
GENERAL INFORMATION

ABOUT THE FUND

Your membership in the Management Benefits Fund (“Fund”) entitles you and your eligible dependents to the financial protection afforded by its benefits programs. All coverages, with the exception of Group Universal Life Insurance, are fully paid for by the Fund.

The program is administered by the City of New York (“City”) Office of Labor Relations (“OLR”). An Advisory Board appointed by the Mayor makes recommendations to the Mayor on benefits and policy. The Advisory Board is chaired by the Commissioner of the Office of Labor Relations. A Fund Director is employed to provide day-to-day management of Fund operations and recommend appropriate improvements. Within economic limits, continuing efforts are made to assure that City contributions to the Fund provide responsive and meaningful benefits to members. The Fund’s benefit plans are maintained for the exclusive benefit of the membership and are intended to be continued for an indefinite period. However, the City maintains the right to amend or terminate any program or plan as is deemed necessary.
