You will be given an Education and Experience Exam. Your score on this test will be used to determine your place on an eligible list. On the Education and Experience Exam, you will receive a score of 70 points for meeting the eligibility requirements listed above. At least 2 years, but less than 3 years	12 points
At least 3 years, but less than 4 years	18 points
At least 4 years, but less than 5 years	24 points
At least 5 years	30 points

During the Education and Experience Exam (EEE), you may answer questions about your experience. If your experience was on a part-time basis working less than 35 hours per week, you will need to convert your part-time experience to full-time experience using the formula below. Once you have determined your full-time experience equivalent, use this amount to answer questions about your experience.

$(\text{number of hours worked per week}/35) \times (\text{number of months worked})$

For example, if you worked at a job for 21 hours per week for 12 months, you would make the following calculation: $21/35 \times 12 = 7.2$

You will receive a maximum of one year of experience credit for each year you worked. If you have any of the above experience on a part-time basis, it will be credited according to the equivalent percent of full-time experience.

You have until midnight Eastern time on the last day of the Application Period (June 25, 2024) to clearly specify in detail all of your relevant credentials and experience and Final Submit your Education and Experience Exam in the Online Application System (OASys).
