

# Park Circle – Park Closure

## Pedestrian Accessibility Improvements

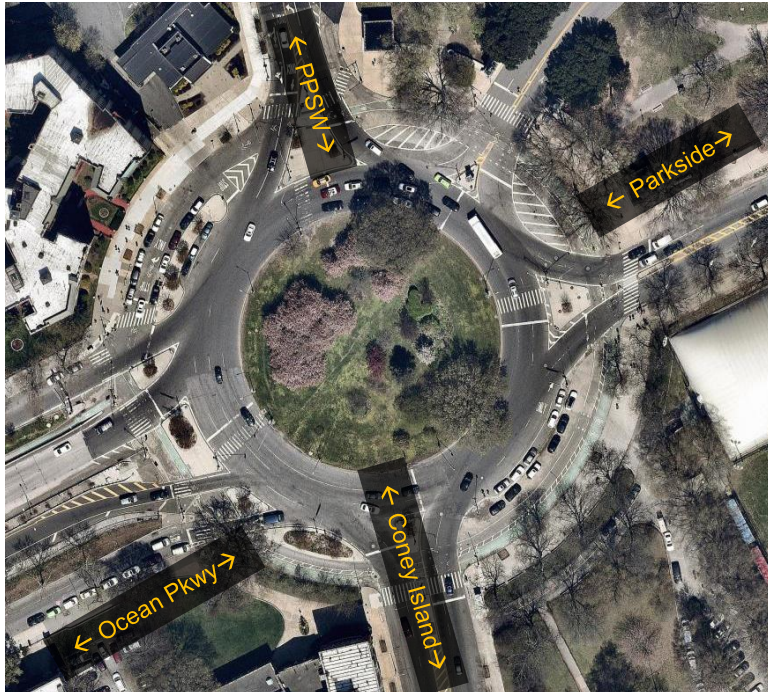

### Background

- 2009 Project made major changes to Park Circle
- Prospect Park was closed to traffic starting with the West Dr. in 2016 and the East Dr. in 2017
- Park Circle repaved in early 2018

### Location

- High volume intersection
- Major entrance to Prospect Park for bicyclists
- Bridle path entrance from nearby stables

### Improvements

- Pedestrianize entrance and exit designating as share space with vehicles yielding to pedestrians
- Add buffer between bike path and curb
- Extend two-way bike path from Ocean Pkwy South Service Road to Ocean Pkwy/Ft Hamilton overpass bike path

### Benefits

- Improved clarity
- Increased pedestrian space
- Direct bike connections
