Data for years 1963 to 1967 as of December 31.

(+) No stated bed complement for New York City patients.
 (+) Exclusive of City patients in hospitals not shown here.
 (*) State Hospital patients not included in totals.
 Note: The low occupancy rate in Bellevue and Harlem Hospitals in 1967 is due to the fact that several wards were being painted at the time the census was done.

- (a) TB unit.
- (b) TB Service.
- (c) Service discontinued as of March 15, 1966.
