

Supplemental Investigation Questionnaire- Climber/Tower Crane Rigger

LICENSE AUTHORIZATION

This license authorizes a NYC licensee to assemble, jump, or disassemble a tower crane or a climber crane, or to supervise such work, and to install or use a derrick in conjunction with such work and supervise the installation of such derrick.

QUALIFICATIONS

As of today, I have the following qualifications. Please check all that apply:				
	I am at least eighteen (18) years old;			
	I am able to read and write the English language;			
	I am fit to perform the work authorized by the particular license;			
	I am of good moral character;			
	I have at least five (5) years of practical experience in the climber/tower crane rigging business within seven (7) years prior to the application date;			
	I have knowledge of and am able to explain the risks of such work and the necessary safety precautions that must be taken, including connecting pins, cables, anchorages, platforms, pads, plumbs of masts and torques of bolts; supervision of rigging and hoisting of loads; placement of components; and coordination of sequencing;			
	I have satisfactorily completed a thirty (30) hour training course from a Department-approved <u>30-Hour Climber/Tower Rigger Crane</u> within three (3) years prior to application.
