

## LICENSE AUTHORIZATION

This license authorizes a NYC licensee to ensure compliance with concrete operations and all safety requirements, as specified in RCNY 3310-02.

## QUALIFICATIONS

As of today, I have met the following qualifications. **Please check all that apply:**

- I am at least eighteen (18) years old.
- I am able to read and write the English language.
- I am of good moral character.
- I am fit and competent to perform the work authorized by this license.
- I meet one (1) of the five (5) qualifications listed below and I am able to provide the required documentation to verify the qualification's required experience
- I have completed a [Department-approved 30-hour Concrete Safety Course](#)
- I have completed a Construction Safety and Health or Hazard Recognition 30-hour OSHA course

In addition, as of today, I have the following level of experience. **Please check one (1):**

- I am currently licensed as a New York State Professional Engineer (PE) and have, within the ten (10) years prior to the date of the application, five (5) years of experience in concrete operations, where at least one (1) of which was in concrete operations where the concrete portion of the project(s) involved the placement of a minimum of two thousand (2,000) cubic yards of concrete; **or**
- I am currently registered as a New York State Registered Architect and have, within the ten (10) years prior to the date of the application, five (5) years of experience in concrete operations, at least one (1) of which was in concrete operations where the concrete portion of the project(s) involved the placement of a minimum of two thousand (2,000) cubic yards of concrete; **or**
- I have within the last ten (10) years prior to the date of application, five (5) years of experience in concrete operations where at least four (4) of which were in concrete operations where the concrete portion of the project(s) involved at least 2,000 cubic yards of concrete; **or**
- I have a bachelor's degree in engineering or appropriate engineering technology from an accredited college or university and have within the last ten (10) years prior to the date of application, five (5) years of experience in concrete operations where at least three (3) of which were in concrete operations where the concrete portion of the project(s) involved at least 2,000 cubic yards of concrete; **or**
- I am a certified Site Safety Manager and have within the last ten (10) years prior to the date of application, five (5) years of experience in concrete operations where at least two (2) of which were in concrete operations where the concrete portion of the project(s) involved at least 2,000 cubic yards of concrete.

**Experience acquired pursuant to this paragraph MUST have been full-time experience acquired in the United States.**

I, \_\_\_\_\_, declare and acknowledge that the New York City Department of Buildings allowing me to submit my documentation prior to their investigation of my fitness and qualifications for licensure. I fully understand that it is my responsibility to ensure that I have met the qualifications and specific requirements applicable to the particular license for which I am applying. I understand that by checking the boxes above I am agreeing to submit satisfactory proof establishing that I have met the applicable license requirements.
