

The NYC Department of Social Services Website Accessibility Statement

The NYC Department of Social Services is committed to ensuring its digital content is accessible to and usable by people with disabilities. We are continually improving the user experience for everyone and applying the relevant accessibility standards.

Conformance Status

The Web Content Accessibility Guidelines (WCAG) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Our digital content is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to this accessibility standard.

Feedback

We welcome your feedback on the accessibility of our digital content. Please let us know if you encounter accessibility issues by using the [Website Accessibility Feedback Form](#).

If you need assistance accessing a particular program or service, please call the HRA OneNumber at 718-557-1399. If you have a disability and have a question or complaint regarding access, please reach out to Jennifer Shaoul, HRA's Disability Services Facilitator at disabilityaffairs@dss.nyc.gov.

Assessment Approach

The New York City Department of Social Services assesses the accessibility of its digital content through self-evaluation using web accessibility tools and user testing.
