Effective Immediately

Community Board 6 Committee Meeting Policy

As of June 19, Mayor Eric Adams made the decision to no longer renew the Emergency Order that allowed organizations such as ours to meet virtually. As a result **all** meetings of Community Board 6 would have to be in person. In light of this decision, the Executive Committee of Queens Community Board 6 met on 6/26 and made the following decisions:

- All ULURP, BSA and Public Hearings will be held in person availing ourselves of the Extraordinary Circumstances Resolution
- Committees that are receiving presentations from Agencies/CBO's will hold their "briefing" remotely via Webex
- Committee organizational meetings will be conducted remotely via Webex
- All committee meetings will be recorded and posted on the [Queens Community Board 6 YouTube](#) page **7 days** after the meeting

We believe that this policy provides increased transparency and community engagement while supporting our volunteers capacity to participate fully in the operation of Queens Community Board 6. We promote transparency and engagement through the following actions:

- Timely notification of all committee meetings
- Frequent promotion of committee meetings on social media
- Facilitating easy self-serve public attendance via WebEx
- Punctual posting of committee recording to [youtube](#)

Lastly, upon request our office can furnish all resulting committee reports within a reasonable timeframe.

Thank You!

Queens Community Board 6
