsidy shall be deposited in the Federal Collection Subaccount and retained therein until transferred as follows:

(1) at any time, to the Pre-'07 S-1 Senior Subaccount or the Pre-'07 S-1 Parity Subaccount, in that order of priority, to pay Pre-'07 S-1 Senior Bonds or Pre-'07 S-1 Parity Debt then due and not otherwise provided for;

(2) in the first month of each Collection Quarter, beginning the first day when both the Pre-'07 S-1 Senior Subaccount and the Pre-'07 S-1 Parity Subaccount have been funded to their First-Month Requirements and continuing until the end of the month, to the Federal Bond Subaccount or, if so directed by Officer's Certificate, to the order of the City; and

(3) in the second and third months of each Collection Quarter, (A) to the Federal Bond Subaccount, beginning when both the Pre-'07 S-1 Senior Subaccount and the Pre-'07 S-1 Parity Subaccount have been funded to their Full Requirements and continuing until the end of the Collection Quarter, and (B) on the last Business Day of the Collection Quarter, to the Pre-'07 S-1 Senior Subaccount and then the Pre-'07 S-1 Parity Subaccount until both of them have been funded to their Full Requirements; and then to the Federal Bond Subaccount or, if so directed by Officer's Certificate, to the order of the City.

Money in the Federal Bond Subaccount shall be applied to principal of and interest on Bonds (not including Tax-Exempt Bonds unless such application is permitted by the Authority's tax covenants) or, if so directed by Officer's Certificate, paid to the order of the City.

*Purchase of HYIC Obligations.* The Authority may apply Tax Revenues available at the fourth level of priority to the purchase of obligations of HYIC (not exceeding the amounts specified by Supplemental Indentures approved by unanimous vote of the Directors of the Authority), which HYIC obligations shall be held by the Authority.

*Contract; Obligations to Beneficiaries.* In consideration of the purchase and acceptance of any or all of the Bonds and Notes and ancillary and swap contracts by those who shall hold the same from time to time, the provisions of the Indenture shall be a part of the contract of the Authority with the Beneficiaries, and shall be deemed to be and shall constitute contracts among the Authority, the Trustee, the City to the extent specified in the Agreement, the Beneficiaries from time to time and, to the extent specified in the Act, the State. The pledge made in the Indenture and the covenants therein set forth to be performed by the Authority, the City and the State shall be for the equal benefit, protection and security of the Beneficiaries of the same priority. All of the Bonds or Notes or ancillary or swap contracts of the same priority, regardless of the time or times of their issuance or maturity, shall be of equal rank without preference, priority or distinction of any thereof over any other except as expressly provided pursuant to the Indenture and the Act.

The Authority shall pay when due all sums payable on the Bonds and Notes, from the Revenues and money designated in the Indenture, subject only to (i) the Act and the Indenture, and (ii) to the extent permitted by the Act

and the Indenture, (x) agreements with Holders of Outstanding Bonds and Notes pledging particular collateral for the payment thereof and (y) the rights of Beneficiaries under ancillary and swap contracts. The obligation of the Authority to pay principal, interest and redemption premium, if any, to the Holders of Bonds and Notes shall be absolute and unconditional, shall be binding and enforceable in all circumstances whatsoever, and shall not be subject to setoff, recoupment or counterclaim. The Authority shall also pay its operating expenses.

*Enforcement.* The Authority shall enforce or cause the Trustee to enforce by appropriate legal proceedings, each covenant, pledge or agreement made by the City or the State in the Indenture or in or pursuant to the Act for the benefit of any of the Beneficiaries, including the Assignment and the related provisions of the School Financing Act.

The Authority shall:

- (1) protect and defend, as an operating expense, its and the Trustee's claim to every material portion of the Building Aid, and the Fiduciaries shall cooperate therein at the Authority's expense;
- (2) with the Fiduciaries, as aforesaid, and the City pursuant to the Assignment (a) contest any Competing Claim to any material portion of the Building Aid that (i) it deems factually or legally unfounded, or (ii) is based on constitutional, statutory or regulatory ambiguity, on any provision of the Education Law, or on any action or failure to act of the City; and (b) cooperate with the Holders in filing and prosecuting any claim made by Holders under §99-b of the State Finance Law and in opposing any Competing Claim;
- (3) provide the calculations contemplated by the MOU; and
- (4) not agree to any modification of the MOU that is materially adverse to the Holders of the School Bonds. Without limitation, a modification that receives School Bond Rating Confirmation is not materially adverse to such Holders.

*Sales Taxes.* For each fiscal year of the City for which the Mayor has given a notice to the State Comptroller pursuant to the State Covenant in the Act, the Authority shall request the State Comptroller to schedule payments of Sales Taxes to the Authority, based on the Authority's projections of Personal Income Taxes and debt service, so that the Authority will receive Tax Revenues in each Collection Quarter sufficient to pay its obligations payable therefrom but in all events at least equal to the Quarterly Debt Service. Such requests shall be modified, as often as necessary, to reflect experience and revised projections.

*Federal Subsidy.* The Authority shall take all actions as may be required, under the Tax Code or otherwise, (1) for timely receipt of the Federal Subsidy and (2) fully to preserve, maintain, defend, protect and confirm the interest of the Trustee in the Federal Subsidy. The Authority will not take any action that will adversely affect the Trustee's ability to receive the Federal Subsidy and will promptly pay over to the Trustee any Federal Subsidy received by the Authority.

*Tax Covenant.* The Authority shall at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Authority on Tax-Exempt Bonds and Tax-Exempt Notes shall be excludable from gross income for federal income tax purposes pursuant to §103(a) of the Tax Code; and no funds of the Authority shall at any time be used directly or indirectly to acquire securities or obligations the acquisition or holding of which would cause any Tax-Exempt Bond or Tax-Exempt Note to be an arbitrage bond as defined in such Code and any applicable Regulations issued thereunder. If and to the extent required by the Code, the Authority shall periodically, at such times as may be required to comply with the Code, pay from the Project Fund or as an operating expense the amount, if any, required by the Code to be rebated thereto or paid as a related penalty.

*Accounts and Reports.* (a) The Authority shall:

- (1) cause to be kept books of account in which complete and accurate entries shall be made of its transactions relating to all funds and accounts under the Indenture, which books shall at all reasonable times be subject to the inspection of the City, the Trustee and the Holders of an aggregate of not less than 25% in principal amount of Bonds and Notes then Outstanding or their representatives duly authorized in writing;

(2) annually, within 185 days after the close of each fiscal year, deliver to the Trustee and each Rating Agency, a copy of its audited financial statements for such fiscal year;

(3) keep in effect at all times an accurate and current schedule of all Quarterly Debt Service to be payable during the life of then Outstanding Bonds, Notes and Senior Agreements secured by the Bond Account; of Remaining Building Aid, and of amounts payable from the Recovery Account and the School Bond Account; certifying for the purpose such estimates as may be necessary; and

(4) deliver to each Rating Agency a quarterly statement of cash flows, including Revenues received, transfers to the Accounts, Bonds and Notes issued, and payments of principal and interest, and an annual statement of the State's costs in administering, collecting and distributing the Tax Revenues.

(b) To implement the State Covenant, the Chairperson of the Authority shall, not less than 30 days prior to the beginning of each City fiscal year, certify to the State Comptroller, the Governor, and the Directors of the Authority a schedule of maximum annual debt service payments due on the Bonds and Notes respectively then Outstanding.

(c) The Authority shall deliver to the Trustee and each Rating Agency, not less often than quarterly, an Officer's Certificate showing (i) Revenues on a pro-forma basis for the current fiscal year and each of the two preceding fiscal years, as received, expected and adjusted as if current statutes had been in effect for the three-year period; (ii) Debt Service to be paid in the next three fiscal years; and (iii) whether such Revenues are at least 150% of such Debt Service.

*Ratings.* Unless otherwise specified by Series Resolution, the Authority shall pay such reasonable fees and provide such available information as may be necessary to obtain and keep in effect ratings on all the Senior Bonds and the School Bonds from at least two nationally recognized statistical rating organizations.

*No Other Business.* The Authority shall not engage in any line of business not contemplated by the Act.

*City Covenant.* The Authority includes in the Indenture the City's pledge and agreement with the Holders of the Outstanding Bonds and Notes that the City will not limit or alter the rights vested in the Authority by the Act to fulfill the terms of any agreements made with such Holders pursuant to the Act, or in any way impair the rights and remedies of such Holders or the security for such Bonds and Notes until such Bonds and Notes, together with the interest thereon and all costs and expenses in connection with any action or proceeding by or on behalf of such Holders, are fully paid and discharged. This City Covenant shall not be deemed to restrict any right the City may have to amend, modify or otherwise alter local laws imposing or relating to the Personal Income Taxes so long as, after giving effect to such amendment, modification or other alteration, the amount of Tax Revenues projected by the Mayor to be available to the Authority during each of its fiscal years following the effective date of such amendment, modification or other alteration shall not be less than 150% of maximum annual debt service on the Bonds.

*No Indebtedness or Funds of City.* The Indenture does not constitute indebtedness of the City for purposes of §20.00 of the LFL or any constitutional or statutory limitation. The Authority's revenues are not funds of the City.

*State Covenants and Tax Contract.* The Authority includes in the Indenture:

(a) the State's pledge and agreement with the Holders of Outstanding Bonds and Notes that the State will not limit or alter the rights vested in the Authority by the Act to fulfill the terms of any agreements made with the Holders, or in any way impair the rights and remedies of such Holders or the security for the Bonds and Notes until such Bonds and Notes, together with the interest thereon, and all costs and expenses in connection with any action or proceeding by or on behalf of such Holders, are fully paid and discharged;

(b) the further terms of §2799-ii of the Act to the effect that: Nothing contained in this covenant shall be deemed to restrict the right of the State to amend, modify, repeal or otherwise alter statutes imposing or relating to the Personal Income Taxes, but such taxes payable to the Authority shall in all events continue to be so payable so long as any such taxes are imposed. Not less than 30 days prior to the beginning of each City fiscal year, the

Chairperson of the Authority shall certify to the State Comptroller, the Governor, and the members of the Board of Directors of the Authority a schedule of maximum annual debt service payments due on the Bonds and Notes then Outstanding. To the extent that Personal Income Taxes payable to the Authority during such fiscal year are projected by the Mayor to be insufficient to meet at least 150% of maximum annual debt service on the Bonds then Outstanding, the Mayor shall so notify the State Comptroller and the State Comptroller shall pay to the Authority from Sales Taxes such amount as is necessary to provide at least 150% of such maximum annual debt service on the Bonds. Nothing in this covenant shall be deemed to obligate the State to make any additional payments or impose any taxes to satisfy the obligations of the Authority;

(c) subdivision 4 of §2799-tt of the Act (added by the School Financing Act) to the effect that: The State Covenant shall be fully applicable to School Bonds and School Notes and may be included in any agreement with the Holders thereof. Nothing contained in this covenant shall be deemed to restrict the right of the State to amend, modify, repeal or otherwise alter statutes relating to the Building Aid, but such Building Aid shall in all events (i) continue to be so payable, as assigned, so long as any such Building Aid is paid and (ii) continue to be calculated in accordance with the same formula used for such calculation, and otherwise on the same basis as such aid is calculated, on the date that the applicable project is approved for reimbursement;

(d) the last paragraph of §99-b of the State Finance Law (as amended by the School Financing Act) to the effect that: The State hereby covenants with the Holders of the School Bonds and School Notes that it will not repeal, revoke or rescind the provisions of this section or amend or modify the same so as to limit, impair or impede the rights and remedies granted hereby; provided, however, that nothing in this section shall be deemed or construed as requiring the State to continue the payment of aid or assistance to any city, city school district or school district or as limiting or prohibiting the State from repealing or amending any law heretofore or hereafter enacted relating to aid or assistance, the manner and time of payment or apportionment thereof, or the amount thereof; and

(e) the tax contract of the State in the Act, to the effect that: “It is hereby determined that the creation of the Authority and the carrying out of its corporate purposes is in all respects for the benefit of the people of the state of New York and is a public purpose. Accordingly, the Authority shall be regarded as performing an essential governmental function in the exercise of the powers conferred upon it by this title, and the Authority shall not be required to pay any fees, taxes, special ad valorem levies or assessments of any kind, including, but not limited to, franchise taxes, sales taxes or other taxes, upon or with respect to any property owned by it or under its jurisdiction, control or supervision, or upon the uses thereof, or upon or with respect to its activities or operations in furtherance of the powers conferred upon it by this title, or upon or with respect to any fares, tolls, rentals, rates, charges, fees, revenues or other income received by the Authority. Any Bonds issued pursuant to this title together with the income therefrom shall at all times be exempt from taxation. The State hereby covenants with the purchasers and with all subsequent holders and transferees of bonds issued by the Authority pursuant to this title, in consideration of the acceptance of and payment for the bonds, that the bonds of the Authority issued pursuant to this title and the income therefrom and all revenues, monies, and other property pledged to pay or to secure the payment of such bonds shall at all times be free from taxation.”

*Authority Acknowledgments.* (a) The Authority acknowledges that the City’s covenants and pledge and agreement for the benefit of the Holders, and the State Covenant and Tax Contract, constitute important security provisions of the Outstanding Bonds and Notes, and to the fullest extent permitted by applicable federal and State law, waives any right to assert any claim to the contrary and agrees that it will neither in any manner directly or indirectly assert, nor in any manner directly or indirectly support the assertion by the City, the State or any other person of, any such claim to the contrary.

(b) By acknowledging that the City’s covenants and pledge and agreement for the benefit of the Holders, and the State Covenant and Tax Contract, constitute important security provisions of the Bonds and Notes, the Authority also acknowledges, to the fullest extent permitted by applicable federal and State law, that, in the event of any failure or refusal by the City or the State to comply therewith, the Holders of the Bonds or Notes may have suffered monetary damages, the extent of the remedy for which may be, to the fullest extent permitted by applicable federal and State law, determined, in addition to any other remedy available at law or in equity, in the course of any action taken pursuant to the Indenture; and to the fullest extent permitted by applicable federal and State law, the Authority waives any right to assert any claim to the contrary and agrees that it will neither in any manner directly or

indirectly assert, nor in any manner directly or indirectly support the assertion by the City, the State or any other person of, any claim to the effect that no such monetary damages have been suffered.

(c) The Authority confirms that the acknowledgments and agreements summarized forth in paragraphs (a) and (b) above have been included as a result of negotiations with the underwriters of the first series of Bonds and may further acknowledge in any Series Resolution if and the extent to which any provision of the Indenture has been amended, or any provision of such Series Resolution has been included therein, as a result of the same or similar negotiations.

*Rights and Duties of the Fiduciaries.* The Fiduciaries shall not be required to monitor the financial condition of the Authority or the physical condition of any Project and, unless otherwise expressly provided, shall not have any responsibility with respect to reports, notices, certificates or other documents filed with them under the Indenture, except to make them available for inspection by Beneficiaries.

Upon a failure of the Authority to make a payment of Debt Service when due or a failure actually known to an Authorized Officer of the Trustee to make any other required payment within 7 days after the same becomes due and payable, the Trustee shall give written notice thereof to the Authority. The Trustee shall give notices of default when instructed to do so by the written direction of another Fiduciary or the owners of at least 25% in principal amount of the Outstanding Senior Bonds or with respect to specified events, if actually known to an Authorized Officer of the Trustee. The Trustee shall proceed under the Indenture for the benefit of the Holders in accordance with the written directions of a Majority in Interest of the Outstanding Senior Bonds. The Trustee shall not be required to take any remedial action (other than the giving of notice) unless reasonable indemnity is furnished for any expense or liability to be incurred therein.

The Trustee shall give notices of default under the City Covenant when instructed to do so by the written direction of another Fiduciary or the owners of at least 25% in principal amount of the Outstanding School Bonds; of if the Event of Default or other event is actually known to an Authorized Officer of the Trustee. The Trustee shall proceed under the remedy provisions of the Indenture for the benefit of the Holders in accordance with the written directions of a Majority in Interest of the Outstanding School Bonds.

Upon receipt of written notice, direction or instruction and indemnity, and after making such investigation, if any, as it deems appropriate to verify the occurrence of any event of which it is notified as aforesaid, the Trustee shall promptly pursue the remedy provided by the Indenture or any such remedies (not contrary to any such direction) as it deems appropriate for the protection of the Holders, and in its actions under this sentence, the Trustee shall act for the protection of the Holders with the same promptness and prudence as would be expected of a prudent person in the conduct of such person's own affairs.

Each Fiduciary shall be entitled to the advice of counsel (who may be counsel for any party) and shall not be liable for any action taken in good faith in reliance on such advice. Each Fiduciary may rely conclusively on any notice, certificate or other document furnished to it under the Indenture and reasonably believed by it to be genuine. A Fiduciary shall not be liable for any action taken or omitted to be taken by it in good faith and reasonably believed by it to be within the discretion or power conferred upon it, or taken by it pursuant to any direction or instruction by which it is governed under the Indenture or omitted to be taken by it by reason of the lack of direction or instruction required for such action, or be responsible for the consequences of any error of judgment reasonably made by it. When any payment or consent or other action by a Fiduciary is called for by the Indenture, the Fiduciary may defer such action pending receipt of such evidence, if any, as it may reasonably require in support thereof. A permissive right or power to act shall not be construed as a requirement to act.

The Authority shall, as an operating expense, indemnify and save each Fiduciary harmless against any expenses and liabilities (including reasonable legal fees and expenses) that it may incur in the exercise of its duties under the Indenture and that are not due to its negligence or bad faith. This paragraph shall survive the discharge of the Indenture or the earlier resignation or removal of such Fiduciary.

Any fees, expenses, reimbursements or other charges which any Fiduciary may be entitled to receive from the Authority, if not otherwise paid, shall be a first lien upon (but only upon) any funds held by the Trustee for payment of operating expenses.

*Paying Agents.* The Authority designates the Trustee a Paying Agent. The Authority may appoint additional Paying Agents, generally or for specific purposes, may discharge a Paying Agent from time to time and may appoint a successor. The Authority shall designate a successor if the Trustee ceases to serve as Paying Agent. Each Paying Agent shall be a bank or trust company eligible under the Act, and unless otherwise provided by Series Resolution, shall have a capital and surplus of not less than \$50,000,000 and be registered as a transfer agent with the Securities and Exchange Commission. The Authority shall give notice of the appointment of a successor to the Trustee as Paying Agent in writing to each Beneficiary shown on the books of the Trustee. A Paying Agent may but need not be the same person as the Trustee. Unless otherwise provided by the Authority, the Trustee as Paying Agent shall act as Bond and Note registrar and transfer agent. Each Paying Agent shall act as paying agent with respect to any allotments, apportionments or payments forwarded to it by the State pursuant to §99-b of the State Finance Law.

*Resignation or Removal of the Trustee.* The Trustee may resign on not less than 30 days' written notice to the Authority and the Holders. The Trustee will promptly certify to the Authority that it has given written notice to all Holders and such certificate will be conclusive evidence that such notice was given as required by the Indenture. The Trustee may be removed by written notice from the Authority (if not in default) or a Majority in Interest of the Outstanding Senior Bonds to the Trustee and the Authority. Such resignation or removal shall not take effect until a successor has been appointed.

*Successor Fiduciaries.* Any corporation or association which succeeds to the municipal corporate trust business of a Fiduciary as a whole or substantially as a whole, whether by sale, merger, consolidation or otherwise, shall thereby become vested with all the property, rights, powers and duties thereof under the Indenture, without any further act or conveyance.

In case a Fiduciary resigns or is removed or becomes incapable of acting, or becomes bankrupt or insolvent, or if a receiver, liquidator or conservator of a Fiduciary or of its property is appointed, or if a public officer takes charge or control of a Fiduciary, or of its property or affairs, then such Fiduciary shall with due care terminate its activities and a successor may, or in the case of the Trustee shall, be appointed by the Authority. If no appointment of a successor Trustee is made within 45 days after the giving of written notice of resignation or after the occurrence of any other event requiring or authorizing such appointment, the outgoing Trustee or any Holder may apply to any court of competent jurisdiction for the appointment of such a successor, and such court may thereupon, after such notice, if any, as such court may deem proper, appoint such successor. Any successor Trustee shall be a trust company or a bank having the powers of a trust company, located in the State, having a capital and surplus of not less than \$50,000,000.

*No Statutory Trustee.* Pursuant to the Act, the rights of the Holders of Bonds and Notes to appoint a statutory trustee are abrogated.

*Fiduciaries for Notes and Subordinate Bonds.* The Authority may by Series Resolution provide for the appointment of a Fiduciary (which may be the Trustee) to represent the Holders of Notes or Subordinate Bonds, having powers and duties not inconsistent with the Indenture or the Act.

*Registered Owners.* The enumeration of certain provisions applicable to DTC as Holder of immobilized Notes and Bonds shall not be construed in limitation of the rights of the Authority and each Fiduciary to rely upon the registration books in all circumstances and to treat the registered owners of Notes and Bonds as the owners thereof for all purposes not otherwise specifically provided for by law or in the Indenture. Notwithstanding any other provisions of the Indenture, any payment to the registered owner of a Note or Bond shall satisfy the Authority's obligations thereon to the extent of such payment.

*Events of Default; Default.* "Event of Default" in the Indenture means any one of the events set forth below and "default" means any Event of Default without regard to any lapse of time or notice.

(a) The Authority shall fail to pay when due any interest, principal or redemption premium on a Note or Bond.

(b) The Authority shall fail to make any other required payment to the Trustee or other Fiduciary and such failure is not remedied within 7 days after written notice thereof is given by the Trustee or other Fiduciary to the Authority.

(c) The Authority shall fail to observe or perform any of its other agreements, covenants or obligations under the Indenture and such failure is not remedied within 30 days after written notice thereof is given by the Trustee to the Authority.

(d) Specified events of insolvency or bankruptcy of the Authority.

(e) The State shall (i) amend, alter, repeal or fail to comply with the State Covenant or its tax contract in the Act as in effect on the date of issuance of the first Series of Bonds or (ii) enact a moratorium or other similar law affecting the Bonds or Notes or (iii) amend, modify, repeal or otherwise alter, in any material respect, (y) the requirement of §1313 of the Tax Law that: “The comptroller, after reserving such refund fund and such costs shall, commencing on or before the fifteenth day of each month, pay to the New York City transitional finance authority on a daily basis the balance of Personal Income Taxes” or (z) the requirement of §2799-ii of the Act that: “To the extent that the tax revenues payable to the authority under section thirteen hundred thirteen of the tax law during such fiscal year are projected by the mayor to be insufficient to meet at least one hundred fifty percent of maximum annual debt service on authority bonds then outstanding, the mayor shall so notify the state comptroller and the state comptroller shall pay to the authority from” Alternative Revenues such amount as is necessary to provide at least 150% of the maximum annual debt service on the Bonds.

(f) The State Comptroller shall fail or refuse to comply with any provision of law in effect for the benefit of the Authority.

(g) The City shall fail to observe or perform any of its agreements, covenants or obligations under the Agreement for the benefit of the Holders and such failure is not remedied within 30 days after written notice thereof is given by the Trustee to the City and the Authority or by the Authority to the Trustee and the City.

(h) Any Officer’s Certificate delivered pursuant to paragraph (c) described in “*Accounts and Reports*” above shall show estimated Revenues to be less than 150% of Debt Service.

*Remedies of the Trustee.* If an Event of Default occurs and is continuing: (1) The Trustee may, and upon written request of the Holders of 25% in principal amount of the Senior Bonds Outstanding shall, in its own name by action or proceeding in accordance with the Civil Practice Law and Rules: (a) enforce all rights of the Holders and require the Authority or, to the extent permitted by law, the State or the City to carry out its agreements with the Holders and to perform its duties under the Act; (b) sue upon such Bonds and Notes; (c) require the Authority to account as if it were the trustee of an express trust for the Holders of such Bonds and Notes; and (d) enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of such Bonds and Notes. (2) The Trustee shall, in addition, have and possess all of the powers necessary or appropriate for the exercise of any functions specifically set forth in the Act or incident to the general representation of Holders in the enforcement and protection of their rights. (3) If such Event of Default is described in clause (a), (d), (e)(iii) or (h) under “*Events of Default; Default*” above, the Trustee shall (a) give written notice thereof to the Authority, the Holders, specified public officials and public bodies so stated in the Indenture, and (b) if so directed by a Majority in Interest of the Senior Bonds, and having given 30 days’ notice to the Authority, declare the principal amount of all Bonds and Notes to be, and the same shall become, due and payable.

*Note and Subordinate Bond Remedies.* Subject to the prior application of the Accounts to pay Debt Service and to the Indenture, the Holders of Notes or Subordinate Bonds, other Beneficiaries, or a Fiduciary appointed for them, may enforce the provisions of the Indenture for their benefit by appropriate legal proceedings.

*School Bond Remedies.* To the extent not inconsistent with the Act or the Indenture as in effect prior to the issuance of the first Series of School Bonds: if (i) there occurs and is continuing any Event of Default, or (ii) the State shall amend, alter, repeal or fail to comply with its covenant respecting the Building Aid, or (iii) the City shall fail to observe or perform any of its agreements, covenants or obligations under the Assignment for the benefit of the Holders

and such failure is not remedied within 30 days after written notice thereof is given by the Trustee to the City and the Authority or by the Authority to the Trustee and the City, then:

(a) The Trustee may, and upon written request of the Holders of 25% in principal amount of the School Bonds Outstanding shall, in its own name by action or proceeding in accordance with the Civil Practice Law and Rules;

(1) enforce all rights of the Holders and require the Authority or, to the extent permitted by law, the State or the City to carry out its agreements with the Holders and to perform its duties under the Act;

(2) sue upon such Bonds and Notes;

(3) require the Authority to account as if it were the trustee of an express trust for the Holders of such Bonds and Notes; and

(4) enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of such Bonds and Notes.

(b) The Trustee shall have and possess all of the powers necessary or appropriate for the exercise of any functions specifically set forth in the Act or incident to the general representation of Holders of School Bonds and School Notes in the enforcement and protection of their rights.

*Individual Remedies.* No one or more Holders shall by his or their action affect, disturb or prejudice the pledge created by the Indenture, or enforce any right under the Indenture, except in the manner therein provided; and all proceedings at law or in equity to enforce any provision of the Indenture shall be instituted, had and maintained in the manner provided therein and for the equal benefit of all Beneficiaries of the same class; but nothing in the Indenture shall affect or impair the right of any Holder of any Bond or Note to enforce payment of the principal thereof, premium, if any, or interest thereon at and after the maturity thereof, or the obligation of the Authority to pay such principal, premium, if any, and interest on each of the Bonds and Notes to the respective Holders thereof at the time, place, from the source and in the manner expressed in the Indenture and in the Bonds and Notes.

*Venue.* The venue of every action, suit or special proceeding against the Authority shall be laid in the County of New York.

*Waiver.* If the Trustee determines that a default has been cured before the entry of any final judgment or decree with respect to it, the Trustee may waive the default and its consequences, by written notice to the Authority, and shall do so upon written instruction of the Holders of at least 25% in principal amount of the Outstanding Senior Bonds.

*Application of Money.* If available money in the Accounts is not sufficient on any day to pay all Debt Service, Subordinate Bonds and Subordinate Agreements then due or overdue, such money (subject to the payment of Bonds or Notes no longer Outstanding and to the priorities established by the Indenture) shall be applied *first* to the Trustee's fees and other costs of collecting and applying the Revenues and administering the accounts; *second* to the payment of interest, including interest on overdue principal, in the order in which the same became due (pro rata with respect to interest which became due at the same time), and if the amount available shall not be sufficient to pay in full any installment or installments of interest or obligations with respect to Senior Agreements maturing on the same date, then to the payment thereof ratably, according to the amounts due in respect of each item of Debt Service without priority or preference of any item over any other; *third* to the payment of principal (including sinking fund installments) and redemption premiums, if any, without regard to the order in which the same became due (in proportion to the amounts due), and if the amount available shall not be sufficient to pay in full all principal, premium or obligations with respect to Senior Agreements maturing on the same date, then to the payment thereof ratably, according to the amounts due in respect of each item of Debt Service without priority or preference of any item over any other and, if the amount available shall not be sufficient to pay in full all principal due on any date, then to the payment thereof ratably, according to the amounts due in respect of each item of Debt Service, without priority or preference of any Bond over any other; and *fourth* to the payment of any Notes (to the extent not paid as Debt Service),

Subordinate Bonds and Subordinate Agreements then due and, if the amounts available are insufficient to pay in full all such subordinated payment obligations, then to the payment thereof ratably, in accordance with the priorities established by the Indenture but otherwise without preference or priority of any such item over any other. For this purpose, Debt Service on Senior Agreements shall be characterized in accordance with their financial terms and interest on overdue principal shall be treated as coming due on the first day of each month. Whenever money is to be applied pursuant to this provision of the Indenture, such money shall be applied at such times, and from time to time, as the Trustee in its discretion shall determine, having due regard to the amount of such money available for application and the likelihood of additional money becoming available for such application in the future. Upon the exercise of such discretion the Trustee shall fix the date (which shall be the first of a month unless it deems another date more suitable) upon which such application is to be made, and upon such date interest on the principal then provided for shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date. When interest or a portion of the principal is to be paid on an overdue Bond or Note, the Trustee may require presentation of the Bond or Note for endorsement of the payment.

*Supplements and Amendments.* (a) The Indenture may be

(1) supplemented by delivery to the Trustee of an instrument certified by an Authorized Officer of the Authority and executed or approved by the Mayor and Comptroller to the extent, if any, required by the Act, to (A) provide for earlier or greater deposits into the Bond Account, (B) subject any property to the lien of the Indenture, (C) add to the covenants and agreements of the Authority or surrender or limit any right or power of the Authority, (D) identify particular Notes or Bonds for purposes not inconsistent with the Indenture including credit or liquidity support, remarketing, serialization and defeasance, or (E) authorize Bonds or Notes of a Series and in connection therewith determine the matters referred to in the Indenture and any other things relative to such Bonds or Notes that are not prejudicial to the Holders, or to modify or rescind any such authorization or determination at any time prior to the first authentication and delivery of such Series of Bonds or Notes; or

(2) amended by the Authority and the Trustee with the approval of the Mayor and Comptroller to the extent, if any, required by the Act, (A) to cure any ambiguity or defect, (B) to add provisions that are not prejudicial to the Holders, (C) to adopt amendments that do not take effect unless and until (i) no Bonds or Notes Outstanding prior to the adoption of such amendment remain Outstanding or (ii) such amendment is consented to by the Holders of such Bonds or Notes in accordance with the Indenture, or (D) pursuant to paragraph (b) summarized below.

(b) Except as described in the foregoing paragraph (a), the Indenture may be amended (1) only with the written consent of a Majority in Interest of the Recovery Bonds and Bonds issued as Parity Debt, the School Bonds, the Senior Bonds and the Notes of each category (each acting as a separate class) to be Outstanding at the effective date thereof and affected thereby; but (2) only with the unanimous written consent of the affected Holders for any of the following purposes: (A) to extend the maturity of any Bond or Note, (B) to reduce the principal amount or interest rate of any Bond or Note, (C) to make any Bond or Note redeemable other than in accordance with its terms, (D) to create a preference or priority of any Bond or Note over any other Bond or Note of the same class or (E) to reduce the percentage of the Bonds and Notes required to be represented by the Holders giving their consent to any amendment. If their interests differ materially, the Holders of the Pre-'07 S-1 Senior Bonds and Pre-'07 S-1 Parity Debt shall vote as separate classes from the Holders of Post-'07 S-1 Senior Debt and Post-'07 S-1 Parity Debt.

(c) Any amendment of the Indenture shall be accompanied by a Counsel's Opinion to the effect that the amendment is permitted by law and does not adversely affect the exclusion of interest on the Tax-Exempt Bonds and Tax-Exempt Notes from gross income for federal income tax purposes.

In addition, provisions of the Indenture relating to the application of the Federal Subsidy may be amended in any respect that is not prejudicial to the Bondholders.

*Beneficiaries.* The Indenture is not intended for the benefit of and shall not be construed to create rights in parties other than the City, the Authority, the Fiduciaries, the Holders of Notes and Senior Bonds, and the other Beneficiaries to the extent specified therein.

*Covenant.* The Authority covenants with the Holders of the Bonds offered hereby to include the applicable multi-modal provisions and to comply with such provisions and with the statutory restrictions on multi-modal rate bonds in effect from time to time in accordance with the Act.

## THE AGREEMENT

The Agreement, including the Transitional Capital Plan attached thereto:

- (i) describes by reference to the capital budget of the City and the Act the particular Projects and Costs to be financed in whole or in part by the Authority;
- (ii) describes the plan for the financing of the Costs or Projects;
- (iii) sets forth the method for which and by whom and the terms and conditions upon which money provided by the Authority shall be distributed to the City, which disbursements shall occur, subject to receipt by the Authority of such documentation as to the costs being reimbursed as the Authority shall reasonably require, at least monthly;
- (iv) provides for the payment of such Costs by the City under such contracts as shall be awarded by the City or for the City to make a capital contribution of such proceeds as City funds to another entity for the payment or reimbursement of such Costs;
- (v) requires every contract entered into by the City, or another entity receiving funds from the City, for Projects or Costs to be financed in whole or in part by the Authority to be subject to the provisions of the City Charter and other applicable laws governing contracts of the City or such entity, as the case may be; and
- (vi) authorizes the Authority's assignment and pledge to the Trustee in trust for the benefit and security of the Bondholders and, to the extent specified in the Indenture, of Noteholders and the parties to ancillary and swap contracts of rights of the Authority under the Agreement.

In consideration of the mutual agreements contained in the Agreement and other good and valuable consideration, the Authority and the City agree as set forth in the Agreement for their own benefit and for the benefit of the Bondholders and other Beneficiaries under the Indenture.

*City's Further Assurances.* Pursuant to the Act, the City acknowledges the State's grant to the Authority and the Authority's pledge and assignment to the Trustee of, and disclaims ownership of, all subject to the terms of the Act: the City's right, title and interest in and to the Personal Income Taxes and the Sales Taxes, and all rights to receive the same and the proceeds thereof; and the City will protect and defend the Trustee's title thereto.

*Separate Accounts and Records.* The Authority and the City represent and covenant, each for itself, that: (a) Each of them will maintain its books, financial records and accounts (including, without limitation, inter-entity transaction accounts) in a manner so as to identify separately the assets and liabilities of each such entity; each has observed and will observe all applicable corporate procedures and formalities, including, where applicable, the holding of regular periodic and special meetings of governing bodies, the recording and maintenance of minutes of such meetings, and the recording and maintenance of resolutions, if any, adopted at such meetings; and all transactions and agreements between and among the Authority, the City and the Trustee have reflected and will reflect the separate legal existence of each entity and have been and will be formally documented in writing. (b) Neither the Authority nor the City has commingled or will commingle any of its assets, funds or liabilities with the assets, funds or liabilities of any other person or entity. Each of them has conducted and will conduct all business between itself and third parties in its own name and separate and distinct from the other.

*Project Fund.* A Project Fund is established to be held by the Authority. Money shall be deposited therein as provided in the Indenture. The money and investments in the Project Fund shall be held in trust and, except as otherwise provided in the Agreement, shall be applied by the Authority as described below.

The Authority shall pay from the Project Fund the Costs of Issuance, including any expenses of the City in connection with the issuance of the Bonds and Notes that are approved by the Authority, and disburse funds to the City to finance, by payment or reimbursement, Project Capital Costs. When all Costs of Issuance and Project Capital

Costs have been paid or reimbursed, as evidenced by Officer's Certificates of the Authority and the City, any excess in the Project Fund shall promptly be paid to the Trustee for deposit in the Redemption Account.

The Authority and the City shall develop, and may from time to time modify, procedures for the disbursement, at least monthly, of money to the City from the Project Fund, upon terms, conditions and documentation providing for compliance with the Act, appropriate provisions of the LFL, the Transitional Capital Plan, the Agreement, the Indenture, and the advice of Counsel as to the application of proceeds of Tax-Exempt Notes and Tax-Exempt Bonds. The City shall pay Costs out of Note and Bond proceeds under such contracts as shall be awarded by the City or make a capital contribution of such proceeds as City funds to another entity for the payment or reimbursement of such Costs.

Money in the Project Fund shall be invested and reinvested in accordance with the Act. Earnings thereon shall be transferred to the Collection Account as Building Aid or Tax Revenues, or otherwise applied in accordance with the Tax Code pursuant to an Officer's Certificate.

*Indemnity.* The City shall indemnify the Authority and hold it harmless against any claim, demand, action, liability, damages, cost, loss or expense (including, without limitation, legal fees and disbursements) that the Authority incurs arising out of or in relation to any Project.

*Limited Purpose of Agreement.* The Agreement provides for the Authority's financing of Project Capital Costs. Except as specified in the Agreement, the Authority, the City, and the Trustee shall have no liability to each other or to the Beneficiaries for the construction, reconstruction, acquisition, installation, physical condition, ownership or operation of any Project. The specific Project Capital Costs to be paid or reimbursed by the Authority shall be determined by the City in accordance with the Act.

*Covenants of the City.* The City covenants with the Authority, and consents to the pledge and assignment to the Trustee of its covenants, that:

(A) The City will at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Authority on Tax-Exempt Bonds and Tax-Exempt Notes shall be excludable from gross income for federal income tax purposes pursuant to §103(a) of the Code; and no funds of the City shall at any time be used directly or indirectly to acquire securities or obligations the acquisition or holding of which would cause any Tax-Exempt Bond or Tax-Exempt Note to be an arbitrage bond as defined in the Code and any applicable Regulations issued thereunder.

(B) The City in its papers and in the statements of its officials has referred and will refer to the Authority as a separate and distinct legal entity; and the City will take no action that is inconsistent with the Agreement and that would give any creditor of the City cause to believe either that any such obligations incurred by the City would be not only the obligation of the City, but also of the Authority, or that the City were not or would not continue to remain an entity separate and distinct from the Authority.

(C) To implement the State Covenant, an Authorized Officer of the City shall, not less than 30 days prior to the beginning of each City fiscal year, and as often as he deems necessary but at least quarterly thereafter, certify to the Authority and the Trustee the Mayor's projection of Personal Income Taxes payable to the Authority each month during such fiscal year; and if the projected Personal Income Taxes are insufficient to meet at least 150% of maximum annual debt service on the Bonds, as certified by the Chairperson of the Authority pursuant to the Indenture, then (1) the Mayor shall so notify the State Comptroller, and (2) an Authorized Officer of the City shall, not less than 30 days prior to the beginning of each City fiscal year in which such projected Personal Income Taxes are insufficient to meet at least 150% of such maximum annual debt service, and as often as he deems necessary but at least quarterly thereafter, certify to the Authority and the Trustee (in addition to other required matters) the City's projection of Sales Taxes available to be paid to the Authority each month during such fiscal year.

*Statutory Pledge and Agreement ("City Covenant").* The City pledges and agrees with the Holders of the Outstanding Bonds and Notes that the City will not limit or alter the rights vested in the Authority by the Act to fulfill the terms of any agreements made with such Holders pursuant to the Act, or in any way impair the rights and remedies

of such Holders or the security for such Bonds and Notes until such Bonds and Notes, together with the interest thereon and all costs and expenses in connection with any action or proceeding by or on behalf of such Holders, are fully paid and discharged. This pledge and agreement shall not be deemed to restrict any right the City may have to amend, modify or otherwise alter local laws imposing or relating to the Personal Income Taxes so long as, after giving effect to such amendment, modification or other alteration, the amount of Tax Revenues projected by the Mayor to be available to the Authority during each of its fiscal years following the effective date of such amendment, modification or other alteration shall be not less than 150% of maximum annual debt service on the Bonds.

*Statutory Requirement.* To the extent required by the Act, the City agrees that it shall require every contract entered into by the City, or another entity receiving funds from the City, for projects or costs to be financed in whole or in part by the Authority to be subject to the provisions of the City Charter and other applicable laws governing contracts of the City or such entity, as the case may be.

*Transfers to City.* Subject to the provisions of the Act and the Agreement, all money received by the Authority which, together with other money available for the purposes of the Indenture, exceeds the amount required for such purposes shall be transferred to the order of the City daily or as soon as practicable but not later than the last day of each month.

*City Acknowledgments.* (a) The City acknowledges that its covenants and pledge and agreement for the benefit of the Holders constitute important security provisions of the Bonds and Notes, and to the fullest extent permitted by applicable federal and State law, waives any right to assert any claim to the contrary and agrees that it will neither in any manner directly or indirectly assert, nor in any manner directly or indirectly support any assertion of any claim to the contrary.

(b) By acknowledging that its covenants and pledge and agreement for the benefit of the Holders constitute important security provisions of the Bonds and Notes, the City also acknowledges, to the fullest extent permitted by applicable federal and State law, that, in the event of any failure or refusal by the City to comply therewith, the Holders of the Bonds or Notes may have suffered monetary damages, the extent of the remedy for which may be, to the fullest extent permitted by applicable federal and State law, determined, in addition to any other remedy available at law or in equity, in the course of any action taken pursuant to the Agreement; and to the fullest extent permitted by applicable federal and State law, the City waives any right to assert any claim to the contrary and agrees that it will neither in any manner directly or indirectly assert, nor in any manner directly or indirectly support any assertion of any claim to the effect that no such monetary damages have been suffered.

(c) The City further acknowledges that the acknowledgments and agreements described in paragraphs (a) and (b) above have been included as a result of negotiations with the underwriters of the first series of Bonds and the first Series of School Bonds and may further acknowledge if and the extent to which any provision of the Agreement has been amended, or any provision of a Series Resolution has been included therein, as a result of the same or similar negotiations.

*Amendment.* (A) The Agreement may be:

(1) supplemented by delivery to the Trustee of an instrument certified by an Authorized Officer of the Authority and executed or approved by the City to the extent required by the Agreement and the Act, to (a) update the Transitional Capital Plan or (b) add to the covenants and agreements of the City or the Authority for the benefit of the Holders or surrender or limit for the benefit of the Holders any right or power of the City or the Authority; or

(2) amended by the parties with notice to the Trustee but without Bondholder or Noteholder consent to (a) cure any ambiguity or defect or (b) add provisions that are not prejudicial to the Holders of the Bonds and Notes, including provisions that do not take effect unless and until (i) no Bonds or Notes Outstanding prior to the adoption of such amendment remain Outstanding or (ii) such amendment is consented to by Holders in accordance with the further provisions of the Agreement.

(B) Except as described in the foregoing paragraph (A), the Agreement may be amended only by the City and the Authority with the written consent of a Majority in Interest of the Senior Bonds, the Recovery Bonds and Bonds issued as Parity Debt, the School Bonds and the Notes of each category (each acting as a separate class) to be Outstanding at the effective date thereof and affected thereby; but only with the unanimous written consent of the affected Holders to reduce the percentage of the Bonds and Notes required to be represented by the Holders giving their consent to any amendment. If their interests differ materially, the Holders of the Pre-'07 S-1 Senior Bonds and Pre-'07 S-1 Parity Debt shall vote as separate classes from the Holders of Post-'07 S-1 Senior Debt and Post-'07 S-1 Parity Debt.

(C) Any amendment of the Agreement shall be accompanied by a Counsel's opinion to the effect that the amendment is permitted by law and does not adversely affect the exclusion of interest on the Tax-Exempt Bonds and Tax-Exempt Notes from gross income for federal income tax purposes.

*Beneficiaries.* The Agreement is not intended for the benefit of and shall not be construed to create rights in parties other than the City, the Authority, the Fiduciaries, the Holders of Notes and Senior Bonds, and the other Beneficiaries to the extent specified in the Agreement and in the Indenture.

## INDEPENDENT AUDITORS' REPORT

To the Members of the Board of Directors of the  
New York City Transitional Finance Authority

We have audited the accompanying financial statements of the governmental activities and governmental funds of the New York City Transitional Finance Authority (the "Authority"), a component unit of The City of New York, as of and for the years ended June 30, 2020 and 2019, which collectively comprise the Authority's basic financial statements as listed in the table of contents, and the related notes to the financial statements.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Opinion*

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and governmental funds of the New York City Transitional Finance Authority as of June 30, 2020 and 2019, and the respective changes in its financial position for the years then ended in accordance with accounting principles generally accepted in the United States of America.

***Other Matter – Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3 through 12 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audits of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

## **MANAGEMENT'S DISCUSSION AND ANALYSIS**

**JUNE 30, 2020 AND 2019 (unaudited)**

---

The following is a narrative overview and analysis of the financial activities of the New York City Transitional Finance Authority (the "Authority" or "TFA") as of June 30, 2020 and 2019, and for the years then ended. It should be read in conjunction with the Authority's government-wide financial statements, governmental funds financial statements and the notes to the financial statements. The annual financial statements consist of four parts: (1) management's discussion and analysis (this section); (2) the government-wide financial statements; (3) the governmental funds financial statements; and (4) the notes to the financial statements.

The government-wide financial statements of the Authority, which include the statements of net position (deficit) and the statements of activities, are presented to display information about the reporting entity as a whole, in accordance with Governmental Accounting Standards Board ("GASB") standards. This is to provide the reader with a broad overview of the Authority's finances. The government-wide financial statements are prepared using the economic resources measurement focus and the accrual basis of accounting. Accordingly, revenue is recognized when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows.

The Authority's governmental funds financial statements (general, capital, and debt service funds) are presented using the current financial resources measurement focus and the modified accrual basis of accounting. Revenue is recognized when it becomes susceptible to accrual, which is when it becomes both measurable and available to finance expenditures in the current fiscal period. Revenues are considered available if received within two months after the fiscal year end. Expenditures are recognized when the related liability is incurred, except for principal and interest on bonds payable and liabilities on arbitrage rebate payable, which are recognized when due.

The reconciliations of the governmental funds balance sheets to the statements of net position (deficit) and reconciliations of the governmental funds statements of revenues, expenditures and changes in fund balances to the statements of activities are presented to assist the reader in understanding the differences between government-wide and governmental funds financial statements.

### **Future Tax Secured Bonds**

The Authority's original authorizing legislation limited the amount of Authority debt issued for The City of New York's (the "City") general capital purposes ("Future Tax Secured Bonds" or "FTS Bonds") at \$7.5 billion, (excluding Recovery Bonds, discussed below) which was amended several times to reach a total of \$13.5 billion. On July 11, 2009, subsequent authorizing legislation was enacted under Chapter 182 of the Laws of New York, which permitted the Authority to have in addition to the outstanding \$13.5 billion of FTS Bonds, (excluding Recovery Bonds); the ability to issue additional FTS Bonds provided that the amount of such additional bonds, together with the amount of indebtedness contracted by the City, does not exceed the debt limit of the City. At the end of fiscal year 2020, the City's and the Authority's remaining combined debt-incurring capacity was approximately \$37 billion.

In fiscal years 2020 and 2019, the Authority issued \$3.6 billion and \$4.5 billion, respectively, of new money FTS Bonds. The new money bond proceeds were used to finance the City's capital program.

**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**JUNE 30, 2020 AND 2019 (unaudited) (continued)**

**Future Tax Secured Bonds (continued)**

During fiscal year 2020, the Authority reoffered \$138 million of FTS Bonds. The proceeds from the reoffering provided for the partial redemption and conversion of \$153 million of outstanding FTS Variable Rate Demand Bonds ("VRDBs") to fixed rate bonds.

During fiscal year 2019, the Authority reoffered \$152 million of FTS Bonds. The proceeds from the reoffering provided for the partial redemption and conversion of \$172 million of outstanding VRDBs to fixed rate bonds. The Authority also converted \$200 million of Index Rate Bonds to VRDBs.

As of June 30, 2020 and 2019, the Authority had FTS Senior Bonds outstanding of \$662 million and \$703 million and Subordinate bonds (excluding Recovery Bonds) of \$39.6 billion and \$37.3 billion, respectively.

The Authority is also authorized to have outstanding up to \$2.5 billion of bonds and notes to pay costs arising from the World Trade Center attack on September 11, 2001 ("Recovery Bonds"). The Authority had Recovery Bonds outstanding as of June 30, 2020 and 2019, of \$421 million and \$558 million, respectively.

Build America Bonds ("BABs") and Qualified School Construction Bonds ("QSCBs") are taxable bonds that were created under the American Recovery and Reinvestment Act of 2009 ("ARRA" or "Stimulus Act") whereby the Authority receives a cash subsidy from the United States Treasury to pay related bond interest. In fiscal years 2020 and 2019, the Authority recognized subsidy payments of \$51.5 million and \$52.1 million on its BABs, respectively, and \$48.3 million and \$48.1 million on its QSCBs, respectively. Subsidy payments have been discounted due to the federal budget sequestration; the latest discount was 5.9% beginning in October 2019. The proceeds of the BABs were used to finance the City's capital expenditures and the QSCBs proceeds were used to finance the City's educational facilities.

**Building Aid Revenue Bonds**

The Authority is also authorized to have outstanding up to \$9.4 billion of Building Aid Revenue Bonds, notes or other obligations ("BARBs"), secured by building aid from the State of New York (the "State") that is received by the Authority pursuant to an assignment with the City in fiscal year 2007 (the "Assignment"). The City assigned its building aid, which is subject to annual appropriation by the State, to the Authority for the purpose of funding costs for the City's school system's five-year educational facilities capital plans and to pay the Authority's administrative expenses. In fiscal years 2020 and 2019, the Authority issued \$250 million and \$2.5 billion of BARBs, respectively. BARBs outstanding as of June 30, 2020 and 2019 were \$8.3 billion and \$8.1 billion, respectively.

In fiscal years 2020 and 2019, the Authority recognized subsidy payments of \$6.3 million and \$6.6 million on its BABs and \$8.8 million and \$9.2 million on its QSCBs, respectively.

The following summarizes the changes in debt service activity for BARBs in fiscal years 2020 and 2019:

In accordance with GASB standards, the building aid revenue is treated, for reporting purposes, as City revenue pledged to the Authority. Under the criteria established by GASB, the assignment of building aid revenue by the City to the Authority is considered a collateralized borrowing, due to the City's continuing involvement necessary for collection of the building aid. The Authority reports as an asset (Due from New York City — future State building aid) for the cumulative amount it has distributed to the City for the educational facilities capital plan, offset by the cumulative amount of building aid it has retained. On the fund financial statements, the distributions to the City for its educational facilities capital program are reported as other financing (uses) of funds.

The Authority retains sufficient building aid revenue to service the BARBs debt and to pay its administrative expenses in accordance with the Indenture. Building aid retained by the Authority is treated as other financing sources, as the amount retained is accounted for as a repayment of the amounts treated as loaned to the City.

Below is a table summarizing the total building aid revenues from the State, remittances to the City and the balances retained by the Authority for the fiscal years ended June 30,

In fiscal years 2020, 2019 and 2018, the Authority received unrestricted grants from the City in the amount of \$2.5 billion, \$2.3 billion, and \$2.2 billion, respectively. These funds were used to fund FTS Bonds' future years debt service requirements which reduced the amount of personal income tax ("PIT") retained for such purpose.

In fiscal years 2020, 2019 and 2018, the Authority earned subsidy payments on its BABs and QSCBs, which fluctuate each year due to the changes in the amount of bonds outstanding and changes on the discounted rate from federal budget sequestration.

## MANAGEMENT'S DISCUSSION AND ANALYSIS JUNE 30, 2020 AND 2019 (unaudited) (continued)

### Financial Highlights And Overall Analysis — Government-Wide Financial Statements (continued)

Investment earnings are primarily determined by capital projects fund holdings, debt service fund holdings, interest rates and market value fluctuations during the fiscal year.

The amount of distributions to the City fluctuates each year depending on the capital funding needs of the City and related issuance of debt.

Interest expense increased in each fiscal year due to the increase in outstanding bonds.

Other expenses consist primarily of the Authority's administrative expenses, federal subsidies transferred to the City, and costs of issuance. The fluctuations in each fiscal year were primarily due to the changes in costs of issuance associated with the issuance of new bonds and changes in federal subsidies transferred to the City.

The following summarizes the Authority's assets, liabilities, and net position (deficits) as of June 30,

	2020	2019	2018	Variance	
				2020/2019	2019/2018

Total assets increased between fiscal years 2020 and 2019 primarily due to the increase in debt service funds and PIT receivable as of year-end. Total assets decreased between fiscal years 2019 and 2018 primarily due to the decrease in BARBs debt service funds and capital project funds held as of year-end.

The deferred outflows of resources represent the difference between removing the carrying amount of refunded bonds and the recording of the new bonds. The deferred outflows of resource fluctuate each year based on the amount of bonds refunded and the amortization scheduled.

Total liabilities increased in fiscal years 2020, 2019 and 2018 primarily due to the issuance of new bonds.

### Economic Outlook

The outbreak of the coronavirus disease (COVID-19), referred to herein as "COVID-19," has been declared a pandemic by the World Health Organization. The Governor of the state of New York declared a state of emergency in the State on March 7, 2020 and the Mayor declared a state of emergency in the City on March 12, 2020. The COVID-19 pandemic and resulting economic disruption have resulted in reductions in tax revenues due to significant reductions in employment and earnings subject to the personal income tax, as well as reductions in sales tax revenues. However, the ultimate impact of the COVID-19 pandemic on the amount and timing of collections of the tax revenues cannot be determined at this time. Additional changes in employment and earnings subject to the personal income tax, as well as reductions in economic activity subject to the sales tax, may occur, including, but not limited to, reductions in personal income tax revenues due to changes in residency status resulting from remote work outside the City and other employment-related changes. No assurance can be provided that the COVID-19 pandemic and resulting economic disruption will not result in lower tax revenue collections. Moody's has placed the Authority's outstanding FTS Bonds on negative outlook. Both Moody's and Fitch have placed the BARBs on negative outlook in connection with a negative outlook for the State as building aid is subject to State appropriation.

This financial report is designed to provide a general overview of the Authority's finances. Questions concerning any of the information in this report or requests for additional financial information should be directed to Investor Relations, the New York City Transitional Finance Authority, 255 Greenwich Street, New York, NY 10007.

(A Component Unit of The City of New York)

## NOTES TO FINANCIAL STATEMENTS

### JUNE 30, 2020 AND 2019

---

#### 1. Organization and Nature of Activities

The New York City Transitional Finance Authority (the “Authority” or “TFA”) is a corporate governmental entity constituting a public benefit corporation and an instrumentality of the State of New York (the “State”). The Authority is governed by a Board of five directors, consisting of the following officials of The City of New York (the “City”): the Director of Management and Budget (who also serves as Chairperson), the Commissioner of Finance, the Commissioner of Design and Construction, the City Comptroller, and the Speaker of the City Council. Although legally separate from the City, the Authority is a financing instrumentality of the City and is included in the City’s financial statements as a blended component unit, in accordance with the Governmental Accounting Standards Board (“GASB”) standards.

The Authority was created by State legislation enacted in 1997 to issue and sell bonds and notes (“Future Tax Secured Bonds” or “FTS Bonds”) to fund a portion of the capital program of the City, the purpose of which is to maintain, rebuild and expand the infrastructure of the City, and to pay the Authority’s administrative expenses.

The Authority’s original authorizing legislation limited the amount of Authority debt issued for the City’s general capital purposes (FTS Bonds) at \$7.5 billion, (excluding Recovery Bonds, discussed below) which was amended several times to reach a total of \$13.5 billion. On July 11, 2009, subsequent authorizing legislation was enacted under Chapter 182 of the Laws of New York, 2009, which permitted the Authority to have in addition to the outstanding \$13.5 billion of FTS Bonds (excluding Recovery Bonds) the ability to issue additional FTS Bonds provided that the amount of such additional bonds, together with the amount of indebtedness contracted by the City, does not exceed the debt limit of the City. At the end of fiscal year 2020, the City’s and the Authority’s remaining combined debt incurring capacity was approximately \$37 billion.

In addition, on September 13, 2001, the State Legislature authorized the Authority to have outstanding an additional \$2.5 billion of bonds and notes (“Recovery Bonds”) to fund the City’s costs related to and arising from events on September 11, 2001, at the World Trade Center, notwithstanding the limits discussed above.

In addition, State legislation enacted in April 2006 enabled the Authority to have outstanding up to \$9.4 billion of Building Aid Revenue Bonds (“BARBs”), notes or other obligations for purposes of funding the City school system’s costs of its five-year educational facilities capital plan and pay the Authority’s administrative expenses.

The Authority does not have any employees; its affairs are administered by employees of the City and of another component unit of the City, for which the Authority pays a management fee and overhead based on its allocated share of personnel and overhead costs.

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2020 AND 2019**

---

**2. Summary of Significant Accounting Policies**

- A. The government-wide financial statements of the Authority, which include the statements of net position (deficit) and the statements of activities, are presented to display information about the reporting entity as a whole, in accordance with GASB standards. The statements of net position (deficit) and the statements of activities are prepared using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows.

The Authority's governmental funds financial statements (general, capital projects and debt service funds) are presented using the current financial resources measurement focus and the modified accrual basis of accounting. Revenue is recognized when it becomes susceptible to accrual, which is when it becomes both measurable and available to finance expenditures in the current fiscal period. Revenues are considered available if received within two months after the fiscal year end. Expenditures are recognized when the related liability is incurred, except for principal and interest on bonds payable and liabilities on arbitrage rebate payable, which are recognized when due.

The Authority uses five governmental funds for reporting its activities: (1) a general fund ("GF"), (2) a building aid revenue bonds capital projects fund ("BARBs CPF"), (3) a future tax secured bonds capital projects fund ("FTS Bonds CPF"), (4) a building aid revenue bonds debt service fund ("BARBs DSF"), and (5) a future tax secured bonds debt service fund ("FTS Bonds DSF"). The two capital project funds account for resources to be transferred to the City's capital programs in satisfaction of amounts due to the City and the two debt service funds account for the accumulation of resources for payment of principal and interest on outstanding debts. The general fund accounts for and reports all financial resources not accounted for in the capital and debt service funds, including the Authority's administrative expenses.

- B. The fund balances are classified as either: 1) nonspendable, 2) restricted, or 3) unrestricted. Unrestricted fund balance is further classified as: (a) committed, (b) assigned, or (c) unassigned.

Fund balance that cannot be spent because it is not in spendable form is defined as nonspendable. Resources constrained for debt service or redemption in accordance with TFA's Trust Indenture, (the "Indenture") are classified as restricted on the statements of net position (deficit) and the governmental funds balance sheets.

The Board of Directors of the Authority (the "Board") constitutes the Authority's highest level of decision-making authority and resolutions adopted by the Board that constrain fund balances for a specific purpose are accounted for and reported as committed for such purpose unless and until a subsequent resolution altering the commitment is adopted by the Board.

Fund balances which are constrained for use for a specific purpose based on the direction of any officer of the Authority duly authorized under its bond indenture to direct the movement of such funds are accounted for and reported as assigned for such purpose, unless or until a subsequent authorized action by the same or another duly authorized officer, or by the Board, is taken which removes or changes the assignment. Authorized officers allowed to assign funds are comprised of the Executive Director, Comptroller, Treasurer, Secretary, Deputy Comptroller, Assistant Secretaries and Assistant Treasurer.

**2. Summary of Significant Accounting Policies (continued)**

When both restricted and unrestricted resources are available for use for a specific purpose, it is the Authority's policy to use restricted resources first then unrestricted resources as they are needed. When committed, assigned, or unassigned resources are available for use for a specific purpose, it is the Authority's policy to use committed resources first, then assigned resources, and then unassigned resources as they are needed.

Resources constrained for debt service or redemption in accordance with the Authority's Indenture are classified as restricted on the statements of net position (deficit) and the governmental funds balance sheets.

- C. Premiums and discounts are capitalized and amortized over the lives of the related debt using the interest method in the government-wide financial statements. The governmental funds financial statements recognize the premiums and discounts during the current period. Bond premiums and discounts are presented as additions or reductions to the face amount of the bonds payable. Bond issuance costs are recognized in the period incurred both on the government-wide and governmental funds financial statements.
- D. Deferred bond refunding costs represent the accounting loss incurred in a current or advance refunding of outstanding bonds and are reported as a deferred outflow of resources on the government-wide financial statements. The deferred bond refunding costs are amortized over the shorter of the remaining life of the old debt or the life of the new debt.
- E. Interest expense is recognized on the accrual basis in the government-wide financial statements. Interest expenditures are recognized when bond interest is due in the governmental funds financial statements.
- F. The Authority receives the City personal income taxes ("PIT"), imposed pursuant to the State law and collected on behalf of the Authority by the State, to service its future tax secured debt and pay a portion of its administrative expenses. Funds for FTS Bonds debt service are required to be set aside prior to the due date of the principal and interest. PIT in excess of amounts needed to pay debt service and administrative expenses of the Authority are available to be remitted to the City. In fiscal years 2020 and 2019, the Authority received unrestricted grants for future debt service payments and reduced the amount of PIT retained for such purpose as described in Note 6.
- G. The Authority receives building aid payments by the State, subject to State annual appropriation, pursuant to the assignment by the City of the building aid payments to the Authority to service its building aid revenue bonds and pay a portion of its administrative expenses. Due to the City's continuing involvement necessary for the collection of the building aid, this assignment is considered a collateralized borrowing between the City and the Authority pursuant to GASB standards. The Authority reports, on its statements of net position (deficit), an asset (Due from New York City — future State building aid) representing the cumulative amount it has distributed to the City for the educational facilities capital plan, net of the cumulative amount of building aid it has retained. On the fund financial statements, the distributions to the City for its educational facilities capital program are

reported as other financing (uses) of funds. Building aid retained by the Authority is treated as other financing sources as the amount retained is accounted for as a repayment of the amounts loaned to the City. During the years ended June 30, 2020 and 2019, the Authority retained \$797 million and \$744 million, respectively, of State building aid to be used for BARBs debt service and its administrative expenses.

- H. To maintain the exemption from Federal income tax on interest of bonds issued by the Authority, the Authority is required to rebate amounts to the Federal government pursuant to Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"). The Code requires the payment to the United States Treasury of the excess of the amount earned on all obligations over the amount that would have been earned if the gross proceeds of the issue were invested at a rate equal to the yield on the issue, together with any earnings attributable to such excess. Construction funds, debt service funds or any other funds or accounts funded with proceeds of such bonds, including earnings, or pledged to or expected to be used to pay interest on such bonds are subject to this requirement. Payment is to be made after the end of the fifth bond year and after every fifth bond year thereafter, and within 60 days after retirement of the bonds. The Authority was not required to make an arbitrage rebate payment in fiscal years 2020 and 2019.

The Authority receives a subsidy from the United States Treasury due to the Authority's issuance of taxable Build America Bonds ("BABs") and taxable Qualified School Construction Bonds ("QSCBs") under the American Recovery and Reinvestment Act of 2009. This subsidy is recognized when the related bond interest is reported. On the statements of net position (deficit), the amount of the subsidy related to the accrued bond interest is reported as a receivable at year end, while in the governmental funds balance sheets where no bond interest is reported as payable until due, a subsidy receivable is not reported.

- I. As a component unit of the City, the Authority implements new GASB standards in the same fiscal year as they are implemented by the City. The following are discussions of the standards requiring implementation in the current year and standards which may impact the Authority in future years:
- In January 2017, GASB issued Statement No. 84, *Fiduciary Activities*, ("GASB 84"). The objective of GASB 84 is to improve guidance regarding the identification of fiduciary activities for accounting and financial reporting purposes and how those activities should be reported. The requirements of GASB 84 are effective for fiscal years beginning after December 15, 2018. The adoption of GASB 84 did not have an impact on TFA's financial statements, as it does not enter into fiduciary activities.
  - In June 2017, GASB issued Statement No. 87, *Leases*, ("GASB 87"). The objective of GASB 87 is to improve accounting and financial reporting for leases by governments. This statement increases the usefulness of governments' financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. It establishes a single model for lease accounting based on the foundational principle that leases are a financing of the right to use an underlying asset. Under this statement, a lessee is required to recognize a lease liability and an intangible right-to-use a lease asset, and a lessor is

required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities. The requirements of GASB 87 are effective for fiscal years beginning after December 15, 2019. TFA has not completed the process of evaluating GASB 87 but does not expect it to have an impact on TFA's financial statements, as it does not enter into lease agreements.

- In August 2018, GASB issued Statement No. 90, *Majority Equity Interests*, ("GASB 90"). GASB 90 clarifies the accounting and financial reporting requirements for a state and local government's majority equity interest in an organization that remains legally separate after acquisition. The requirements of GASB 90 are effective for fiscal years beginning after December 15, 2018. The adoption of GASB 90 did not have an impact on TFA's financial statements, as it has not made such acquisitions.
- In January 2020, GASB issued Statement No. 92, *Omnibus 2020*, ("GASB 92"). GASB 92 enhances the comparability in accounting and financial reporting as well as improves the consistency of authoritative literature by addressing practice issues that have been identified during implementation and application of certain GASB Statements. The requirements for GASB 92 are effective for reporting periods beginning after June 15, 2020. TFA has not completed the process of evaluating GASB 92 but does not expect it to have an impact on TFA's financial statements.
- In March 2020, GASB issued Statement No. 93, *Replacement of Interbank Offered Rates*, ("GASB 93"). GASB 93 addresses those and other accounting and financial reporting implications that result from the replacement of an interbank offered rate ("IBOR") – most notably, the London Interbank Offered Rate ("LIBOR") resulting from global reference rate reform. LIBOR is expected to cease to exist in its current form at the end of 2021, prompting governments to amend or replace financial instruments for the purpose of replacing LIBOR with other reference rates, by either changing the reference rate or adding or changing fallback provisions related to the reference rate. The removal of LIBOR as an appropriate benchmark interest rate is effective for reporting periods ending after December 31, 2021. All other requirements for GASB 93 are effective for reporting periods beginning after June 15, 2020. TFA has not completed the process of evaluating GASB 93 but does not expect it to have an impact on TFA's financial statements.
- In March 2020, GASB issued Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*, ("GASB 94"). GASB 94 improves financial reporting by addressing issues related to public-private and public-public partnership arrangements ("PPPs"). The requirements for GASB 94 are effective for fiscal years beginning after June 15, 2022, and all reporting periods thereafter. TFA has not completed the process of evaluating GASB 94 but does not expect it to have an impact on TFA's financial statements as it does not enter into PPPs.
- In May 2020, GASB issued Statement No. 95, *Postponement of the Effective Dates of Certain Authoritative Guidance*, ("GASB 95"). GASB 95 provides temporary relief to governments and other stakeholders in light of the COVID-19 pandemic by postponing the effective dates of certain provisions in Statements and Implementation Guides that first became effective or are scheduled to become effective for periods beginning after June 15, 2018, and later.

**2. Summary of Significant Accounting Policies (continued)**

- In May 2020, GASB issued Statement No. 96, *Subscription-Based Information Technology Arrangements*, (“GASB 96”). GASB 96 provides guidance on the accounting and financial reporting for subscription-based information technology arrangements (“SBITAs”) for government end users (governments). The requirements of GASB 96 are effective for fiscal years beginning after June 15, 2022, and all reporting periods thereafter. TFA has not completed the process of evaluating GASB 96 but does not expect it to have an impact on TFA’s financial statements as it does not enter into SBITAs.
  - In June 2020, GASB issued Statement No. 97, *Certain Component Unit Criteria, and Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans*, (“GASB 97”). The objectives of GASB 97 are to (1) increase consistency and comparability related to the reporting of fiduciary component units in circumstances in which a potential component unit does not have a governing board and the primary government performs the duties that a governing board typically would perform; (2) mitigate costs associated with the reporting of certain defined contribution pension plans, defined contribution other postemployment benefit (OPEB) plans, and employee benefit plans other than pension plans or OPEB plans (other employee benefit plans) as fiduciary component units in fiduciary fund financial statements; and (3) enhance the relevance, consistency, and comparability of the accounting and financial reporting for Internal Revenue Code (IRC) Section 457 deferred compensation plans (Section 457 plans) that meet the definition of a pension plan and for benefits provided through those plans. TFA has not completed the process of evaluating GASB 97 but does not expect it to have an impact on TFA’s financial statements.
- J. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Authority’s management to make estimates and assumptions in determining the reported amounts of assets, deferred outflow of resources, liabilities and deferred inflow of resources, disclosure of contingent assets and liabilities as of the date of the financial statements, and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

*Fair Value Hierarchy*

The Authority categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure fair value of the assets. Level 1 inputs are quoted prices in an active market for identical assets; Level 2 inputs are significant other observable inputs; and Level 3 inputs are significant unobservable inputs.

The Authority has the following recurring fair value measurements as of June 30, 2020 and 2019:

- Money Market Funds of \$694 million and \$14 million, respectively, are valued based on various market and industry inputs (Level 2 inputs).
- U.S. Treasury securities of \$1.8 billion and \$269 million, respectively, are valued using a matrix pricing model (Level 2 inputs).
- U.S. Agencies securities of \$1.7 billion and \$3.4 billion, respectively, are valued using a matrix pricing model (Level 2 inputs).
- Commercial paper of \$100 million and \$303 million, respectively, are valued using a matrix pricing model (Level 2 inputs).

**Custodial Credit Risk** — Is the risk that, in the event of the failure of the custodian, the Authority may not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. All investments are held in the Trustee's name by the Trustee.

**Credit Risk** — The Authority's investments are primarily government-sponsored enterprise discount notes and commercial paper. All commercial paper held by the Authority is non-asset backed commercial paper and is rated A-1 by Standard Poor's Rating Services and P1 by Moody's Investor Services.

**Interest Rate Risk** — Substantially all of the Authority's investments mature in one year or less. Investments with longer term maturities are not expected to be liquidated prior to maturity, thereby limiting exposure from rising interest rates.

**Concentration of Credit Risk** — Concentration of credit risk is the risk of loss attributed to the magnitude of TFA's investments in a single issuer (5% or more). TFA's investment policy places no limit on the amount TFA may invest in any one issuer of eligible government obligations as defined in the Indenture. As of June 30, 2020, TFA's investments were in eligible U.S. Government sponsored entities and commercial paper. These are 98% and 2% of TFA total investments, respectively.

***Debt Program***

Pursuant to the New York City Transitional Finance Authority Act (the “Act”), the Authority issues FTS Bonds payable from personal income taxes imposed by the City and, if such personal income tax revenues are insufficient, from sales taxes imposed by the City. The Authority is authorized to have outstanding \$13.5 billion of FTS Bonds (excluding Recovery Bonds and BARBs as described below) and to issue additional FTS Bonds provided that the amount of such additional FTS Bonds, together with the amount of indebtedness contracted by the City, does not exceed the debt limit of the City. As of June 30, 2020, the City’s and the Authority’s remaining combined debt-incurring capacity was approximately \$37 billion. The Authority is also authorized to have outstanding \$2.5 billion of Recovery Bonds to pay costs arising from the World Trade Center attack on September 11, 2001.

The Authority funds its debt service requirements for all FTS Bonds and its administrative expenses from personal income taxes collected on its behalf by the State and, if necessary, sales taxes. Sales taxes are only available to the Authority if personal income tax revenues fall below statutorily specified debt service coverage levels. No sales tax revenues were received or required during the fiscal years ended June 30, 2020 and 2019. The Authority remits excess personal income tax not required for its debt service payments and its administrative expenses to the City.

In addition, the Authority is permitted to have outstanding up to \$9.4 billion of BARBs or other obligations for purposes of funding the City school system’s five-year educational facilities capital plan. As of June 30, 2020 and 2019, the Authority had \$8.3 billion and \$8.1 billion, respectively, of BARBs outstanding. The BARBs are secured by the building aid payable by the State to the City and assigned to the Authority. These State building aid payments are subject to annual appropriation by the State. BARBs are not payable from personal income tax revenues or sales tax revenues. However, in the event of a payment default, BARBs are payable from an intercept of State education aid otherwise payable to the City.

The Authority’s Indenture includes events of default, certain of which (relating to failure to pay debt service, insolvency, State actions impacting security for the bonds and failure to meet specified coverage levels) could result in acceleration of TFA bonds if so directed by a majority in interest of Senior bondholders.

***Changes in Long-term Liabilities – FTS Bonds***

The Indenture permits the Authority to issue both Senior and Subordinate FTS Bonds. FTS Bonds include Recovery Bonds, BABs, QSCBs, and other forms of debt obligations. As of June 30, 2020 and 2019, the Authority had \$662 million and \$703 million, respectively, of Senior FTS Bonds outstanding. In addition to its statutory limitations described above, the Authority is authorized pursuant to its Indenture to issue Senior FTS Bonds in an amount not to exceed \$12 billion in outstanding principal and subject to a \$330 million limit on quarterly debt service. Subordinate FTS Bonds outstanding as of June 30, 2020 and 2019, were \$40 billion and \$38 billion, respectively. Total FTS Bonds outstanding at June 30, 2020 and 2019, were \$41 billion and \$39 billion, respectively.

As of June 30, 2020, the interest rates on the Authority's outstanding fixed-rate FTS Bonds ranged from 2.00% to 5.50% on tax-exempt bonds and 1.29% to 6.27% on taxable bonds.

***Issuances - FTS***

In fiscal years 2020 and 2019, the Authority issued \$3.6 billion and \$4.5 billion, respectively, of new money FTS Bonds. The new money bond proceeds were used to finance the City's capital program.

During fiscal year 2020, the Authority reoffered \$138 million of FTS Bonds. The proceeds provided for the partial redemption and conversion of \$153 million of outstanding VRDBs to fixed rate bonds.

During fiscal year 2019, the Authority reoffered \$152 million of FTS Bonds. The proceeds provided for the partial redemption and conversion of \$172 million of outstanding VRDBs to fixed rate bonds. The Authority also converted \$200 million of Index Rate Bonds to VRDBs.

***Defeasances - FTS***

The bonds refunded with defeasance collateral have been removed from the financial statements as a liability of the Authority. The Authority had FTS Bonds refunded with defeasance collateral that are held in escrow accounts on deposit with the Authority's Trustee. As of June 30, 2020 and 2019, \$85 million and \$199 million, of the Authority's defeased bonds, respectively, were still outstanding.

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2020 AND 2019**

---

**5. Long-Term Liabilities (continued)**

As of June 30, 2020 and 2019, the Authority had \$3.4 billion and \$3.6 billion, respectively, of VRDBs outstanding. The VRDBs are remarketed by remarketing agents on a daily, two-day or weekly basis. Interest rates determined by such remarketing agents for such periods represent the lowest rate of interest that would cause the VRDBs to have a market value equal to par. Interest rates cannot exceed 9% on tax-exempt bonds. In fiscal years 2020 and 2019, the VRDBs rates averaged 1.13% and 1.57%, respectively, on tax-exempt bonds.

The VRDBs are backed by either a Standby Bond Purchase Agreement (“SBPA”) or a Letter of Credit (“LOC”), providing for the purchase of the VRDBs by a bank in the event they cannot be remarketed. In such case, the interest rate on the VRDBs would typically increase and would be determined by reference to specified index rates plus a spread (in some cases, with a minimum rate), up to a maximum rate of 25%. No VRDBs were held by such banks during the fiscal years ending June 30, 2020 or June 30, 2019. SBPAs and LOCs may be terminated by the respective banks upon the occurrence of specified events of default.

***Index Bonds***

As of June 30, 2020 and 2019, the Authority had \$557 million and \$590 million, respectively, of Index Rate Bonds outstanding, which were not publicly offered but were purchased by banks through direct placements. The Authority’s Index Rate Bonds pay interest based on a specified index. Some Index Rate Bonds continue to pay interest based on such index through maturity. Other Index Rate Bonds provide for an increased rate of interest commencing on an identified step-up date if such bonds are not converted or refunded in advance of such date. Such increased rate of interest is, in some cases, 9% and, in other cases, based on a specified index rate plus a spread. In fiscal years 2020 and 2019, interest rates on the Index bonds averaged 1.84% and 2.18%, respectively.

***Auction Bonds***

As of June 30, 2020 and 2019, the Authority had \$191 million and \$207 million, respectively, of Auction Rate Securities (“ARS”) outstanding. The interest rate on the ARS is established weekly by an auction agent at the lowest clearing rate based upon bids received from broker dealers. The interest rate on the ARS cannot exceed 12%. In fiscal years 2020 and 2019, the interest rate on the ARS averaged 1.60% and 1.85%, respectively.

	June 30, 2020			June 30, 2019		
	Principal	Interest	Total	Principal	Interest	Total
Required for FTS	\$ 274,995	\$ 426,874	\$ 701,869	\$ 176,645	\$ 435,104	\$ 611,749

The Authority held \$2.5 billion and \$2.3 billion in excess of amounts required to be retained for FTS Bonds debt service under the Indenture as of June 30, 2020 and 2019, respectively. The Authority held \$261 thousand and \$2.8 million in excess of amounts required to be retained for BARBs debt service under the Indenture as of June 30, 2020 and 2019, respectively.

**6. Unrestricted Grants**

In fiscal years 2020 and 2019, the Authority received unrestricted grants from the City in the amount of \$2.5 billion and \$2.3 billion, respectively. These City grants were used to fund future year's debt service requirements for FTS Bonds and reduced the amount of PIT retained for such purpose. The City grants are reported as assigned for debt service in the governmental funds balance sheets.

**7. Administrative Costs**

The Authority's management fee, overhead and expenditures related to carrying out the Authority's duties, including remarketing and liquidity fees not funded from bond proceeds or investment earnings, are funded from the personal income taxes, building aid revenue and grant revenue.

**8. Subsequent Events**

On September 1, 2020, the Authority issued \$1.62 billion, Fiscal 2021 Series A&B FTS Bonds, comprised of Series A, \$1.27 billion of tax-exempt bonds; Subseries B-1, \$79 million of tax-exempt bonds; Subseries B-2, \$135 million of taxable bonds, and Subseries B-3, \$140 million of taxable bonds. The proceeds from Fiscal 2021 Series A&B FTS Bonds were used to refund prior outstanding FTS Bonds.

On September 24, 2020, the Authority issued \$1.07 billion, Fiscal 2021 Series C FTS Bonds, comprised of Subseries C-1, \$900 million of tax-exempt bonds and Subseries C-2, \$173 million of taxable bonds. The proceeds of the Fiscal 2021 Series C FTS Bonds will be used for the City's capital programs. The Authority also reoffered \$200 million of FTS Bonds converting outstanding VRDBs to fixed rate bonds.

## PROPOSED FORM OF CO-BOND COUNSEL OPINION

July 22, 2021

New York City Transitional Finance Authority

Ladies and Gentlemen:

We have acted as co-bond counsel to the New York City Transitional Finance Authority (the “Authority”), a public benefit corporation organized under the laws of the State of New York (the “State”), in the Authority’s issuance of its Building Aid Revenue Bonds, Fiscal 2022 Subseries S-1A Tax-Exempt (the “Subseries S-1A Bonds”) and its Building Aid Revenue Bonds, Fiscal 2022 Subseries S-1B Taxable (the “Subseries S-1B Bonds” and, together with the Subseries S-1A Bonds, the “Series 2022 S-1 Bonds”). The Series 2022 S-1 Bonds are being issued pursuant to Chapter 16, Laws of New York, 1997, as amended (the “Act”), the Amended and Restated Original Indenture, as restated April 12, 2019, as amended and supplemented (the “Indenture”), between the Authority and The Bank of New York Mellon, as Trustee, an Assignment of State Aid dated October 19, 2006 (the “Assignment”) from the City of New York, as Assignor (the “City”) to the Authority, as Assignee, and an Amended and Restated Financing Agreement dated October 1, 1997, as amended (the “Agreement”), between the Authority and the City. Terms not defined herein are used as defined in the Indenture. We assume the parties will perform their respective covenants in the Indenture, the Assignment and the Agreement in all material respects.

The Series 2022 S-1 Bonds are dated, bear interest, mature, are subject to redemption or mandatory tender and are secured as set forth in the Indenture. The Authority is authorized to issue additional bonds payable from the Building Aid pledged and the other collateral provided for School Bonds in the Indenture (together with such bonds heretofore issued and the Series 2022 S-1 Bonds, the “School Bonds”) and other bonds (together with the School Bonds, the “Bonds”) on the terms and conditions set forth in the Indenture and all such Bonds shall be entitled to the benefit, protection and security of the Indenture, payable from the sources of revenue in the order of priority set forth therein.

Based on the foregoing and our examination of existing law, such legal proceedings and such other documents as we deem necessary to render this opinion, we are of the opinion that:

1. The Authority is a public benefit corporation duly organized and existing under the laws of the State, and is authorized under the laws of the State, particularly the Act, to enter into the Indenture and the Agreement and to issue the Series 2022 S-1 Bonds. Under the laws of the State, including the Constitution of the State, and under the Constitution of the United States, the Act is valid with respect to all provisions thereof material to the subject matter of this opinion letter.
2. The Series 2022 S-1 Bonds have been duly authorized, executed, and delivered by the Authority and are valid and binding obligations of the Authority payable from the Building Aid pledged and the other collateral provided for School Bonds in the Indenture. The Series 2022 S-1 Bonds do not constitute a debt of the State or the City, and neither the State nor the City shall be liable thereon, nor shall the Series 2022 S-1 Bonds be payable out of any funds other than those of the Authority.
3. The Act validly provides for (a) the payment to the Authority of the Building Aid, (b) the Authority’s pledge to the Trustee of the Building Aid and other collateral described in the Indenture and (c) the application of proceeds of the Series 2022 S-1 Bonds to purposes of the City.
4. The City, acting through the Mayor and in accordance with the Assignment, has assigned to the Authority all of the State school building aid payable to the City or its school district pursuant to subdivision 6 of section 3602 of the Education Law (or to any successor provision of State law) and, under the Act, such Building Aid and the right to receive the Building Aid are the property of the Authority. The availability of Building Aid for payment by the Authority of principal or interest on

the Series 2022 S-1 Bonds is subject to State appropriation, to prior claims under the Constitution and laws of the State, and to priorities under the Indenture in favor of specified Senior Bonds, Recovery Bonds and other Parity Debt.

5. The Indenture (a) has been duly and lawfully authorized, executed and delivered by the Authority, (b) creates the valid pledge of Building Aid and other collateral that it purports to create and (c) is a valid and binding agreement, enforceable in accordance with its terms, of the Authority, and to the extent specified in the Act, the State. The Act does not restrict the right of the State to amend, modify, repeal or otherwise alter statutes imposing or relating to the Building Aid nor does it obligate the State to make any payments not specified in the Act or impose any taxes to satisfy the obligations of the Authority.
6. The lien of the Indenture on the Building Aid for the security of the outstanding Senior Bonds, Recovery Bonds, other Parity Debt and School Bonds, including the Series 2022 S-1 Bonds, and other instruments, to the extent specified in the Indenture is, and pursuant to the covenant of the Authority in the Indenture will be, prior to all other liens thereon. The pledge of Revenues, including the Building Aid, and other collateral made by the Authority in the Indenture is valid, binding and perfected without any physical delivery of the collateral or further act, and the lien thereof is valid, binding and perfected against all parties having claims of any kind in tort, contract or otherwise against the Authority irrespective of such parties' notice thereof.
7. The Assignment and the Agreement have been duly and lawfully authorized, executed and delivered by the Authority and the City pursuant to the Act, and are valid and binding agreements of each of them.
8. The Authority is not eligible for protection from its creditors pursuant to Title 11 (the "Bankruptcy Code") of the United States Code. If the debts of the City were adjusted under the Bankruptcy Code, and the City or its creditors asserted a right to the Building Aid superior or equal to the rights of the holders of the Series 2022 S-1 Bonds, such assertion would not succeed.
9. The Series 2022 S-1 Bonds are issued for school purposes and therefore entitled to the benefit of § 99-b of the State Finance Law.
10. Interest on the Series 2022 S-1 Bonds is exempt from personal income taxes imposed by the State or any political subdivision thereof, including the City.
11. The Authority and the City have covenanted, in Tax Certificates dated the date hereof, to comply with certain provisions of the Internal Revenue Code of 1986, as amended to the date hereof (the "Tax Code"), relating to the exclusion from gross income of the interest on the Subseries S-1A Bonds for purposes of federal income taxation. Assuming compliance by the Authority and the City with such covenants, interest on the Subseries S-1A Bonds will be excludable from the gross income of the owners thereof for purposes of federal income taxation. Failure by the Authority or the City to comply with such covenants may cause interest on the Subseries S-1A Bonds to be includable in the gross income of the owners thereof retroactive to the date of issue of the Subseries S-1A Bonds.
12. Interest on the Subseries S-1A Bonds is not an item of tax preference for purposes of the federal alternative minimum tax. The Tax Code contains other provisions that could result in tax consequences, upon which we render no opinion, as a result of ownership of such Subseries S-1A Bonds or the inclusion in certain computations of interest that is excluded from gross income.

We express no opinion with respect to any other federal, state or local tax consequences under present law or any proposed legislation resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Series 2022 S-1 Bonds. Furthermore, we express no opinion as to the effect on the exclusion from gross income of interest on the Subseries S-1A Bonds of any action (including without limitation a change in the interest rate made with respect to any of the

Subseries S-1A Bonds) taken or not taken after the date of this opinion without our approval. Ownership of tax-exempt obligations such as the Subseries S-1A Bonds may result in collateral federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, certain foreign corporations doing business in the United States, “S” corporations with subchapter C earnings and profits, owners of an interest in a financial asset securitization investment trust, individual recipients of Social Security or Railroad Retirement Benefits, individuals otherwise qualifying for the earned income tax credit and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations.

13. No registration with, consent of, or approval by any governmental agency or commission that has not been obtained is necessary for the execution and delivery of the Series 2022 S-1 Bonds. The adoption and compliance with all of the terms and conditions of the Indenture and the Series 2022 S-1 Bonds, and the execution and delivery of the Series 2022 S-1 Bonds, will not result in a violation of or be in conflict with any existing law.

The rights of the holders of the Series 2022 S-1 Bonds and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors’ rights heretofore or hereafter enacted, to the extent constitutionally applicable and except as specifically stated above, and may also be subject to the exercise of the State’s police powers and of judicial discretion in appropriate cases.

Our opinions are based on existing law, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may hereafter come to our attention or to reflect any changes in any law that may hereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Internal Revenue Service; rather, such opinions represent our legal judgment based upon our review of existing law that we deem relevant to such opinions and in reliance upon the representations and covenants referenced above.

Very truly yours,

## BONDS TO BE REDEEMED

The Authority expects to redeem Bonds, at or prior to maturity, by applying the proceeds of the Series 2022 S-1 Bonds, with other funds of the Authority, to provide for, at or prior to maturity, the payment of the principal of and interest and redemption premium, if any, on such Bonds (the "Refunded Bonds") to the extent and to the payment dates set forth below. The refunding is contingent upon the delivery of the Series 2022 S-1 Bonds.

Refunded Bonds that are to be paid at maturity which are redeemable by their terms, if any, may be called for redemption at the option of the Authority if the escrow account is hereafter restructured to provide for their redemption. Any such restructuring must preserve (a) the sufficiency of the escrow account to pay the principal, interest to maturity or redemption, and any redemption premium on all the Refunded Bonds and (b) the exclusion from gross income for federal income tax purposes of interest on the Subseries S-1A Bonds and the Refunded Bonds that were issued as tax-exempt Bonds under the Code.

The Refunded Bonds are being provided for in whole or in part as indicated in the footnotes hereto.

The proceeds of the Subseries S-1A Bonds will be applied to redeem the following Refunded Bonds:
