INDUSTRIAL INSPECTIONS AND PERMITTING SECTION**

**PLAN REVIEW PROCEDURE**

Applicants must submit:

1. Three (3) cover letters describing the project in details.\*
2. One (1) completed Wastewater Quality Control Application.\*
3. Three (3) site plans (to scale) indicating type (sanitary or combined), size and location of public sewer lines. The site plan must also show both existing and proposed sewer connections and include a legend. Provide invert elevation if possible for connecting sewer line from the Project site to the public street sewer line.\*
4. Three (3) floor plans\*\* to show all existing and proposed plumbing fixtures, pretreatment equipment, if any, piping layout, sizes and connections to the public sewers. The floor plans must include a legend.\*
5. Three (3) storm and sanitary wastewater riser diagrams\*\* showing all plumbing fixtures, pretreatment equipment and associated piping. The riser diagrams must include a legend.\*
6. Main housetrap(s) and final connections to the public sewer must be shown on all plans.
7. A site connection proposal for sewer certification must be submitted for approval to NYCDEP Bureau of Water and Sewer Operations, Division of Connections and Permitting (59-17 Junction BLVD, 3<sup>rd</sup> Floor) – it's a separate submission.
8. Properly sized and approved pretreatment system, including specification, engineering calculations and details. For examples: interceptor, separator, pH neutralization system, etc.
9. The approval is contingent upon permittee's compliance with any other Federal, State or Local laws applicable to the permitted activity.
10. The application must be signed by:
  - i. The officer or director if owner/applicant is a corporation; or
  - ii. The partner, general and limited, if owner/applicant is a partnership; or
  - iii. The officer, director, partner, or owner if owner/applicant is a limited liability company; or
  - iv. The owner, if owner/applicant is a sole proprietorship.
11. All inquiries should be directed to the attention of Ms. Sophia Rabich at (718) 595-4707. The complete package should be sent to the following address:

Department of Environmental Protection  
Industrial Inspections and Permitting Section  
96-05 Horace Harding Expressway, 1<sup>st</sup> FLR  
Corona, NY 11368

\* This document/plan must include **original** stamp and signature of a New York State Registered Architect's (R.A) or New York State Professional Engineer's.

\*\* If applicable
