(*) The persons involved reflects all motorists, however they do not reflect other persons involved unless they were injured or killed. "Motorist" includes the owner of a parked vehicle.

(**) Contributing factors are listed when known.

(***) Collision location is captured as the nearest intersection.

All figures are preliminary and subject to change. A collision at an intersection located on a precinct border may appear in the list of intersections of any precinct that shares that intersection, but will appear in only one precinct list.

(*) The persons involved reflects all motorists, however they do not reflect other persons involved unless they were injured or killed. "Motorist" includes the owner of a parked vehicle.

(**) Contributing factors are listed when known.

(***) Collision location is captured as the nearest intersection.

All figures are preliminary and subject to change. A collision at an intersection located on a precinct border may appear in the list of intersections of any precinct that shares that intersection, but will appear in only one precinct list.

(*) The persons involved reflects all motorists, however they do not reflect other persons involved unless they were injured or killed. "Motorist" includes the owner of a parked vehicle.

(**) Contributing factors are listed when known.

(***) Collision location is captured as the nearest intersection.

All figures are preliminary and subject to change. A collision at an intersection located on a precinct border may appear in the list of intersections of any precinct that shares that intersection, but will appear in only one precinct list.

(*) The persons involved reflects all motorists, however they do not reflect other persons involved unless they were injured or killed. "Motorist" includes the owner of a parked vehicle.

(**) Contributing factors are listed when known.

(***) Collision location is captured as the nearest intersection.

All figures are preliminary and subject to change. A collision at an intersection located on a precinct border may appear in the list of intersections of any precinct that shares that intersection, but will appear in only one precinct list.
