#### **Construction of Storm and Sanitary Sewers in Willow Avenue**

The New York City Department of Design and Construction (NYCDDC) has submitted an application to the New York State Department of Environmental Conservation (NYSDEC) for a State Pollution Discharge Elimination System (SPDES) permit for the **Construction of Storm and Sanitary Sewers in Willow Avenue (NYCDDC Project ID SER20079)**. A Public Participation Plan has been developed in accordance with NYSDEC Commissioner Policy 29, Environmental Justice and Permitting (CP-29). The purpose of this meeting is to inform the public about the project and to involve the community during the SPDES permit application review process.
